This official guide, developed by the sponsors of the CLEP exam, includes a CD-ROM for Windows that introduces test takers to the new computer-based test

and provides a tutorial for each exam.

The Battle Over Bilingual Ballots

Describes the 1965 riot in the Black neighborhood of Watts that shook Los Angeles and the nation.

Arizona Revised Statutes, Annotated

The major source of information on the availability of standardized tests. -- Wilson Library Bulletin Covers commercially available standardized tests and hard-to-locate research instruments.

Conflicting Interests in Reproductive Autonomy and Their Impact on New Technologies

They came to enroll in college programs and college preparatory courses—and to escape, if only temporarily, the daily and ubiquitous indignities suffered under the Jim Crow racial hierarchy. They excelled in their studies and became accomplished in their professional fields. Many went on to both ignite and help lead the explosive civil rights movement. Very few people know their stories—until now. *Haste to Rise* is a book about the incredible resiliency and breathtaking accomplishments of those students. It was written to unearth, contextualize, and share their stories and important lessons with this generation. Along the way we are introduced to dozens of these Jim Crow-era students, including the first African American to win a case before the U.S. Supreme

Court, *Belford V. Lawson*, the lead attorney in *New Negro Alliance v. Sanitary Grocery Co.* (1938), a landmark court battle that safeguarded the right to picket. We also meet one of Lawson's contemporaries, Percival L. Prattis, a pioneering journalist and influential newspaper executive. In 1947, he became the first African American news correspondent admitted to the U.S. House and Senate press galleries. There is also an in-depth look into the life and work of the Institute's founder, Woodbridge Nathan Ferris, a racial justice pioneer who created educational opportunities for women, international students, and African Americans. *Haste to Rise* is a challenge to others to look beyond a university's official history and seek a more complete knowledge of its past. This is American history done right!

Outside Agitator

In recent years, few federal requirements have been as controversial as the mandate for what critics call 'bilingual ballots'. The Voting Rights Act of 1965 included a permanent requirement for language assistance for Puerto Rican voters educated in Spanish and ten years later Congress banned English-only elections in certain covered jurisdictions, expanding the support to include Alaska Natives, American Indians, Asian-language voters and Spanish-language voters. Some commentators have condemned the language assistance provisions, underlying many of their attacks with anti-immigrant rhetoric. Although the provisions have been in effect for over three decades, until now no comprehensive

study of them has been published. This book describes the evolution of the provisions, examining the evidence of educational and voting discrimination against language minorities covered by the Act. Additional chapters discuss the debate over the 2006 amendments to the Voting Rights Act, analysis of objections raised by opponents of bilingual ballots and some of the most controversial components of these requirements, including their constitutionality, cost and effectiveness. Featuring revealing case studies as well as analysis of key data, this volume makes a persuasive and much-needed case for bilingual ballots, presenting a thorough investigation of this significant and understudied area of election law and American political life.

CLEP Official Study Guide 2010

The only CLEP guide written by the test maker—complete and up to date for all exams Every year, students save countless hours and dollars through the College-Level Examination Program® (CLEP®). CLEP examinations allow students to demonstrate college-level knowledge, for which they can earn credit at more than 2,900 colleges and universities. The CLEP Official Study Guide 2010, developed by the test maker, is the only source of practice exams for all 34 CLEP exams. It includes practice questions for all exams, exam descriptions, and test-taking tips and strategies.

Reports and Documents

Legislative History of the Voting Rights Act of 1965

The CLEP Official Study Guide, 17th Edition, is the only complete source of information about the CLEP exams. You get: Descriptions of the exams to help students decide which exams to take Sample questions and answers for all 35 exams Valuable test-taking tips and information on obtaining credit through CLEP With more than 6 million CLEP® exams taken since 1967, the College-Level Examination Program® is a credit-by-examination program that has proven to be effective for students, advisors, and faculty. Students can demonstrate their comprehensive subject knowledge, gain credit, and move on to more advanced topics. Advisors can help students plan their undergraduate years by helping them shorten the time needed to complete their degree. Faculty can use their undergraduate introductory courses more effectively. There are exams in 35 introductory college-level subjects and are administered on computers at 1,300 college testing centers. Approximately 2,900 colleges and universities grant credit for CLEP exams.

American Government in Action

Some issues include brief book reviews.

Report

The ETS Test Collection Catalog:

Achievement tests and measurement devices

How one man changed a nation. Abraham Lincoln is arguably our most revered president, and the object of much fascination. Many biographies have been written about him, but this is the first book to tackle his legacy?how Lincoln?s policies, not just his conduct during the Civil War, impacted the nation, and what changes to government and politics he is remembered for. Includes a concise biography and information on social and cultural legacies, various Lincoln organizations, further reading, online resources, and more. -The Lincoln Bicentennial is in 2009, but the Bicentennial Commission has many events planned between now and then -Harold Holtzer, a leading Lincoln scholar and author of Lincoln at Cooper Union, is doing both the foreword and the technical edit -The Lincoln Presidential Library is now open in Springfield, Illinois, and the adjoining Lincoln Museum is scheduled to open in 2006

Serial set (no.12001-12799)

CLEP

CLEP Official Study Guide

Describes the struggle for civil rights for African-Americans in the 1950s and 1960s and profiles important civil rights leaders. Includes suggested

activities.
