In the past, restoration guides have provided authenticity information, such as accurate paint codes, badges, wheels, and other equipment. A bona fide hands-on how-to book for restoring your Mustang from the ground up has not been offered for years. This unique guide will cover the restoration process for every major component group and also provide detailed step-by-step restoration information for the most important procedures. With clear, insightful color photography to accompany this how-to information, any at-home restorer can confidently restore a car and save a substantial amount of money in the process. While restomod books have shown how to install latest technology on vintage muscle cars, this book will focus on factory-accurate restorations, and some simple bolt-on upgrades that do not detract from the collector value but rather enhance the reliability and performance of the car. How to Restore Your Mustang 1964-1/2-1973 delivers a detailed explanation for finding the right model, how to assess condition, how to spot a fake, and how to select the right car within your budget. In addition, the book will cover how to plan, prepare, and select the right tools. This unique guide will cover the restoration process for every major component group and also provide detailed step-by-step restoration information for the most important procedures. The

Auto Repair For Dummies

In *The GR Factor: Unleashing the Undeniable Power of the Golden Rule*, Jack R. Nerad offers straightforward, real-world advice that will transform your business life. Whether you are a seasoned veteran of the "business wars" or are about to embark on a career in the world of commerce, Nerad draws on his decades of success to outline the single best way to achieve success. The ideas behind the technique have existed for thousands of years, but in this book, Nerad makes it very clear how to apply that knowledge and those techniques to the many difficult challenges entrepreneurs, managers, and individual workers face each and every day. The lessons and analysis are rooted in Nerad's real-life successes as a lifelong leader of cohesive, productive teams that deliver the highest levels of customer service. An executive with exemplary credentials in the media and automotive industries, the author has faced the challenges most leaders encounter. But his unconventional response to those challenges proved the special power of the simple set of principles that he outlines in *The GR Factor*. The book is filled with real-world experiences - some triumphant, some tragic - that deliver lessons regarding the most critical aspect of any life in business: how you navigate the complex world of customers, bosses, co-workers, employees, vendors and clients to bring success to the organization and to your personal life.

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair

information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
