history, from award-winning author Jewell Parker Rhodes. An instant New York Times bestsellerAn instant IndieBound bestsellerThe #1 Kids' Indie Next PickA Walter Award winner Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

### **All the Light We Cannot See**

Cassie Forrester isn't surprised to learn that the day she's decided to get her life together is also the day the world ends. After all, she's been on a self-imposed losing streak since her survivalist parents died: she's stopped painting, broken off her engagement to Adrian and dated a real jerk. Rectifying her mistakes has to wait, however, because Cassie and her friends have just enough time to escape Brooklyn for her

parents' cabin before Bornavirus LX turns them into zombies, too. This is difficult enough, but Cassie's tag along ex-boyfriend and her friend's bratty sister have a knack for making everything, even the apocalypse, more unpleasant. When the two attract a threat as deadly as the undead to their safe haven, Cassie's forced to see how far she'll go to protect those she loves. And it's a lot farther than she'd anticipated. This, coupled with Adrian's distant voice on Safe Zone Radio and, of course, the living dead, threaten to put Cassie right back into the funk she just dragged herself out of. Survival's great and all, especially when you have leather armor, good friends and home-brewed beer, but there's something Cassie must do besides survive: tell Adrian she still loves him. And to do that, Cassie has to find faith that she's stronger than she thinks, she's still a crack shot and true love never dies.

### **Until the End of the World**

From the world-renowned physicist and best-selling author of *The Elegant Universe* comes this captivating exploration of deep time and humanity's search for purpose. *Until the End of Time* is Brian Greene's breathtaking new exploration of the cosmos and our quest to understand it. Greene takes us on a journey across time, from our most refined understanding of the universe's beginning, to the closest science can take us to the very end. He explores how life and mind emerged from the initial chaos, and how our minds, in coming to understand their own impermanence, seek in different ways to give

meaning to experience: in narrative, myth, religion, creative expression, science, the quest for truth, and our longing for the eternal. Through a series of nested stories that explain distinct but interwoven layers of reality--from quantum mechanics to consciousness to black holes--Greene provides us with a clearer sense of how we came to be, a finer picture of where we are now, and a firmer understanding of where we are headed. With this grand tour of the universe, beginning to end, Brian Greene allows us all to grasp and appreciate our fleeting but utterly exquisite moment in the cosmos.

#1 NEW YORK TIMES BESTSELLER • The history of the Targaryens comes to life in this masterly work, the inspiration for HBO's upcoming Game of Thrones prequel series House of the Dragon "The thrill of Fire & Blood is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope table flipped."—Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Fire & Blood begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it

like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty all-new black-and-white illustrations by artist Doug Wheatley. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* "A masterpiece of popular historical fiction." —*The Sunday Times* "The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should 'bend the knee,' 'take the black' and join the Night's Watch, or simply meet an inventive and horrible end."—*The Guardian*

### **Until the End of Time**

One of the BBC's '100 Novels That Shaped Our World' A worldwide bestseller and the first part of Achebe's African Trilogy, *Things Fall Apart* is the compelling story of one man's battle to protect his community against the forces of change Okonkwo is the greatest wrestler and warrior alive, and his fame spreads throughout West Africa like a bush-fire in the harmattan. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. First published in 1958, Chinua Achebe's stark, coolly ironic novel reshaped both African and world literature, and has sold over ten million copies in forty-five languages. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*. 'His courage and generosity are made manifest in the work' Toni Morrison 'The writer in whose company the prison walls fell down' Nelson Mandela 'A great book, that bespeaks a great, brave, kind, human spirit' John Updike With an Introduction by Biyi Bandele

## **Tuesdays with Morrie**

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

### **Z for Zachariah**

WINNER OF THE PULITZER PRIZE From the highly acclaimed, multiple award-winning Anthony Doerr, the beautiful, stunningly ambitious instant New York Times bestseller about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History, where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great-uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving

### **Revelations**

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives. Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

There are moments in baseball that sparkle with magic. And moments that break our hearts. And then there was the moment in 1946 when one minor league baseball team's hope for magical moments came crashing to a fiery end. That season began like seasons begin, except this time even more sweetly. It was the first season right after World War II, with men returning from foxholes to dugouts, back to a game that had been put on hold, back to their dreams of the Big Leagues. Some of those men found their way to Spokane, Washington to play for the minor league club there. They were special men. They knew how to be a team and they knew how to win, especially in the waning moments of the ninth, when all that seemed lost could be won if they just imagined it. They knew how to play ball as it was meant to be played. What they did not know was how to die too young. That, they had to learn. What if the earth knew that something was about to happen and tried to prepare for it by calling to it a soul for help? A soul with a joyful heart, whose story paralleled the story of these men who knew, as they did, what it meant to be in a war, to watch a friend die, to strive in every moment even as the moments waned, to believe in a destiny, to feel its arrival who knew, as they would, how to die too young, by fire, as destiny arrived.

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, *Night* is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.
