Mrs Frisby and the Rats of NIMH

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

Looking for Alaska

George Orwell's triumphant first novel. Informed by his experiences as a police officer in Burma, the novel paints a vivid portrait of the waning days of British imperial rule, and the racism and corruption that ran rampant. It centres on John Flory, a European businessman in colonial Burma, disenfranchised by the bigotry he sees around him and his persistent feeling of being out of place. When he meets Elizabeth Lackersteen, a beautiful, sensitive young woman, he thinks he has

found a kindred spirit, but the picture of her in his mind may not prove to match the real person. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. The Swiss Family Robinson

The most formally experimental of all of George Orwell's novels, *A Clergyman's Daughter* charts the course of a young woman's voyage out of a small town in East Anglia and her eventual homecoming. This new edition of the novel is the first in over 30 years.

Charlotte's Web

NEW YORK TIMES bestselling author James Swanson delivers a riveting account of the chase for Abraham Lincoln's assassin. Based on rare archival material, obscure trial manuscripts, and interviews with relatives of the conspirators and the manhunters, *CHASING LINCOLN'S KILLER* is a fast-paced thriller about the pursuit and capture of John Wilkes Booth: a wild twelve-day chase through the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia.

My Side of the Mountain

Dodie Smith's classic tale adapted into a playful and stylish new picture book Dalmatians Pongo and Missis live in London with their beloved owners. When Missis finds out she's going to have puppies, they're all thrilled! But, Missis doesn't just have one puppy . . . or two . . . or three . . . she has fifteen! When the puppies go missing, Pongo and Missis know that there's only one woman who can be behind the dognapping: the notorious Cruella de Vil. They strike out across the city and—with a little help from the street dogs of London—rescue their pups and many, many more from a terrible fate.

A Modest Proposal

The fact is, both sides killed. Both shot and stabbed and speared and clubbed. Both tortured. Both raped. It is the summer of 1947. But Partition does not mean much to the Sikhs and Muslims of Mano Majra, a village on the border of India and Pakistan. Then, a local moneylender is murdered, and suspicion falls upon Juggut Singh, the village gangster who is love with a Muslim girl. When a train arrives, carrying the bodies of dead Sikhs, the village is transformed into a battlefield, and neither the magistrate nor the police are able to stem the rising tide of violence. Amidst conflicting loyalties, it is left to Juggut Singh to redeem himself and reclaim peace for his village --

The topic of the Internet is vastly underrepresented in the current literature on the intersection of technology and theology. Studies on Internet theology are certainly viewed as a topic of "special interest," relevant - it might be thought - only to eccentric academics and tech geeks. Yet, this book contends that there is no topic more pertinent to our daily walk as contemporary followers of Jesus Christ than the theological implications of the Internet. The twelve essays of this volume, though standalone pieces, also work in conjunction to investigate the themes of community and character formation in the digital realm. A host of interrelated sub-themes are represented in the book, including the application of patristic theology to contemporary Internet praxis, a demonology of the Internet, virtue ethics in cyberspace, and studies that consider the implications of Internet technology on aesthetics, personhood, and the self. Together, the chapters work toward a collaborative, constructive, cruciform theology of the Internet. The Internet is more than a supplementary component to our personal lives; rather, it is a medium of vital connection for the digital communion of the saints through the HTML of cruciform love.

Animal Farm

From the scientist duo behind True or Poo?, their original New York Times bestselling sensation--a scientifically precise, fully illustrated, utterly hilarious guide to animal flatulence. Dogs do it. Millipedes do it. Dinosaurs did it. You do it. I do it. Octopuses don't (and nor do octopi). Spiders might do it: more research is needed. Birds don't do it, but they could if they wanted to. Herrings do it to communicate with each other. In 2017 zoologist Dani Rabaiotti's teenage brother asked her a most teenaged question: Do snakes fart? Stumped, Rabaiotti turned to Twitter. The internet did not disappoint. Her innocent question spawned the hashtag #doesitfart and it spread like a noxious gas. Dozens of noted experts began weighing in on which animals do and don't fart, and if they do, how much, how often, what it's made of, what it smells like, and why. Clearly, the public demands more information on animal farts. Does it Fart? fills that void: a fully authoritative, fully illustrated guide to animal flatulence, covering the habits of 80 animals in more detail than you ever knew you needed. What do hyena farts smell especially bad? What is a fossa, and does it fart? Why do clams vomit but not fart? And what is a fart, really? Pairing hilarious illustrations with surprisingly detailed scientific explanations, Does it Fart? will allow you to shift the blame onto all kinds of unlikely animals for years to come.

Hen Hears Gossip

Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page" (*Entertainment Weekly*) of this edgy, haunting debut. Tense, gripping, and atmospheric, *I'm Thinking of Ending Things* pulls you in from the very first page...and never lets you go.

America's farms and farmers are integral to the U.S. economy and, more broadly, to the nation's social and cultural fabric. A healthy agricultural sector helps ensure a safe and reliable food supply, improves energy security, and contributes to employment and economic development, traditionally in small towns and rural areas where farming serves as a nexus for related sectors from farm machinery manufacturing to food processing. The agricultural sector also plays a role in the nation's overall economic growth by providing crucial raw inputs for the production of a wide range of goods and services, including many that generate substantial export value. If the agricultural sector is to be accurately understood and the policies that affect its functioning are to remain well informed, the statistical system's data collection programs must be periodically revisited to ensure they are keeping up with current realities. This report reviews current information and makes recommendations to the U.S. Department of Agriculture's (USDA's) National Agricultural Statistics Service (NASS) and Economic Research Service (ERS) to help identify effective methods for collecting data and reporting information about American agriculture, given increased complexity and other changes in farm business structure in recent decades.

This powerful Newbery-winning classic tells the story of the great coon dog Sounder and his family. An African American boy and his family rarely have enough to eat. Each night, the boy's father takes their dog, Sounder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Sounder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as *Old Yeller* and *Where the Red Fern Grows* will find much to love in *Sounder*, even as they read through tears at times.

"You can live on a shilling a day in Paris if you know how. But it is a complicated business." As a struggling writer in his twenties, Orwell lived as a down-and-out among the poorest members of society. In this, his early memoir, Orwell recalls with vivid clarity his time working as a penniless dishwasher in Paris, pawning clothes to buy a day's worth of bread and wine, sleeping in bug-infested bunks, trading survival skills and cigarette butts with fellow tramps, and trudging between London's workhouse spikes for a few hours' sleep and tea. With all of the sensitivity and compassion that Orwell is known and loved for, he exposed the hardships of poverty and gave readers an unprecedented look at life lived on the fringes of society. This vivid account is an enduring call to support the world's most vulnerable people and exemplifies his belief that 'The greatest of evils and the

worst of crimes is poverty.'

George Orwell (born Eric Arthur Blair), was one of the most prolific English authors of the 20th century. *Animal Farm* is one of his most celebrated works.

Where the Red Fern Grows

A Modest Proposal is a satirical essay written and published by Jonathan Swift. Swift suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies. This satirical hyperbole mocks heartless attitudes towards the poor, as well as Irish policy in general. In English writing, the phrase "a modest proposal" is now conventionally an allusion to this style of straight-faced satire. Swift goes to great lengths to support his argument, including a list of possible preparation styles for the children, and calculations showing the financial benefits of his suggestion. He uses methods of

argument throughout his essay which lampoon the then-influential William Petty and the social engineering popular among followers of Francis Bacon. These lampoons include appealing to the authority of "a very knowing American of my acquaintance in London" and "the famous Psalmanazar, a native of the island Formosa." This essay is widely held to be one of the greatest examples of sustained irony in the history of the English language. Much of its shock value derives from the fact that the first portion of the essay describes the plight of starving beggars in Ireland, so that the reader is unprepared for the surprise of Swift's solution when he states, "A young healthy child well nursed, is, at a year old, a most delicious nourishing and wholesome food, whether stewed, roasted, baked, or boiled; and I make no doubt that it will equally serve in a fricassee, or a ragout." Readers unacquainted with its reputation as a satirical work often do not immediately realize that Swift was not seriously proposing cannibalism and infanticide. The satirical element of the pamphlet is often only understood after the reader notes the allusions made by Swift to the attitudes of landlords, such as the following: "I grant this food may be somewhat dear, and therefore very proper for Landlords, who as they have already devoured most of the Parents, seem to have the best Title to the Children." Swift extends the conceit to get in a few jibes at England's mistreatment of Ireland, noting that "For this kind of commodity will not bear exportation, and flesh being of too tender a consistence, to admit a long continuance in salt, although perhaps I could name a country, which would be glad to eat up our whole nation without it."
