Color edition. Originally written for a younger audience, this wonderful retelling of the Old English heroic epic poem Beowulf by master storyteller H.E. Marshall is one of the best introductions to this fine work of classic European mythology. It is without question one of the most important works of Anglo-Saxon literature. Set in Scandinavia, this epic tells the story of Beowulf, a hero of the Geats in Scandinavia, who comes to help Hroogar, the king of the Danes, whose mead hall is under attack by a monster known as Grendel. Beowulf slays Grendel, but the monster's mother then also attacks the mead hall in revenge. After another great battle, Beowulf defeats the second monster, and returns home in great glory and becomes king of the Geats. Later in his reign, Beowulf is called upon to battle a dragon. Although he defeats the beast, he is fatally wounded in the struggle, and dies. His people bury the great king in a burial mound in Geatland, and his name passes into legend. H.E. Marshall's clear and concise style make her works easy reading not just for young people, but for all ages, and her books have stood the test of time to become great classics. Her version of Beowulf is no exception.

The Translations of Beowulf

New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the literary classic Beowulf, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. From the perspective of those who live in Herot Hall, the suburb is a paradise. Picket fences divide buildings—high and gabled—and the community is entirely self-sustaining. Each house has its own fireplace, each fireplace is fitted with a container of lighter fluid, and outside—in lawns and on playgrounds—wildflowers seed themselves in neat rows. But for those who live surreptitiously along Herot Hall's periphery, the subdivision is a fortress guarded by an intense network of gates, surveillance cameras, and motion-activated lights. For Willa, the wife of Roger Herot (heir of Herot Hall), life moves at a charmingly slow pace. She flits between mommy groups, playdates, cocktail hour, and dinner parties, always with her son, Dylan, in tow. Meanwhile, in a cave in the mountains just beyond the limits of Herot Hall lives Gren, short for Grendel, as well as his mother, Dana, a former soldier who gave birth as if by chance. Dana didn't want

Gren, didn't plan Gren, and doesn't know how she got Gren, but when she returned from war, there he was. When Gren, unaware of the borders erected to keep him at bay, ventures into Herot Hall and runs off with Dylan, Dana's and Willa's worlds collide.

Beowulf

Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

The Canterbury Tales

'The Canterbury Tales', compiled in the late fourteenth century, is an incisive portrait, infused with Chaucer's wry wit and vibrant, poetical language. He evokes a spectrum of colourful characters, from the bawdy Wife of Bath to the gallant Knight, the fastidious Prioress and the burly, drunken Miller. As they wend their way from Southwark to Canterbury, tales are told to pass the time, and the stories

are as diverse as the narrators, encompassing themes such as adultery, revenge, courtly love, lechery, avarice and penitence. As humorous today as when it was written over six centuries ago, 'The Canterbury Tales' remains one of the most popular and enjoyable of the classic works of literature.

Sir Launfal

Inferno is the first part of Dante Alighieri's 14th-century epic poem Divine Comedy. It is followed by Purgatory and Paradise. The Inferno tells the journey of Dante through Hell, guided by the ancient Roman poet Virgil. In the poem, Hell is depicted as nine concentric circles of suffering located within the Earth; it is the "realm of those who have rejected spiritual values by yielding to bestial appetites or violence, or by perverting their human intellect to fraud or malice against their fellowmen." As an allegory, the Divine Comedy represents the journey of the soul toward God, with the Inferno describing the recognition and rejection of sin. The poem begins on the night of Maundy Thursday on March 24 (or April 7) 1300 A.D., shortly before dawn of Good Friday. The narrator, Dante himself, is thirty-five years old, and thus "midway in the journey of our life" (Nel mezzo del cammin di nostra vita) - half of the Biblical lifespan of seventy (Psalm 89:10, Vulgate; Psalm 90:10, KJV). The poet finds himself lost in a dark wood (selva oscura), astray from the "straight way" (diritta via, also translatable as "right way") of salvation. He sets out to climb directly up a small mountain, but his way is blocked by three beasts he cannot evade: a lonza (usually rendered as "leopard" or "leopon"), a leone (lion), and a lupa (she-wolf). The three beasts, taken from the Jeremiah 5:6, are thought to symbolize the three kinds of sin that bring the unrepentant soul into one of the three major divisions of Hell. According to John Ciardi, these are incontinence (the she-wolf); violence and bestiality (the lion); and fraud and malice (the leopard); Dorothy L. Sayers assigns the leopard to incontinence and the she-wolf to fraud/malice. It is now dawn of Good Friday, April 8, with the sun rising in Aries. The beasts drive him back despairing into the darkness of error, a "lower place" (basso loco) where the sun is silent (l sol tace). However, Dante is rescued by a figure who announces that he was born sub Iulio (i.e. in the time of Julius Caesar) and lived under Augustus: it is the shade of the Roman poet Virgil, author of the Aeneid, a Latin epic.

Sir Gawain and the Green Knight (A New Verse Translation)

Composed towards the end of the first millennium, the Anglo-Saxon poem Beowulf is one of the great Northern epics and a classic of European literature. In his new translation, Seamus Heaney has produced a work which is both true, line by line, to

the original poem, and an expression, in its language and music, of something fundamental to his own creative gift. The poem is about encountering the monstrous, defeating it, and then having to live on, physically and psychically exposed, in that exhausted aftermath. It is not hard to draw parallels between this story and the history of the twentieth century, nor can Heaney's Beowulf fail to be read partly in the light of his Northern Irish upbringing. But it also transcends such considerations, telling us psychological and spiritual truths that are permanent and liberating.

The Seafarer is one of a group of Anglo-Saxon poems found in the Exeter Book, Codex Exoniensis, donated to the library of Exeter cathedral by Leofric, the first

Bishop of Exeter. Compiled around 970, it is the largest surviving collection of Old English literature. The poem tells the story of life's apparent futility through the words of a lone mariner. There have been many interpretations of the poem since the mid-nineteenth century, but Amy Riach's strong and expressive new translation is unique in that it empowers the voice of the title character. Riach's translation is accompanied by Jila Peacock's magisterial monoprints—which she made for a multimedia piano trio based on the poem—to create a formidable publication that celebrates the happy marriage of text and image.
