### The Marchant of Venise

### Reference and Existence

When a certain Mark Anthony of the famous Italian family of the Roveres arrived in Agen, in SW France, in the second decade of the 16th century, he brought along with him his personal physician, Master Julius Caesar, who had been under the protection of his family for some time. This latter was a majestic-looking man of some 40 years of age who was to become renowned as one of the greatest scholars of the Renaissance. Indeed, so great became his fame in all branches of learning that it was for long considered that he was the greatest scholar who had ever dwelt in France. This study provides all the important things known about the life of Julius Caesar Scaliger (1484-1558).

EVERGREEN combines carefully crafted instruction, high-interest readings, and student models with numerous sequenced practices. This two-volume EVERGREEN COMPACT provides a convenient and portable alternative for instructors who prefer smaller-trim books for their students. The Evergreen Compact instruction book contains all instruction, writing assignments, art, and readings in the regular Evergreen Ninth Edition, but the practices have been moved to the Evergreen Compact Workbook; the workbook contains all practice exercises and visual images that relate to the practices. Each book has its own Annotated Instructor's Edition that provides answers and marginal annotations, Teaching Tips, ESL Tips, and Learning Styles Tips. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

“Extraordinary for its craft and emotional effect . . . [Ethan Canin is] a writer of enormous talent and charm.” –The Washington Post “Character is destiny,” wrote Heraclitus—and in this collection of four unforgettable stories, we meet people struggling to understand themselves and the unexpected turns their lives have taken. In “Accountant,” a quintessential company man becomes obsessed with the phenomenal success of a reckless childhood friend. “Batorsag and Szerelem” tells the story of a boy’s fascination with the mysterious life and invented language of his brother, a math prodigy. In “City of Broken Hearts,” a divorced father tries to fathom the patterns of modern relationships. And in “The Palace Thief,” a history teacher at an exclusive boarding school reflects on the vicissitudes of a lifetime connection with a student scoundrel. A remarkable achievement by one of America’s finest writers, this brilliant volume reveals the moments of insight that illuminate everyday lives. “Captivating . . . a heartening tribute to the form . . . an exquisite performance.” –The Boston Sunday Globe “A model of wit, wisdom, and empathy. Chekhov would have appreciated its frank renderings and quirky ironies.” –Chicago Tribune

### **The Encyclopedia Britannica**

Applied ethics, a subdiscipline of philosophy, lends itself to an encyclopedia format because of the many industries and intellectual fields that it encompasses. The Encyclopedia of Applied Ethics is based on twelve major categories, such as Biomedical Ethics and Environmental Ethics. Religious traditions that embody normative beliefs, as well as classical theories of ethics, are explored in a non-judgmental manner. Each of the twelve categories is divided into discrete areas that are covered by 5,000-6,000 word articles. Each of the 281 articles begins with a definition of the subject and includes a table of contents, glossary of key terms, and bibliography. Second- and third- level headings, boxes, sidebars, and the like emphasize the reference-oriented nature of the material. The four volumes are arranged in an A-Z format, with a complete subject index at the end of the last volume. Articles are written by international experts, arranged alphabetically by title, not by subject, and cross-referenced so the reader can locate relevant information in other articles.

A 2008 Newbery Honor Book In this Newbery Honor-winning novel, Gary D. Schmidt offers an unforgettable antihero. The Wednesday Wars is a wonderfully witty and compelling story about a teenage boy’s mishaps and adventures over the course of the 1967–68 school year in Long Island, New York. Meet Holling Hoodhood, a seventh-grader at Camillo Junior High, who must spend Wednesday afternoons with his teacher, Mrs. Baker, while the rest of the class has religious instruction. Mrs. Baker doesn’t like Holling—he’s sure of it. Why else would she make him read the plays of William Shakespeare outside class? But everyone has bigger things to worry about, like Vietnam. His father wants Holling and his sister to be on their best behavior: the success of his business depends on it. But how can Holling stay out of trouble when he has so much to contend with? A bully demanding cream puffs; angry rats; and a baseball hero signing autographs the very same night Holling has to appear in a play in yellow tights! As fate sneaks up on him again and again, Holling finds Motivation—the Big M—in the most unexpected places and musters up the courage to embrace his destiny, in spite of himself.
