Practice makes permanent: 350+ questions for AQA GCSE Chemistry

A revision guide for the AQA English specification aimed at the more advanced student looking to boost his/her grade to A*. As well as the normal revision material, it explores advanced skills and techniques

necessary to reach the very top.

Revise for Religious Studies GCSE for AQA Specification A

Practise and prepare for AQA GCSE Chemistry with hundreds of topic-based questions and one complete set of exam practice papers designed to strengthen knowledge and prepare students for the exams. This extensive practice book raises students' performance by providing 'shed loads of practice', following the 'SLOP' learning approach that's recommended by teachers. - Consolidate knowledge and understanding with practice questions for every topic and type of question, including multiple-choice, multi-step calculations and extended response questions. - Develop the mathematical, literacy and practical skills required for the exams; each question indicates in the margin which skills are being tested. - Confidently approach the exam having completed one set of exam-style practice papers that replicate the types, wording and structure of the questions students will face. - Identify topics and skills for revision, using the page references in the margin to refer back to the specification and accompanying Hodder Education Student Books for remediation. - Easily check answers with fully worked solutions and mark schemes provided in the book.

improve your performance in the exam. * Focussed revision in tricky areas of the exam * Targeted practice in specific areas where more support may be needed * Ideal to use at home

Gcse Biology Stugy Guide

Written to meet the requirements of geography GCSE AQA/A, this second edition of the course book includes exam practice questions and answers, practical help with revising skills and data analysis and guidance on how to approach the skills paper, with practice questions and answers.

AQA GCSE Maths Grade 5-7 Workbook

This book supports students preparing for the AQA GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.

Aqa Gcse English Lit

Written by examiners and practising teachers, each book in this series contains activities and useful features intended to aid understanding. Knowledge is tested throughout, with progress checks at the end of every chapter and practice questions at the end of each section.
