A full set of practice papers written to match the new specification exactly.

### **AQA A Level Physical Education Student Guide 1: Factors affecting participation in physical activity and sport**

#### **How to Revise for 11+**

This textbook has been written specifically to meet the needs of AS students following the AQA specification. It is comprehensive, easily accessible and exam focused. The theoretical part of the course (Unit 1) is divided into three components and these are covered in detail. Each chapter has the following special features: - learning objectives - definitions of key terms - tips for exam success - activities relating theory to practice - 'Practice makes perfect' -- exam-style questions with answers to check progress - extension material Unit 2 examines practical application. Guidance on the planning and structure of this aspect of the course is provided at the end of the book. The authors have been especially careful throughout to emphasise the link between theoretical concept and practical performance -- an essential feature of exam success in PE -- by including numerous sporting examples. An accompanying online resource offers advice on exam technique and presents a mock exam paper with graded answers.

#### **My Revision Notes: AQA GCSE (9-1) PE 2nd Edition**

- Build and review your knowledge and understanding through discussion point questions, review questions and learning review points. - Understand the key issues and concepts you need to know using clear, detailed explanations and definitions of key terms supported by real-life case studies that bring topics to life. - Learn and practise the research, analytical, interpretative and evaluative skills required for GCSE Citizenship Studies with a variety of engaging activities. - Extend your learning and research topics further with links to relevant websites. - Feel confident preparing for your exams with assessment guidance, useful advice on writing exam answers and practice questions on every topic.

### **AQA A-level PE**
