ASVAB Study Guide

Only the best prepared are chosen to start the highly competitive multimillion-dollar training programs that transform aspiring candidates into U.S. military aviators. This fully updated edition of Barron's Military Flight Aptitude Tests provides would-be aviators in all five U.S. armed services with the competitive edge they will need to score their best and maximize their chances of being selected! This book is an effective, full-spectrum resource for officer candidates, ROTC cadets from all services, and current military members. Six full-length practice tests (two per service) with answers and explanations for every question get readers ready for the Air Force Officer Qualifying Test (AFOQT), the Selection Instrument for Flight Training (SIFT), and the Navy/Marine Corps/Coast Guard Aviation Selection Test Battery (ASTB-E). Test overviews and detailed review sections give potential pilots the boost they need to rise to the top of the selection list, and most of the review subjects apply to all three tests. Successful aviation applicants strongly recommend working through every valuable review section, and the other services' tests are great for extra practice to reinforce your learning. Written by a veteran, joint qualified military officer and instructor, this book's review sections cover language skills, reading comprehension, math knowledge, arithmetic reasoning, mechanical comprehension, aviation and nautical technical information, science, and specific mental skills such

recruiters. Your AFQT score is determined by your scores on the Verbal Expression, Mathematics Knowledge, and Arithmetic Reasoning sections of the test. Each branch of the military has their own criteria for potential candidates, with different minimum standard for high school graduates and GED holders. These minimum standards are rising with enlistment levels, so you need to prove that you're up to par. *ASVAB AFQT For Dummies, 2nd Edition* is your complete study guide to the AFQT. Retired Air Force Sergeant Rod Powers is a recognized authority in U.S. Military matters, and the ultimate AFQT tutor. Powers guides you through the critical information you need for the test, and gives you the confidence you need to do your best under pressure. Get acquainted with the basics of the AFQT, and learn the art of test taking Expand your vocabulary and enhance your reading comprehension skills Refresh your math skills, and make peace with word problems *ASVAB AFQT For Dummies, 2nd Edition* includes four separate practice exams with answers, so you'll know exactly what to expect on test day. Being in the military is all about showing what you're made of. The ASVAB is your first opportunity to do that, and *ASVAB AFQT For Dummies, 2nd Edition* will teach you how to dig deep and be the recruit the military wants.
