Night Blind

This is a 15,000 word short novelette of an adult nature. A Hamilton Family Saga, Part 3 of Grant and Amanda's Trilogy. The intended audience is over 18 years old only. Voluptuous Amanda Cardwell stepped into the shoes of her best friend as a replacement mail order bride and found herself falling head over heels for sexy Tycoon Grant Hamilton. That was until she lost her memories and woke up whisked away from all that was familiar. Introduced to a heady world of sex and domination can things between her and Grant ever be the same again? Whatever the answer, one thing remains true, Billionaire Grant Hamilton is on his way to rescue his mail-order-bride and he intends to take no prisoners.

Embrace the Night

A gripping memoir from Amanda Knox's Italian ex-boyfriend, Raffaele Sollecito, chronicling his relationship with Amanda and the four years they spent in an Italian prison for a crime they did not commit.

Bound By Blood

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world, and Switched is the book that started the phenomenon. Prepare to be enchanted When Wendy Everly was six years old, her mother was convinced she was a monster and tried to kill her. Eleven years later, Wendy discovers her mother might have been right. She's not the person she's always believed herself to be, and her whole life begins to unravel—all because of Finn Holmes. Finn is a mysterious guy who always seems to be watching her. Every encounter leaves her deeply shaken though it has more to do with her fierce attraction to him than she'd ever admit. But it isn't long before he reveals the truth: Wendy is a changeling who was switched at birth—and he's come to take her home. Now Wendy's about to journey to a magical world she never knew existed, one that's both beautiful and frightening. And where she must leave her old life behind to discover who she's meant to become As a special gift to readers, this book contains a new, never-before-published bonus story, "The Vittra Attacks," set

in the magical world of the Trylle.

Taming the Beast

Bound by Night

Young Adult. In an age of heroes, Branda, a Saxon princess helps Blaise, a Prince of Powys, escape her father's stronghold. In turn, he vows to escort the princess to her sister in Scotland so she can escape an arranged marriage. Instead, he holds her captive as his hostage in the unbreachable hill fort of Dinas Bran, where she captures his heart. Will Blaise be forced to throw away his honor for love or to tear out his heart for honor?

Bound

Pregnant vampire Mara finds herself torn between two men who would provide different lives for her child--Kyle Bowden, the mortal man she loves, and Logan Blackwood, the millionaire vampire she created centuries earlier.

Irene Iddesleigh

It is said that the winner writes the history, but it's also true that the loser is free to use fiction to present the case for the defeated. John William Corrington, a noted Southern writer, published *And Wait for the Night*, his first novel, in 1964, near the one hundredth anniversary of the end of the American Civil War. As the novel begins, he describes the fall of Vicksburg, Mississippi to show the agony of the defeat of the Army of the Confederate States by the overwhelming might of the Federal Army. But *And Wait for the Night* is not primarily about the war. It is about Reconstruction, the twelve-year occupation of the Confederate States that followed their defeat. Corrington's dramatic example of this is the occupation of Shreveport, Louisiana, by the arrogant uniformed Yankee conquerors, both white and black, and their plundering civilian companions, the carpetbaggers. During the Civil War, one out of every five Southern families lost a husband, father or son. Under Reconstruction, the surviving Southerners found their Confederate money worthless, their land taken for unpaid taxes, and their civil government replaced by military fiat. And there was one further loss: the communal agreement that a Southerner should live his life with honor. Without any hope of redress by day, the survivors forgot their honor and responded by forming secret societies that waited for the night to take vengeance against their oppressors. Major Edward Malcolm Sentell, a paroled CSA officer, tires to maintain his honor but finds himself despised by his fellow Southerners and helpless to stop the looming conflict between them and the occupying Federal forces.

The Night Operator

In *The Still Of The Night* The city is in a panic. In the still of the night, a vicious killer is leaving a trail of mutilated bodies drained of blood. A chilling M.O. that puts ex-vampire hunter Regan Delaney on the case, her gun clip packed with silver

bullets, her instincts edgy. But the victims are both human and Undead, and the clues are as confusing as the vampire who may be her best ally--she hopes. . . Master of the City, Joaquin Santiago radiates supernatural power like heat from a blast furnace, but he's never met a creature like Regan Delaney. She intrigues him, fires his hunger, and unleashes his desire, but before he can enter her world, or she his, they must confront a vicious, elusive killer who is an enemy even to his own. . . Honor Bound

Dana Sorensen spends her working life chasing 1's and 0's through complex systems and networks to protect her clients and their most valuable data. Just as she's approaching a crossroads in her career, an unwelcome assignment threatens to lead her down a winding path of deceit that goes well beyond the confines of the client's network. An unexpected reunion with an old lover and a suspicion of murder raise the stakes as Dana uses her head-and the help of unlikely allies-to unravel her client's darkest secrets before it's too late. In a tale that begins with a man and his mouse, Dana must navigate the perils of malware, rogue servers, and human passions to find the truth before the truth finds her. The Case of Mr. Porter and His Mouse is the first novel in the Dana Sorensen series.

Zompoc Survivor

Nobody likes a smart aleck! Beryl and Nigel get together again six years after their college graduation and resume their word-slinging ways. One is a country pastor and the other is president of a small Christian college. Beryl is suffering the boredom of not having enough to do in his small village church. Nigel is challenged by colorful faculty members with questionable doctrinal positions, a micromanaging board, and a property developer who wants to buy the campus out from under the school. Beryl is persuaded to take classes in Nigel's seminary as a way to isolate some of the problems. They also enlist Beryl's father Daryl, a wealthy real estate developer and businessman, to track down some of the irregularities in the management of the school. Beryl's life is complicated by the need to manage both his class work and his pastorate. After being smitten by Nigel's blonde secretary, the resulting tumultuous relationship distracts everyone. Even after Daryl, Nigel and Beryl remove the board chairman, the tension rapidly builds to a series of events which threaten the lives of the three main characters.

In Wild Rose Time

Jenny Carruthers is a typical housewife enjoying a nice glass of red and some quality time alone. When the doorbell rings unexpectedly and interrupts her, the last person she expects to see on her doorstep is her sister's boyfriend Mike. Even more unexpected is what he holds in his hands. She doesn't know it then, but her life is about to be turned upside down. She will come to discover that Mike has no scruples or morals and will do anything to get what he wants, and what he wants is Jenny. Warning: This book contains graphic language, and erotic situations, it is very much a story for adults (18+). All characters are aged over 18.

The Book of the Thousand Nights and a Night

Unique among vampires, Isys's legendary powers are both coveted and feared by others of her kind. Tired of leading a sheltered life, she strikes out on her own against the warnings of her protectors. She longs for nothing more than her own quiet country home and her husband by her side instead of continuously being sent away on work for the Vampire Council.

Ace of Shades

AUTHOR'S NOTE: This book was originally published by Cerridwen Press in 2012. The current edition contains minor changes. Garath Melbourne, sixth Marquess of Blackbourne, survived Waterloo only to discover that the life awaiting him back in England was anything but peaceful. In addition to dealing with properties left in disarray by his late father, he feels honor bound to locate the child of his friend who died at Waterloo. Garath is the boy's guardian, and he's determined to protect the young earl from the influences of his merchant-class mother. Amanda may have been born into the merchant class, but her father had ensured that her education was as genteel as that of any noblewoman in the kingdom. Now a widow, Amanda is determined to protect her young son from the excesses of his father's world. To her horror, she discovers her late husband has appointed a guardian for her son-the disreputable Marquess of Blackbourne who is obviously a danger to her plans and to her resolution to avoid entanglement with another nobleman.

Duty Bound

Dave Stewart has survived the inferno of Kansas City and come out the other side. To the rest of the world his fate is uncertain, and by now even Agent Keyes knows better than to assume he's dead. As Keyes and his rogue DHS agents continue their search for him, Dave knows that Plan A, as usual, won't work. His only chance is to keep moving until he can find a safe way to make contact with Nate Reid and figure out his next move. As Dave's odyssey across a zombie infested America continues, he encounters the best and the worst in his fellow survivors. He will find

new allies, learn more about the true nature of the Asura virus, and his role in even bigger designs than he ever imagined. But, in a land filled with enemies both living and dead, is all the skill, wit and courage in the world enough to help him survive? Or will this be Dave Stewart's last journey?

Fair Game

Being undead doesn't make life any easier for Alice Bonham. Her younger brother's love life is heating up, while hers is more complicated. Mae is falling apart, her best friend Jane is addicted to vampire bites, and if Alice doesn't get her bloodlust under control, someone will end up dead. Alice volunteers for a rescue mission with Ezra. But going up against a pack of rabid vampires might be too much, even for him.

Dead Sexy

This book attempts to put a human face on the horror's of war. It tells about something no documentary has ever really talked about: The survival of the women and their children in a destroyed country, with most able-bodied men gone. What happened when the Americans left and the Russians marched in and spread their reign of terror? This is the story of one woman, my mother, who was determined to save us from starvation and, ultimately, brought my sister and me to freedom. She is one of the millions of unsung heroes who never received a medal for bravery

My Elusive Countess

At once intimate and epic, *The Orchardist* is historical fiction at its best, in the grand literary tradition of William Faulkner, Marilynne Robinson, Michael Ondaatje, Annie Proulx, and Toni Morrison. In her stunningly original and haunting debut novel, Amanda Coplin evokes a powerful sense of place, mixing tenderness and violence as she spins an engrossing tale of a solitary orchardist who provides shelter to two runaway teenage girls in the untamed American West, and the dramatic consequences of his actions.

The Bagford ballads (The Amanda group of Bagford poems) ed. by J.W. Ebsworth

Parker is a wolf, a human-wolf hybrid to be precise. She is a young female alpha of the great Onyx pack, a pack that currently rules over all of the other surrounding packs. Parker is just fine living out her days normally with her two best human friends Harley and Ariel. They had become her pack. They were all she really wanted as a pack until her father goes behind her back and invites some new wolves into their school When Gage, Rowan, Brock, Dillon, and London walk into her life, she had no idea how fast things would change. Secrets and hidden pasts come out. Much needed goodbyes are said. She falls for the unexpected and just as they are about to announce their relationship and take it to the next level things quickly go downhill. Lies take hold as one young alpha male decides to take things into his own hands when he doesn't get his way. Everything quickly spins even farther out of control. Parker's true love and mate are suddenly miles away, taken to the Island, lost forever unless she can break free and rescue him. It takes her on a long journey, one where she meets some unexpected friends and Hunters who turn out to be completely different than what she had been taught as a young pup. With help from friends and family she will fight hard to break into the Island to free her love, but it's only the beginning of her fight to stay alive. When tragedy strikes, will Parker even want to continue on? Will someone pick her back up, or will she give up completely? Only she can decide. Excerpt: "That's usually the way love goes, Parker. One day you hate them and the next you can't figure out a single reason why you stayed away for so long in the first place." - Derek
