The Golden Bough: Balder the beautiful. The fire-festivals of Europe and the doctrine of the external soul

Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

Spirit of Love

As the beautiful chosen Goddess named Yumi is born she gets the Fang Necklace placed around her by her Great Grandfather of whom used to belong to Organization XXI and placed his ring upon this newborn warrior, as she does not know the secret that her Great Grandfather is holding out of her about the truth behind that necklace and the real meaning of it soon by no later than her fifth

birthday raised by the deadliest forces of martial arts ever known in what is known as the Forbidden Palace, standing deep in the grounds of Doujiin's Dojo in the furthest east of Ancient Japan she soon becomes uncharted, left stranded alone to get through the test of the impassible judgment tests of darkness. The unknown location only she has survived as the only human that is far away from civilization, for she is the final hope and is known as the rebirthed Japanese Fox Tailed Goddess of War always carrying her Twin Phoenix Katanas. Sleeping every night she still hears the Song of a hundred thousand rose pedals wanting more each day to learn it, in order to take down the most grand of all dark forces in order to carry forth her most prestigious honor for her family and home. On the quest to finally destroy Diisuke once and for all she must while enduring much pain and destruction push through destroying everything the King of the Dark Chinese Gods throws at her reaching him in time before it is too late as the universe would fall into oblivion. Soon enough by the point she will have reached her eighteenth birthday the biggest secret in the world is revealed that while she is immortal there is a price to pay as with her power she belongs to the Organization, in which there are twenty-one members and she is the final member of this deadliest group to ever be reckoned with, however what she does not know is that if this curse is to be lifted she would not only have to stop the creator behind who created the Organization in the first place but in turn she would have to die as well.

Job's Circle begins with an announcement that the author's six month old granddaughter has been diagnosed with Spinal Muscular Atrophy, which ultimately claimed her life shortly after her first birthday. As his entire family journeyed together through the valley of the shadow of death, he decided to re-examine the experience of the Old Testament character, Job, sitting, in effect, in the circle with Job and his friends, as they try to understand the meaning of what has happened. The following series of meditations contains an examination of our most perplexing questions that arise from our darkest days. We learn how a true man of God responds to the worst times of adversity. As we observe Job's friends trying to "fix" him, we learn things not to say to people who are hurting. Then we watch as Job finally turns the emotional and spiritual corner into renewal and restoration. Thus, coming "full circle" in his experience. The book concludes with a discussion of what the author has begun to call "God centered optimism." This book would be of interest and benefit for grief recovery discussion groups. It would also enhance the discussion within any Bible class, studying the Wisdom Literature of the Old Testament, or any class that deals with issues within the area of pastoral care.

The Tabernacle, the Priesthood, and the Offerings

YEHOVAH gave us the holy Law for a purpose. That purpose is to create a righteous people who will draw close to Him. When YEHOVAH created the nation of Israel He created a Common Wealth with a Law to govern it. While on earth, Yeshua was anointed to become both King and Priest over Israel. Now, instead of the sons of Aaron and the sons of David, Yeshua presides over the Law of Israel. Initially the Law was weak in that it could not change the nature of man so man would continue to sin. Through the resurrection, Yeshua was able to correct the weakness in the Law allowing man's sinful nature to be corrected. The Church has skewed the Gospel message by doing away with the Law, but the Law is actually an integral part of the Gospel. In order to understand why Christianity abandoned the Law Church's history will be explained in the light of Bible prophecy. Many of the arguments for doing away with the Law will be dispelled and many sacred-pillars will be cast down. The Kingdom of YEHOVAH, like all kingdoms, is a Kingdom of Law. If we are going to be part of His Kingdom then we have to be a lawful people embracing His Law, not doing away with it.

This text offers a fully-developed narrative on the philosophical/historic foundations of school, contemporary policy problems in education, and issues of classroom practice. The text deals with events and people that influenced curriculum formulations, with the focus fixed on questions about what we should teach, how we should teach, and why we should teach. Diversity is emphasized throughout the text. The authors use many real-life vignettes and examples and applications.

American Education, Purpose and Promise

Can a forest that is reputed to be haunted come to life through the hard work and endeavour of one man with a plan? Tom Bay sees the potential to create a fantastic leisure project for a town that has not got much going for it, and he also comes up against a lot of obstacles. Has he got the patience, nerve, enterprise and most of all, can he finance the scheme to make a dream into reality? It is a massive task but Tom with the help of his son Edward makes a decision that changes his life forever.

Boundaries is a disturbing story about the blurred lines between love and betrayal, freedom and control, fantasy and treachery, good and evil, past and future. Diane Alders is a successful, workoholic sales executive in the medical field who has a void in her heart as a result of the tragic death of her husband seven years ago. Mickey Rollins is a genius and entrepreneur about to introduce a revolutionary new therapy that will 'repair' injured or impaired brains. Their sputtering romance hits full speed when Mickey invites Diane to accompany him on a lavish and bizarre vacation to the exotic South Seas intended to stretch their senses, fulfill wild dreams, and bring them closer together. Disaster strikes, and it is Diane who becomes Mickey's first human test subject. There's a catch...the healing process requires a surrogate, and Mickey chooses their mutual friend, lover and temptress—the beautiful Suki. The resurrection of Diane that transpires is not only a transfer of physical and cerebral attributes, but a blending of relationships, feelings, and emotions, drawing many into the fray, ending as shockingly as it begins.

When a brooch is broken, some of its magic is lost When NYPD detective JL O'Grady is invited to be her brother's plus-one at Montgomery Winery's end-of-harvest gala, she plans to enjoy a fabulous weekend in Napa drinking wine,

enjoying sunset dinners on the veranda, and watching her brother's high school basketball tournament. Instead, she's pulled into a murder investigation hauntingly similar to a New York City racketeering and drug case that nearly ended her career. The local cops insist she steer clear of their investigation, but JL's gut instincts - and fears for her brother's safety - drive her deeper into the case. With help from MacKlenna Corporation's irresistibly handsome and charming CFO, Kevin Allen, she searches for a connection between the two cases, while at the same time her connection with Kevin rockets from mild to scorching in a New York minute. When another crime hits too close to her heart, the stakes escalate and endanger not only JL, but the entire MacKlenna Clan as well. Now it's up to JL and Kevin - with a little help from David McBain, who is drowning in toddler hell - to solve the case. With time running out and danger closing in, JL and Kevin rush to discover the killer's identity before someone else is murdered, and while they're at it, they might just find what's been missing from both their lives for far too long.

Mending the Broken Land

From the author of *A Daily Dose of Proverbs* comes a collection of 59 practical studies that will enable readers to identify their life's purpose.

The Splintered Cross

Do you frequently find yourself asking, "Why?" This book will, prayerfully, prompt you to see God acting in every circumstance in your life, from the mundane to the monumental; to appreciate that the Creator does, indeed, cause "all things [to] work for good to them that love God, to them who are called according to His purpose." (Romans 8:28) Through prose and poems based on personal experiences, the author shares pieces of her journey through faith-building events. If you have trouble focusing on God and His agenda, this book will sharpen your vision and lead you to reconsider God's purpose for the events in which you may find yourself involved on a daily basis.

Christian communities can fracture. Despite their best intentions, groups within a church can split into factions, sometimes with the pastor or priest on one side of the rupture. The congregation can get stuck, outreach can suffer, and members can leave--taking their time, talents, and tithes with them. Learn how leaders in your own church can be trained to mend the fractures. Although we had no trouble exchanging donkeys for SUVs and stone tablets for ipads, we are still using last century's tools for this century's problems. Psychology has made significant advances. This book translates cutting-edge human systems research into warm words for a religious or spiritual community offering transformation for the souls in your sanctuaries. Bring fresh wisdom into your congregation. Members will become more resilient, groups will integrate differences on an unprecedented level, and you'll find creative solutions that will move your congregation forward. Your membership will gain skills that will serve all of you--not just in your sanctuaries, but in your homes and families. Herein lies a path to fulfillment. Anne Katherine's books include the best-sellers "Boundaries, Where You End and I Begin; Where to Draw the Line; When Misery is Company; Your Appetite Switch; Lick It ;" and "Anatomy of a Food Addiction," 11 books in all.

Broken for a Purpose

Mending of a Broken Heart: The Nature of Meaning and the Purpose that Gives Life Hope speaks with a distinctive and evocative voice. It brings to the world of words and the thoughts they convey the unique experiences of a man struggling to pass through the deeps of loss and to emerge with a trustworthy grasp on life's meaning and purpose. The author, James Michael Castleton, an award-winning physician, shares his journey in both prose and poetry. The blend captures the nature of life—sometimes lyrical and mystical and majestic, yet often prosaic and focused on finding a path upon which one can place each foot in turn, just to make one's way through the day. Mending of a Broken Heart does not shy away from life's sharp edges or from exploring how they strike at the roots of relationships. As Dr. Castleton notes in beginning his reflections, We are born with a broken heart, Born with a sorrow we can only later articulate, Born missing the most essential aspect of what we need to live a fulfilling life Born without a sense of meaning. Mending of a Broken Heart explains the distinctions between happiness and meaning and explores how having a valid purpose and holding to true hope contribute to giving meaning to one's life.

The Higher Life

Broken Shackles

Faith Andrews is trying to make a major life decision. Things never had been easy for her. First, she ends up in a relationship built in hell then she ends up falling for her best friend. She never did make the right decision with men. Years before, Faith had walked away hand in hand with a man she thought was her soul mate. This time, life would change completely with the blink of an eye. It isn't until Faith goes wandering around the Grand Ole Opry that she realizes what she needed all

along. Faith gets advice over and over from someone who calls herself Patsy. When Faith asks more, she realizes she's talking to the country legend, Patsy Cline. Patsy knows what to do - Never ever let go of a dream. Fight to make your dreams come true. No matter what the situation, Patsy always knows just what to say. Jamie Gilbert had been writing and singing music since his teenage years. When he finally met Faith, he fell hard. He let her go once when she left to be with Evan. There wasn't going to be a second time. He was putting a ring on her finger. Now all he needed to do was convince her. Jason had warned Jamie more than once that if he did Faith wrong, he'd be replaceable. When he saves Faith from a situation that nobody expected, he starts to fall for her. The fact that she's married means nothing. Love triumphs. Now he just has to convince Faith of that.

Consider Your Call

Jerry D Young was born at home, in Senath, Missouri July 3, 1953. At age 5 the family rented a small farm house on an active farm 40 miles southwest of St. Louis. While the family weren't farmers, they lived something of a homestead type life, raising a milk cow, sometimes two, and calves, a pig or two, chickens, and the occasional goat. Along with the stock, a large garden helped to feed Jerry's three brothers and two sisters for several years. Fishing and hunting contributed to the pantry, as did foraging the wild edibles on the property. At the age of 14, the family, minus a brother and two sisters that were now adults and on their own, moved back to Senath. Having been encouraged from an early age to read, Jerry was a regular patron of the Senath Branch Library. A love of a good story was born within him, and shortly before graduating high school, for a lack of stories that he liked at the library, he began to write short vignettes, and started taking notes for stories that he wanted to tell. Well, a full life interceded, and the writing didn't resume for several years. But while working a job with a much free time, and the then newfangled home computer, Jerry began to write in earnest. With the occasional gap in the process, Jerry continued to research and write, never believing he could ever be published. But when he turned 50, he wanted a change in his life, left the job he was doing and began focusing on his writing. When he became ill, the writing stopped, but not the inspiration. When he started writing again, in 2004, after getting the medical problems under control, he began to read some on-line stories dealing with emergency preparedness, one of his other loves. The die was cast. Now with over a hundred of the vignettes and short stories about how to survive disasters written, along with his other novels, Jerry decided to go for

broke, adding one of his previous works every few days to his list of stories now available, Jerry continues to write, both the Prep/PAW stories, as well as action adventure with a little romance type stories that first got him started.

Broken Ground

After five centuries of oppressions committed in the name of Jesus, many hearts have hardened toward the name of Christ on the part of many of those native or original to the lands we now call America and Canada. The imposition of residential schools, removal policies, and forced adoptions left many angry about white man's religion, confused about a savior who would promote such violent ripping apart of families, deceitful taking away of lands, and forced assimilation away from natural heritages. Acknowledgment has been made and apologies given. In Canada large amounts of compensation are being paid out to survivors and their communities. But what does Scripture say about culture and what can original treaties teach us about healing from our shared history? In an era when America and Canada are being called to return to God, *Mending the Broken Land* provides a meeting ground in an ecotone of cultures as diverse as nature's meadows. Drawing on the example of the governance of a first people of the northeast, the Haudenosaunee Confederacy, it witnesses a new generation in a process of healing aligning with the teachings of Christ.
