### The Heart of Addiction Workbook

A Program for Implementing a Christ-Centered Recovery Ministry in Your Church  
Alcoholism - Divorce - Sexual Abuse - Codependency - Domestic Violence - Drug Addiction - Sexual Addiction - Food Addiction - Gambling Addiction and many more!  
There is a way the church can help the hurting move beyond their wounds to experience the healing and forgiveness of Christ. Since 1991, more than 200,000 people have participated in the Celebrate Recovery programs offered at more than 3,500 churches, prisons, and rescue missions. Drawn from the Beatitudes, Celebrate Recovery helps people resolve painful problems in the context of the church as a whole. Newly updated, the kit includes:

- 1 20-minute DVD introductory guide for leaders
- 1 leader's guide
- 1 of each participant's guide (4 total)
- CD-ROM with 25 lessons
- CD-ROM with sermon transcripts and reproducible promotional materials
- 4-volume audio CD sermon series "And then there's pastor John Baker,

the founder of Celebrate Recovery Big John and I shared something in common. We used to drink too much. And our hearts changed, and then we quit. That is a tried-and-true formula. The problem is government is not good at changing hearts. But people like John Baker have been good about it and successful doing that.” —President George W. Bush on Celebrate Recovery and its founder, John Baker, at the Faith-Based and Community Initiatives Conference, March 3, 2004.

### **Taking an Honest and Spiritual Inventory**

You’ve undoubtedly heard the expression “time heals all wounds.” Unfortunately, it isn’t true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn’t dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program has helped people for over 20 years to grow toward full Christ-like maturity. Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God’s love, truth, grace and forgiveness can bring healing into your life.

### **Celebrate Recovery Booklet**

Celebrate Recovery introduces The Journey Continues—four new participant's guides designed as a revolutionary, new second step study curriculum. This step study is taken after completing The Journey Begins (Participant Guides 1-4). In the five lessons in Guide 6: Asking God to Grow My Character, you will experience Christ-centered and biblically-based studies filled with brand new acrostics, deeper questions, and more helpful Bible verses. The content in Guide 6 will focus on a deeper study of the fourth recovery principle: Openly examine and confess my faults to God, to myself, and to someone I trust. "Happy are the pure in heart" (Matthew 5:8). By working through the lessons and exercises found in each of the four participant's guides of The Journey Continues you will find a deeper sense of true peace and serenity, continue to restore and develop stronger relationships with others and with God, and find deeper freedom from life's hurts, hang-ups, and habits.

### **Celebration Place Leader Guide 4**

The Network Participant's Guide is for your personal journey through Network's Discovery sessions. It contains all the notes and assessments you will need to identify the three elements of your unique Servant Profile: Passion ('where' you're

motivated to serve), Spiritual Gifts ('what' you're equipped to do), and Personal Style ('how' you can best serve). You will also understand God's design for the church and your role within it. Network is a dynamic program to help Christians understand who God has uniquely made them to be and mobilize them to a place of meaningful service in the local church. The participants are also taught the biblical nature and purpose of the church as the body of Christ and the unique importance of each member's contribution. Network works with any size group, from small groups of 4-12 to large groups of 15 to 150 or more. Network can be presented successfully in these different formats: 1. Four sessions of two hours each . . . 3. One-, two-, or three-day retreats 2. Eight sessions of 45 minutes each . . . 4. The one that works best for your church! Over 700,000 people have gone through Network in the last nine years.

### **Stepping Out of Denial Into God's Grace Participant's Guide**

The Celebrate Recovery Participant's Guides are essential tools for the personal recovery journey. In the seven lessons in Guide 3: Getting Right with God, Yourself, and Others, you will move through principles 4-6 of the recovery process: 4 Openly examine and confess my faults to God, to myself, and to someone I trust. "Happy are the pure in heart" (Matthew 5:8). 5 Voluntarily submit to every change God wants to make in my life and humbly ask Him to remove my character defects. "Happy are those whose greatest desire is to do what God requires" (Matthew 5:6). 6 Evaluate all my relationships. Offer forgiveness to those who have hurt me and make amends for harm I've done to others, except when to do so would harm them or others. "Happy are the merciful" (Matthew 5:7). "Happy are the peacemakers" (Matthew 5:9). By working through the lessons and exercises found in each of the four Participant's Guides you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the new NIV 2011 version.

### **Stepping Out of Denial Into God's Grace**

It's been said that church is not a club for saints but a hospital for saved sinners. Today especially, with issues such as alcoholism, divorce, sexual abuse, homosexuality, domestic violence, and drug addiction as near to us as the next pew---or our own---a typical Sunday school class or Bible study alone just won't cut it when it comes to helping wounded people discover the healing and liberty Christ offers them. Celebrate Recovery fills a long-standing need in the church in its role as Christ's healing agent. Developed by Rick Warren and John Baker of the celebrated Saddleback Church, this program has already proved itself. In just six years, its remarkable, life-changing effectiveness has gained it an explosive, grass-roots popularity. Now Zondervan teams with the program's Saddleback authors to bring churches everywhere the first-ever 12-step recovery curriculum that's distinctively Christian, uncompromisingly biblical, and designed especially for churches. Everything is here: a 45-minute vision-casting video, leader's and participant's guides, audio tapes, software diskettes, and

sermon transcripts---all in a tested, groundbreaking program, painstakingly and prayerfully developed to help needy, often desperate people discover new dignity, strength, joy, and growth in the image of Christ. Celebrate Recovery does more than help people resolve painful problems---it does so in the context of the church as a whole. Rather than setting up an isolated recovery community, this program helps both participants and their churches to come together and discover new levels of care, acceptance, trust, and grace. Designed to accommodate churches large or small, this fellowship-based, 52-week curriculum truly is a celebration of Christ in the life of a church and its members.

### **Network Participant's Guide**

The Celebrate Recovery Participant's Guides are essential tools for the personal recovery journey. In the seven lessons in Guide 4: Growing in Christ While Helping Others, you will work through the final two principles on the road to recovery. More than just maintenance, these principles will help you prevent relapse and give you the necessary tools to help others in their recovery process. 8 Reserve a daily time with God for self-examination. Bible reading and prayer in order to know God and his will for my life and to gain the power to follow his will. 9 Yield myself to God to be used to bring this Good News to others, both by my example and by my words. "Happy are those who are persecuted because they do what God requires" (Matthew 5:10). By working through the lessons and exercises found in each of the four Participant's Guides you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the new NIV 2011 version.

### **Steps to Christ**

First published in 1989, Dan Allender's *The Wounded Heart* has helped hundreds of thousands of people come to terms with sexual abuse in their past. Now, more than twenty-five years later, Allender has written a brand-new book on the subject that takes into account recent discoveries about the lasting physical, emotional, relational, and spiritual ramifications of sexual abuse. With great compassion Allender offers hope for victims of rape, date rape, incest, molestation, sexting, sexual bullying, unwanted advances, pornography, and more, exposing the raw wounds that are left behind and clearing the path toward wholeness and healing. Never minimizing victims' pain or offering pat spiritual answers that don't truly address the problem, he instead calls evil evil and lights the way to renewed joy. Counselors, pastors, and friends of those who have suffered sexual harm will find in this book the deep spiritual guidance they need to effectively minister to the sexually broken around them. Victims themselves will find here a sympathetic friend to walk alongside them on the road to healing.

### **Moving Forward in God's Grace: The Journey Continues, Participant's Guide 5**

The Celebrate Recovery booklet is a 28-day devotional booklet perfect to share with someone you know who is on the road to recovery. These devotional readings provide encouragement and reinforcement that can be invaluable when the struggle with old hurts, habits, and hang-ups feels overwhelming.

### **Niv Celebrate Recovery Bible**

With a foreword by Rick Warren, author of *The Purpose Driven Life*, this revised and updated edition will help you find true happiness—if you choose to accept it. We've all been hurt by other people, we've hurt ourselves, and we've hurt others. And as a result, every single one of us ends up with some sort of hurt, hang-up, or habit. But the question we all face is, Where do we go from here? Ten years after the original edition of *Life's Healing Choices*, this newly revised edition contains updates to basic teaching principles—based on ten years' experience—as well as new and contemporary testimonies. Using the Beatitudes of Jesus as a foundation, Rick Warren and John Baker, pastors at Saddleback Church, developed the eight choices shared in this book. In addition to practical, encouraging biblical teaching, each chapter includes two real-life testimonies of men and women whose lives have been transformed by living out the eight choices in this book. Through

making each of these choices, you too will find God's pathway to wholeness, growth, spiritual maturity, happiness, and healing. You'll find real answers, real hope, and a real future—one healing choice at a time.

### **Understanding Your Bible in 15 Minutes a Day**

How's your faith? Is it strong or weak? Is it steady or stretched? It's an important question, because there's a lot riding on your answer. More importantly, would you like your faith to be stronger? That's what this six-session video study from America's most influential spiritual leader is all about. Faith, according to Pastor Rick Warren, is like a muscle. It needs to be exercised and developed. And God uses a predictable pattern and process to build your faith. It's what Warren calls the Six Phases of Faith. Once you understand these six phases, you can cooperate with God in the process of strengthening your faith and building your character. The Six Phases of Faith is a groundbreaking small group video study with participant's guide that will help you uncover and participate in God's unique plan and purpose for your life.

Is it possible that good things can come out of our broken dreams? Worship leader and recording artist Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the

same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. In *When God Doesn't Fix It*, Laura helps readers understand that: We aren't the only ones whose lives have taken unexpected turns. Even heroes of our faith experienced brokenness. Despite our flaws and stories, God can use us in extraordinary ways. God may not fix everything. In fact, although your situation might not ever change or get better, with Jesus you can. Not because of your faith, but because of the faithfulness of their God.

Each one of us has hurts, hang-ups, and habits that need healing. The Road to Freedom is the path to hope for all of us who are in pain or simply stuck. With practical application and inspiration, Johnny Baker shares his story of recovering from alcoholism and offers the truths he has learned from his 25 years with Celebrate Recovery. Baker's father, John, founded Celebrate Recovery when Baker was 15 years old. Later, Baker would become involved with alcohol himself. Even though he saw his parents' marriage heal and watched his dad become a new person, he had to experience his own journey of healing. Baker began the process of recovery as a young adult. Now he serves on the leadership team of Celebrate Recovery, sharing his testimony of how God brought him back home. In the years since leaving alcohol behind, Baker has witnessed thousands of other lives change through the power of Christ. Whether you are dealing with substance abuse, relational struggles, or eating challenges, or you simply want to let go of what is holding you back in life, you will find answers in The Road to Freedom. In addition to telling his own story, Baker offers ten principles of healing. These life lessons remind you that pain has a purpose, small and steady improvement lasts longer than overnight change, serving others leads to deeper healing, and facing your problems is the only way to heal. The Road to Freedom will help you move from coping with hurts, hang-ups, and habits to the hope and health that only Jesus can bring.
