Star Trek: Captain's Glory

In the Mirror Universe the tyrannical Emperor Tiberius, once captain of the ISS Enterprise, had great success turning captured alien weaponry to his advantage. Until, that is, his failure to seize the tantalising advances of the ancient First Federation. Now, in the more peaceful universe of the United Federation of Planets, Tiberius sees his second chance. And a new ally will help him take it - his alter ego for whom he has nothing but contempt - Starfleet Captain James T. Kirk. Honorable, idealistic and decent, James T. Kirk is many things Tiberius is not. But he is also a man deeply in love with his wife - and Teilani is dying. To save her life, Kirk is prepared to compromise his ideals and enter into his most dangerous alliance yet. Battling Captain Jean-Luc Picard and a new generation of Starfleet heroes, Kirk must guide Tiberius to a long-abandoned First Federation base which conceals a power so great it will enable Tiberius to conquer the mirror universe - and his own. But on that journey Kirk uncovers long-hidden secrets that raise the stakes far beyond the mere survival of family and friends. At the heart of their quest, something else is waiting: an object from a civilisation whose technology is far more advanced than any Kirk or Tiberius could hope to acquire, placed there for Kirk's eyes only by mysterious aliens who appear to have influenced life within the galaxy over eons of time - a message from the Preservers

Specter of the Past

The first in a series of Star Trek titles aimed specifically at young adults.

Crisis on Vulcan

Battlestations! Back on Earth enjoying a well-deserved shore leave, Captain Kirk is rudely accosted by a trio of Starfleet security guards. It seems he is wanted for questioning in connection with the theft of transwarp -- the Federation's newest, most advanced propulsion system. Could Captain Kirk, Starfleet's most decorated hero, be guilty of stealing top-secret technology? With the aid of Mr. Spock, Lt. Comdr. Piper begins a desperate search for the scientists who developed

transwarp -- a search that leads her to an isolated planet, where she discovers the real -- and very dangerous -- traitor!

Focus On: 100 Most Popular Canadian Male Film Actors

As Star Trek celebrates its 50th anniversary, the futuristic tools of Kirk, Spock, Scott, and McCoy continue to come to life. This book merges Star Trek scientific lore—how the science of the time informed the implementation of technology in the series—and the science as it is playing out today. Scientists and engineers have made and continue to develop replicators, teletransporters, tractor beams, and vision restoring visors. This book combines the vision of 1966 science fiction with the latest research in physics, biotechnology, and engineering.

Star Trek

In a follow-up to *The Return*, Captain Kirk embarks on a desperate quest to find the source of a mysterious virus that may decimate the Federation. Reprint.

Dreadnought!

The Autobiography of James T. Kirk chronicles the greatest Starfleet captain's life (2233–2371), in his own words. From his birth on the U.S.S. Kelvin, his youth spent on Tarsus IV, his time in the Starfleet Academy, his meteoric raise through the ranks of Starfleet, and his illustrious career at the helm of the *Enterprise*, this in-world memoir uncovers Captain Kirk in a way Star Trek fans have never seen. Kirk's singular voice rings throughout the text, giving insight into his convictions, his bravery, and his commitment to the life—in all forms—throughout this Galaxy and beyond. Excerpts from his personal correspondence, captain's logs, and more give Kirk's personal narrative further depth.

Prime Directive

After almost sixty years as an actor, William Shatner has become one of the most beloved entertainers in the world. And it seems as if Shatner is everywhere. In *Up Till Now*, Shatner sits down with readers and offers the remarkable, full story of his life and explains how he got to be, well, everywhere. It was the original Star Trek series, and later its films, that made Shatner instantly recognizable, called by name---or at least by Captain Kirk's name---across the globe. But Shatner neither began nor has ended his career with that role. From the very start, he took his skills as an actor and put them to use wherever he could. He straddled the classic world of the theater and the new world of television, whether stepping in for Christopher Plummer in Shakespeare's *Henry V* or staring at "something on the wing" in a classic episode of *The Twilight Zone*. And since then, he's gone on to star in numerous successful shows, such as *T.J. Hooker*, *Rescue 911*, and *Boston Legal*. William Shatner has always been willing to take risks for his art. What other actor would star in history's first---and probably only---all-Esperanto-language film? Who else would share the screen with thousands of tarantulas, release an album called *Has Been*, or film a racially incendiary film in the Deep South during the height of the civil rights era? And who else would willingly paramotor into a field of

waiting fans armed with paintball guns, all waiting for a chance to stun Captain, Shatner? In this touching and very funny autobiography, William Shatner's *Up Till Now* reveals the man behind these unforgettable moments, and how he's become the worldwide star and experienced actor he is today. "It is now Bill Shatner's universe---we just live in it."---New York Daily News

Worf's First Adventure

An original novel based on the thrilling new Star Trek movies! Based on the "Kelvin Universe" movie saga! Captain James T. Kirk and the Enterprise crew escort Spock's father, Ambassador Sarek of Vulcan, to a dilithium-rich planet called Akiron. They arrive to find this world under siege by creatures that some of the planet's denizens believe are demons. Sarek orders Kirk to abandon the mission, but the young captain won't turn his back on people in danger. After a harrowing encounter with the dark-energy "demons," Kirk's belief in a rational universe is challenged by a mystic who insists that it wasn't coincidence that brought Kirk to Akiron, but the alien equivalent of a Karmic debt. Meanwhile, aboard the Enterprise, Sarek's young Vulcan aide L'Nel has a sinister agenda—and its chief objective appears to be the cold-blooded murder of Spock!

Captain's Blood

Journeying to the observation site of a star collision, first-year cadet Data and his team are drawn off course by a distress call in a nearby asteroid belt, where they are attacked by alien invaders. Original.

Dark Victory

Don't miss the latest chapter of the blockbuster mini-series that introduces a brave new cast of cadets to Star Trek lore! What is the mystery at the heart of Starfleet that connects this new crew to Kirk, Spock and rest of the iconic cast? The answers are inside, in this all-new adventure set in the new film universe!

Star Trek: Preserver

In *Star Trek Memories* William Shatner takes the reader behind the scenes through seventy-nine episodes of Star Trek. He explores the backstage anecdotes, personal rivalries and network politics that were carefully hidden behind the camera.

Federation

Offers a visual perspective of all of the "Star Trek" series and movies

The Realization of Star Trek Technologies

After narrowly averting a Reman and Romulan civil war, Captain James T. Kirk is determined to finally raise his son, Joseph, while investigating Spock's death, until Admiral Janeway requests Kirk's help to stop a new threat to the Federation.

Imzadi

Star Empire is the Federation's most powerful new weapon -- a dreadnought, first in a class of super-starships -- capable of outgunning a dozen Klingon cruisers, or subduing a galaxy. On the eve of her maiden voyage, Star Empire is stolen by terrorists who demand a rendezvous with the Starship Enterprise™ -- and with Lieutenant Piper, stationed aboard Kirk's ship on her first training cruise. Now Piper must discover why her friends from Starfleet are among the terrorists and why they insist the ship was stolen not to attack the Federation -- but to save it!

Death to the Army of Darkness

Following in the bestselling tradition of Spock's World and The Lost Years, this is a white-knuckled Star Trek tale of mystery and wonder that spans the galaxy in a vivid race against time. Starfleet's most sacred commandment has been violated. Its most honored captain is in disgrace, its most celebrated starship in pieces, and the crew of that ship scattered among the thousand worlds of the Federation. Thus begins the epic tale Prime Directive. Journey with Spock, McCoy, and the rest of the former crew of the Starship Enterprise to the planet where their careers ended. A world once teeming with life that now lies ruined, its cities turned to ashes, its surface devastated by a radioactive firestorm—all because of their actions. There, they must find out how and why this tragedy occurred and discover what has become of their captain.

Captain's Peril

At last! The long awaited novel featuring both famous crews of the Starship Enterprise in an epic adventure that spans time and space. Captain Kirk and the crew of the U.S.S. Enterprise NCC-1701 are faced with their most challenging mission yet--rescuing renowned scientist Zefram Cochrane from captors who want to use his skills to conquer the galaxy. Meanwhile, ninety-nine years in the future on the U.S.S. Enterprise NCC-1701-D, Picard must rescue an important and mysterious person whose safety is vital to the survival of the Federation. As the two crews struggle to fulfill their missions, destiny draws them closer together until past and future merge--and the fate of each of the two legendary starships rests in the hands of the other vessel

The Delta Anomaly

The year is 2250, and it has been six months since James Kirk joined Starfleet Academy. A rebellious young man, Kirk is used to doing things his way--and whenever he feels like it. However, the Academy is changing him little by little, showing him how to transform his headstrong attitude and ambition into qualities that make him a leader. Kirk's behavior often brings him to clash with another Starfleet Academy member, a half-Vulcan, half-human named Spock. This book series will delve into the lives and relationships of Kirk and the other recruits at the Academy, their training, their missions, and their romances. In The Delta Anomaly, a shocking San Francisco crime shakes up Starfleet Academy, entangling Kirk, McCoy, Uhura, and Spock.... and turns out to have chilling intergalactic

implications.

More Beautiful Than Death

Celebrate the 40th anniversary of Star Trek: The Motion Picture with this classic movie novelization written by legendary Star Trek creator Gene Roddenberry! The original five-year mission of the Starship Enterprise to explore strange new worlds and to seek out new life and new civilizations has ended. Now James T. Kirk, Spock, Dr. McCoy, and the rest of the crew of the Enterprise have separated to follow their own career paths and different lives. But now, an overwhelming alien threat—one that is ignoring all attempts at communication and annihilating all opposition in its path—is on a collision course with Earth, the very heart of the United Federation of Planets. And the only vessel that Starfleet can send in time to intercept this menace is a refitted Enterprise, with her old crew heeding the call to once again boldly go where no one has gone before....

Star Trek Memories

It is the twenty-third century. On the planet Vulcan, a crisis of unprecedented proportion has caused the convocation of the planet's ruling council -- and summoned the U.S.S. Enterprise™ from halfway across the galaxy, to bring Vulcan's most famous son home in its hour of need. As Commander Spock, his father Sarek, and Captain James T. Kirk struggle to preserve Vulcan's future, the planet's innermost secrets are laid before us, from its beginnings millions of years ago to its savage prehistory, from merciless tribal warfare to medieval court intrigue, from the exploration of space to the the development of o'thia -- the ruling ethic of logic. And Spock -- torn between his duty to Starfleet and the unbreakable ties that bind him to Vulcan -- must find a way to reconcile both his own inner conflict and the external dilemma his planet faceslest the Federation itself be ripped asunder. Diane Duane, author of three previous bestselling STAR TREK novels and an episode of the new STAR TREK NEXT GENERATION® television series, as well as countless other bestselling science fiction and fantasy novels, has crafted a tale of unprecedented scope and imagination, at once a generations-spanning historical novel and a thrilling science fiction adventure.

A Brief Guide to Star Trek

The Romulan Empire is in disarray after the destructive leadership of the Reman Shinzon, and Ambassador Spock launches a bold attempt to reunify the Romulans with their distant forbears, the Vulcans. But when Spock is publicly assassinated at a Romulan peace rally, Starfleet and the Federation are unable to search for the criminals responsible without triggering an intergalactic war. Thus it falls to James T. Kirk to investigate the death of his beloved friend. Given covert assistance by Captains Jean-Luc Picard on the newly-refitted Enterprise and Will Riker on the Argo, Kirk travels to Romulus as a civilian, accompanied by his eight-year-old son Joseph and the cantankerous Dr McCoy. There he discovers an alluring enemy from his past and discovers that Spock's apparent murder hides a deeper mystery, one that reaches back in time to the very origins of life on Earth. Trapped on a deadly, alien world on the eve of a civil war that could plunge the galaxy into a civilization-

ending conflict, Kirk's investigation brings him at last to a hidden Reman fortress. There he uncovers the true threat facing the Romulans, and learns that for peace to prevail he must sacrifice his son, whose blood holds a staggering secret

The Autobiography of James T. Kirk

Over five decades, Star Trek's celebration of mankind's technical achievements and positive view of the future have earned it an enduring place in our global culture. Its scientific vision has also had a profound effect on the past thirty years of technological breakthroughs. Join William Shatner, the original captain of the Starship Enterprise, as he reveals how Star Trek has influenced and inspired some of our greatest scientific minds -- the people behind the future we will all share. In interviews with dozens of scientists we learn about the inventions that will revolutionise our lives and the discoveries that will make it truly possible to explore the last great frontier -- space. As one Nobel Laureate commented on being shown a wood and plastic model of the engine core from a Star Trek: The Next Generation starship: "I'm working on that." From the technicalities of warp speed to real-life replicators to the likelihood of our being able to beam across continents, this always-informative book takes us on a fascinating and eye-opening voyage to the realms of the possible and probable.

Up Till Now

In the months that follow his reluctant retirement, Captain James Kirk is offered an irresistible adventure by a beautiful and mysterious young woman that will force Kirk to confront the fragile peace between the Federation and the Klingons.

Enemy Unseen

Captain Kirk is helpless to prevent his evil twin from capturing him, but the reappearance of the long-dormant "Preservers" will threaten the entire galaxy, unless he can prevent them. Reprint.

The Return

The Mirror Universe is a dark and twisted reflection of our own, where all that is noble and compassionate is instead cruel and barbaric. Now our universe has been invaded by that other reality's most feared tyrant: the dreaded Emperor Tiberius, the Mirror Universe counterpart of James T. Kirk. Just as Kirk survived his own era to live into the 24th century, so has Tiberius returned from the past to menace a new generation of Starfleet heroes. And only Kirk can stop him. With Spock, McCoy, and Spotty at his side, and teamed Jean-Luc Picard and the valiant crew of the U.S.S. Enterprise™ NCC-1701-E, Kirk is propelled into his most personal and dangerous mission yet as he fights to uncover the secret of Tiberius' return and learn the terrible truth behind the madman's nightmarish plans for the Federation. But how can he defeat an enemy who knows Kirk's mind as well as he knows his own?

Star Trek

An all-new story by RYAN PARROTT (Mighty Morphin Power Rangers) and JACOB EDGAR (Red Sonja)! It's been six months since the events of the Army of Darkness film Ash is just trying to settle down and get back to his groovy ways. But dammit, DEADITE-POSSESSED strangers keep attacking him at every turn. Why is evil following everywhere he turns, and what happens when an awful splinter spell causes Ash to become TEAM ASH!?

Secret of the Lizard People

Retired and happily in love, Kirk believes his adventuring days are over. But as he returns to Earth for the first time since his apparent "death" upon the Enterprise-B, events elsewhere in the galaxy set in motion a mystery that may provide Kirk with his greatest challenge yet. The Enterprise-E, under the command of Captain Jean-Luc Picard, is exploring an unstable region of space on a scientific mission of vital concern to Starfleet when they discover the last thing they ever expected to find: a lonely, battle-scarred vessel that is instantly recognizable to every member of Picard's crew. Five years after being lost with all hands in the Delta Quadrant, the Starship Voyager has come home! The commander of Voyager, one Tom Paris, explains that Captain Kathryn Janeway and half of the original crew is dead, but if that is true, who is the mysterious woman who has kidnapped Kirk back on Earth, pleading with him to assist her against a threat to the entire Federation? All is not as it seems, and soon Kirk is forced to confront the hideous consequences of actions taken more than a hundred years prior, as well as his own inner doubts. After years of quiet and isolation, does he still have what it takes to put things right- and join with Captain Picard to save the lives of everyone aboard a brand-new Enterprise? An unforgettable saga peopled by old friends and ancient enemies, Star Trek: Spectre propels Kirk on a journey of self-discovery every bit as harrowing as the cataclysmic new adventure that awaits him.

Icefire

For over 40 years Star Trek has made a phenomenal cultural impact. Now more popular than ever - J.J. Abrams' reinvented Star Trek movie was one of the box office hits of 2009, grossing \$385 million worldwide - the 'franchise' continues to have cultural, social and political resonance around the world. Star Trek has changed not just the way we look at space but also our own world. It gave the culture a lexicon of catchphrases, from "Beam me up, Scotty" to Dr McCoy's many complaints beginning "I'm a doctor, not a [!]" Much of the 'future' technology depicted on Star Trek has come to feature in everyday life, from the communicator-like mobile phone to computer touch screens now taken for granted. Many of the world's most prominent scientists were inspired to pursue their careers (as were many writers and artists) due to an early exposure to Star Trek. In A Brief Guide to Star Trek, expert Brian J Robb charts the rise and rise of the show and explores its impact our culture.

Avenger

Cadet Worf arrives at Starfleet Academy™ as the first Klingon to gain entrance since the Federation-Klingon, Peace Treaty. Raised on Earth by human parents,

Worf wonders whether he is still a Klingon, the proud member of an honorable warrior race, or is he more human? Command-level classes fill his schedule, but nothing prepares him for his fellow cadets, among them his human foster brother. Intelligent, ambitious, and confident, the Academy cadets make life difficult for the young warrior. Worf must win over his classmates -- including the always logical Vulcans and the fierce Brikar -- even though they are still trained to think of him as the enemy. Then a routine trip to a training satellite turns into an unexpected disaster, and Worf must unite the cadets and risk his life before a terrible accident destroys the entire mission.

Star Trek: Academy: Collision Course

Enemy Unseen Transporting a diplomatic party is nothing new for Captain James T. Kirk and the crew of the Enterprise™ -- but this particular mission promises trouble from the start. For one thing, the wife of the Federation ambassador on this trip is an old flame of Kirk's -- she's determined to see that they resume their romance where they left off. Of course, when another ambassador presents Kirk with three of his wives, finding time for the first romance, let alone any of his other duties, is going to prove nearly impossible. When a diplomatic attache` is murdered, and the prime suspect is one of his crewmembers, Kirk begins to wish that Starfleet Command would consider using some other Starship to ferry diplomatic personnel.

Star Trek: Starfleet Academy #2

If you think you know how it all began, think again Young Jim Kirk wants nothing to do with Starfleet, and never wants to leave Earth. In the summer of 2249, he's a headstrong seventeen-year-old barely scraping by in San Francisco, haunted by horrific memories from his past. In the same city, a nineteen-year-old alien named Spock is determined to rise above the emotional turmoil of his mixed-species heritage. He's determined to show his parents he has what it takes to be Vulcan -- even if it means exposing a mysterious conspiracy at the heart of the Vulcan Embassy, stretching to the farthest reaches of the Federation's borders. There, a chilling new threat has arisen to test the Federation's deepest held belief that war is a thing of the past and that a secure future can be forged through peaceful means alone. But it is in San Francisco, home to Starfleet Academy, where that threat will be met by two troubled teenage boys driven to solve the mystery that links them both. In time, the universe will come to know these young rebels as Captain James T. Kirk and Mr. Spocktwo of the Federation's greatest heroes. Yet before they were heroes, they were simply conflicted teenagers, filled with raw ambition and talent, not yet seasoned by wisdom and experience, searching for

their own unique directions in life -- a destiny they'll discover on one fateful night in San Francisco, when two lives collide, and two legends are born. Star Trek: Academy -- Collision Course sets the stage for an exciting new era of Star Trek adventure, and for the first time reveals Kirk and Spock as they were, and how they began their journey to become the Kirk and Spock we know today.

Spock's World

Years before they served together on board the U.S.S. Enterprise™, Commander William Riker and ship's counselor Deanna Troi had a tempestuous love affair on her home planet of Betazed. Now, their passions have cooled and they serve together as friends. Yet the memories of that time linger and Riker and Troi remain Imzadi- a powerful Betazoid term that describes the enduring bond they still share. During delicate negotiations with an aggressive race called the Sindareen Deanna Troi mysteriously falls ill and dies. But her death is only the beginning of the adventure for Commander Riker, an adventure that will take him across time, pit him against one of his closest friends, and force him to choose between Starfleet's strictest rule and the one he calls Imzadi.

The Vulcan Academy Murders

The Dominion War is over. The Federation is at peace. What better time for two legendary starship captains to set aside the demands of duty and simply take some well-deserved time off. But when James T. Kirk and Jean-Luc Picard arrive on Bajor to dive among the ruins of an ancient sunken city, they find themselves in far from relaxing circumstances. The small group of scientists the captains have joined suddenly discover their equipment sabotaged -- isolating them from Deep Space Nine and from any hope of rescue -- as a murderer stalks them, one by one. Cut off from the people and the technology on which they have always depended, Kirk and Picard must rely more than ever on their own skills and resources -- as well as on their growing friendship -- to solve the mysterious killings and, at the same time, save one of Bajor's greatest living treasures. With time running out and Picard missing after a diving disaster, Kirk must search his memories of the past for the solution, plunging him into a harrowing personal journey that reveals the beginning of his path from young Starfleet officer to legendary galactic hero. From the shores of Bajor's Inland Sea to the welcoming arms of a seductive and deadly alien commander intent on making Kirk her own, The Captain's Peril is Captain Kirk's most personal, and his most extreme, adventure yet.
