### **Crosscurrents**

This introductory book explores the fundamentals that are generic to all types of investigations — criminal and otherwise. Using real cases to illustrate how investigators actually work in a variety of situations, it provides readers with a solid background for the more specialized training they will encounter on the job. Potential Criminal Investigators.

### **American Government**

### **Canadian Government and Politics - Seventh Edition**

The fifth edition of this popular text is now expanded and updated to better fit the needs of a stand-alone Texas Politics course. Jillson continues to approach the politics of the Lone Star State from historical, developmental, and analytical perspectives, while giving students the most even-handed, readable, and engaging description of Texas politics available today. Throughout the book students are encouraged to connect the origins and development of government and politics in Texas--from the Texas Constitution, to party competition, to the role and powers of the Governor--to its current day.

### **Canadian Politics in the 21st Century**

For this new edition, James Bickerton and Alain-G. Gagnon have organized the book into six parts. Part I covers the origins and foundations of Canada as a political entity while Part II focuses on Government, Parliament, and the Courts. Part III examines matters pertaining to federalism and the Canadian Charter of Rights and Freedoms. Part IV casts some new light on electoral politics and political

communications and Part V examines citizenship, diversity, and social movements. Part VI, the final section of the book, concentrates on a number of political issues that merit special attention on the part of political actors and decision makers, namely the evolving relationship between Canada and Indigenous peoples, immigration and refugees, environment and climate change, and relations between Canada and the United States. This seventh edition of Canadian Politics includes twelve new chapters, with ten new contributing authors and coverage of six new subjects. It is essential reading for students and specialists studying Canadian politics.

### **Modern Political Systems**

A diverse range of experts provide a comprehensive introduction to current theories, debates and research in Australian political science.

### **Canadian Politics, Seventh Edition**

Frame social problems, and identify solutions, through the lens of politics Revel(TM) Social Problems focuses on how people construct problems, and how they develop potential solutions, based on their political attitudes. Analyzing issues from liberal, radical-left, conservative, and libertarian points of view, author John Macionis encourages students to develop their own positions, and helps them attain the knowledge they need to engage in solving social problems through activism and political discussion. The Seventh Edition offers coverage of a range of hot-button contemporary social problems - from #BlackLivesMatter to increasing income inequality - to help students see the relevance of this field of study to their own lives. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience - for less than the cost of a traditional textbook. NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a course invite link, provided by your instructor, to register for and use Revel.

### **The Publishers Weekly**

The eighth edition of this comprehensive collection includes carefully chosen articles with fresh perspectives on the most current trends in policing. Critical Issues in Policing provides ready access to the brightest minds in the field of policing. The 36 contributions sharpen understanding of the intricacies of police work and encourage readers to change from holding the police responsible for crime rates to holding them accountable for specific goals, tasks, and objectives. The new edition continues its authoritative, insightful coverage of complex elements of policing and presents vivid and pragmatic illustrations of law enforcement issues. The anthology offers an alternative to traditional policing texts. It covers philosophies of policing that guide discussions about police culture, police misconduct, use of force, operational concerns, and technological

innovations.

## **The Canadian Polity**

### **Global Environmental Politics**

"The book's combined focus on parties as institutions and systems, alongside political attitudes and behaviors, is why I use it! I have yet to find another text that accomplishes this." —Meredith Conroy, California State University, San Bernardino

Now, more than ever, people drive the democratic process. What people think of their government and its leaders, how (or whether) they vote, and what they do or say about a host of political issues greatly affect the further strengthening or erosion of democracy and democratic ideals. This fully updated, shorter Seventh Edition of *Citizen Politics* continues to offer the only truly comparative study of political attitudes and behavior in the United States, Great Britain, France, and Germany. In addition to its comprehensive, thematic examination of political values, political activity, voting, and public images of government within a cross-national context, the updated edition of this bestseller explores how cultural issues, populism, Trump and far right parties are reshaping politics in contemporary democracies. All chapters have been updated with the latest research and empirical evidence. Further, Dalton includes recent research on citizens' political behavior in USA, Britain, France, and Germany, as well as new evidence from national election studies in USA 2016, Britain 2017, France 2017, and Germany 2017.

### **The Politics of Gun Control**

The new edition of this classic text covers the latest developments in American gun policy including the most recent shooting incidents that persist in plaguing the American landscape. Continuing a multi-decade trend, crime generally remains low throughout the US, but mass shootings have increased in both number and lethality, stoking greater support for gun laws among the public. Two seismic political events are highlighted in the eighth edition. The first is the ascendance of the gun safety movement, culminating in numerous electoral victories for gun law supporters in 2018 congressional and state races around the country. This outcome, which contributed to the Democrats' capture of the House of Representatives for the first time since 2008, also demonstrates that support for stronger gun laws could be a winning issue for proponents in 2020 and beyond. The second political development featured is the financial, political, and legal crises that beset the nation's oldest and most powerful gun group, the National Rifle Association. These crises are sufficiently grave that they may pose an existential threat to the organization's traditional dominance in the realm of gun politics. Author Robert J. Spitzer has long been a recognized authority on gun control and gun policy. His even-handed treatment of the issue--as both a member of the NRA and the Brady Center--continues to compel national and international interest, including appearances on major media such as the PBS NewsHour. The eighth edition of *The Politics of Gun Control* provides the reader with up-to-date data and coverage of gun ownership, gun deaths, school shootings, border patrols

and new topics including universal background checks, limits on large capacity ammunition magazines, and "red flag" laws. New to the Eighth Edition Covers the ascendance of the Second Amendment sanctuary and gun safety movements, resulting from heinous shootings in Las Vegas and Parkland, Florida. Tracks the financial, political, and legal crises that threaten the dominance of the National Rifle Association. Examines new policy measures including universal background checks, limits on large capacity ammunition magazines, the bump stock controversy, and "red flag" laws, among others.

## **Principles and Practice of American Politics**

Developments in Russian Politics 7 brings together a tightly-edited set of specially-commissioned chapters to provide a broad-ranging assessment of the Putin legacy and of continuities and change under Medvedev. Clearly and accessibly written, it will remain the introduction of choice to politics in the world's largest state.

## **Contemporary Politics in Australia**

Every 3rd issue is a quarterly cumulation.

## **Today's Moral Issues: Classic and Contemporary Perspectives**

Examines religious practices from an anthropological perspective Religions in Practice, 6/e, offers an issues-oriented perspective on everyday religious behaviors - prayer, sacrifice, initiation, healing, etc. - by focusing on such topics as transnationalism, gender, and religious laws. The text examines a full spectrum of religions, from small-scale societies to major, established religions. The in-depth treatment of Islam, Hinduism, and Christianity is particularly noteworthy and easily supplemented with field projects directly related to the text.

## **Religions in Practice**

An up-to-date, accurate, and unbiased introduction to the world's most pressing environmental issues."

## **A History of Our Time**

## **Debating Democracy: A Reader in American Politics**

## **Excursions in World Music, Seventh Edition**

How does one make a clear distinction between issues such as tribal sovereignty, indigenous rights, and law and justice? How do these topics differ, and can they be separated from, issues such as identity, health, and environment? The answer, of course, lies in the interconnectedness of all aspects of Native American life, culture, religion, and politics. This format encourages the consideration of Native politics both in terms of unifying themes and contexts and with regard to local

situations, needs, and struggles.

## **Critical Issues in Policing**

Essays discuss environmental issues, interest groups, security and trade considerations, and future approaches to environmental policy

## **Revel for Social Problems Access Card**

In a nation built by immigrants and bedeviled by the history and legacy of slavery and discrimination, how do we, as Americans, reconcile a commitment to equality and freedom with persistent inequality and discrimination? And what can we do about it? This widely acclaimed text by Paula D. McClain, with new coauthor Jessica D. Johnson Carew, provides a comprehensive and accessible overview of the historical and contemporary political experience of the major groups-African Americans, Latinos, Asian Americans, and American Indians-in the United States. It explores the similarities and differences in these groups' representation and participation in law, politics, and policymaking, discusses the enduring issues and concerns that they face, and examines intra- and inter-group competition and coalition-building in the face of enduring conflict and inequality. The seventh edition has been thoroughly revised and updated to include coverage of President Barack Obama's second term, the 2016 election, police brutality and Black Lives Matter, and the Dakota Access Pipeline protest movement. With a brand-new chapter on the intersections of race and gender, "Can We All Get Along?" remains unparalleled in its comparative coverage of the current landscape of minority politics in the United States.

## **Developments in Russian Politics 7**

## **Canadian Politics, Seventh Edition**

A complete and accessible overview of how politics and economics collide in a global context This text surveys the theories, institutions, and relationships that characterize IPE and highlights them in a diverse range of regional and transnational issues. The bestseller in the field, Introduction to International Political Economy positions students to critically evaluate the global economy and to appreciate the personal impact of political, economic, and social forces.

### **Can We All Get Along?**

American Government: Constitutional Democracy Under Pressure highlights the necessary tension between our constitutional principles and institutions and the populist heat that sometimes roils our national politics, especially at the current political moment. Our constitutional democracy has been under pressure for some time, but few would deny that fears for its fate have deepened in just the past few years. We assume that our political institutions will limit and contain contemporary populism, just as the Founders intended and as they have in the past, but will they? An increasingly polarized electorate, urging their representatives to fight and never to compromise, may be stressing Constitutional limits. This new edition offers to help American government teachers lead their students to a nuanced theoretical and practical understanding of what is happening in the politics of their Constitutional democracy today. New to the Second Edition Further develops and highlights the distinguishing theme of the book, "Constitutional Democracy Under Pressure," in light of Trump Administration events over the last two years. Expands coverage of all media aspects including fake news, social media, responsible journalism, and related topics including foreign manipulation of the news. Includes the most recent election results. Addresses issues specific to the Trump Administration including unique coverage of the 25th Amendment, cabinet instability, election interferences, executive power and unitary action, and impact on the courts. Updates in all tables, figures, suggested readings plus photo updates throughout.

### **Contemporary Native American Political Issues**

Now in its seventh edition, this contributed textbook introduces students to the history, theory, structures, and key issues in international relations. Fully updated and revised in light of recent developments in world politics, new chapters on feminism, race, international organizations, and NGOs ensure the text continues to cover topics that define the issues today and for the next generation.

### **Crosscurrents**

namely the evolving relationship between Canada and Indigenous peoples, immigration and refugees, environment and climate change, and relations between Canada and the United States. This seventh edition of Canadian Politics includes twelve new chapters, with ten new contributing authors and coverage of six new subjects. It is essential reading for students and specialists studying Canadian politics.

## **Morality and Moral Controversies**

This comprehensive anthology includes classic and contemporary readings in moral theory--a wide array of essays that address today's most philosophically interesting and controversial ethical and political issues. Includes an ethical theory overview; shows relevance of traditional and contemporary writers. KEY TOPICS: Features articles on self-interest and morality, rule utilitarianism and the conflict between duty and sentiment; Features readings on life and death, terrorism, internment in time of war, distribution of scarce medical resources and the survival lottery; Features essays on democracy, capitalism and its ethos, multiculturalism, identity and reparations. Extensive coverage of violence, terrorism, and war, as well as relativism and grounds of morality. MARKET: For those involved in social or political ethical decision making.

## **Citizen Politics**

## **Contemporary Issues in Leadership**

## **Introduction to International Political Economy**

Designed to accompany any American Government text, this engaging reader features a debate-style format that includes two readings per chapter--each representing opposing viewpoints. The unique format and current content give this book a distinct advantage over other readers. The seventh edition incorporates up-to-date chapter introductions and new debates on issues such as corporate spending in elections, same-sex marriage, and negative campaigning for a fresh look at the hot-button issues in modern American government. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## **Catalogue of Correspondence-study and Extension Lectures**

## **Canadian Politics**

## **Texas Politics**

This text analyzes the history, evolution, and processes of national security policies. It examines national security from two fundamental fault lines--the end of

the Cold War and the evolution of contemporary terrorism, dating from the 9/11 terrorist attacks and tracing their path up to the Islamic State (ISIS) and beyond. The book considers how the resulting era of globalization and geopolitics guides policy. Placing these trends in conceptual and historical context and following them through military, semi-military, and non-military concerns, National Security treats its subject as a nuanced and subtle phenomenon that encompasses everything from the global to the individual with the nation at its core. New to the Sixth Edition Fully updated with expanded coverage of ISIS, the "new cool war" with Russia, cybersecurity challenges, natural resource wars and development, negotiations with Iran, border threats, and much more. Includes a completely new chapter on "lethal landscapes" such as developing world international conflicts in Africa, Asia, and the Middle East; the "siren song" of the Islamic State; and the dilemmas of guns, butter, and boots on the ground. Shifts the focus from globalization to a more widely-ranging look at security, from the individual level to the regional to the global.

### **Critical Issues in Policing**

Contemporary Political Issues is a topical collection of provocative essays and readings designed to stimulate discussion while teaching real-world and relevant issues in Canadian politics. Each of the fourteen issues is explored by two leading authorities, one taking a side in support of the issue, the other opposing it. This text provides students with the opportunity to develop critical thinking skills, and each issue's Introduction and Postscript provide necessary context and synthesis.

### **The Globalization of World Politics**

#### **"Can We All Get Along?"**

Excursions in World Music is a comprehensive introductory textbook to world music, creating a panoramic experience for students by engaging the many cultures around the globe and highlighting the sheer diversity to be experienced in the world of music. At the same time, the text illustrates the often profound ways through which a deeper exploration of these many different communities can reveal overlaps, shared horizons, and common concerns in spite of and, because of, this very diversity. The new seventh edition introduces five brand new chapters, including chapters by three new contributors on the Middle East, South Asia, and Korea, as well as a new chapter on Latin America along with a new introduction written by Timothy Rommen. General updates have been made to other chapters, replacing visuals and updating charts/statistics. Excursions in World Music remains a favorite among ethnomusicologists who want students to explore the in-depth knowledge and scholarship that animates regional studies of world music. A companion website is available at no additional charge. For instructors, there is a new test bank and instructor's manual. Numerous student resources are posted, including streamed audio tracks for most of the listening guides, interactive quizzes, flashcards, and an interactive map with pinpoints of interest and activities. An ancillary package of a 3-CD set of audio tracks is available for separate purchase. PURCHASING OPTIONS Paperback: 9781138101463 Hardback:

## **Journal of Health, Physical Education, Recreation**

Learn how to influence policy and become a leader in today's changing health care environment. Featuring analysis of cutting-edge healthcare issues and first-person insights, *Policy & Politics in Nursing and Health Care, 8th Edition* continues to be the leading text on nursing action and activism. Approximately 150 expert contributors present a wide range of topics in policies and politics, providing a more complete background than can be found in any other policy textbook on the market. This expanded 8th edition helps you develop a global understanding of nursing leadership and political activism, as well as the complex business and financial issues that drive many actions in the health system. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. With these innovative insights and strategies, you will be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community. Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism, as well as complex business and financial issues. Key Points at the end of chapters helps you review important, need-to-know lesson content. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Expert authors make up a virtual Nursing Who's Who in healthcare policy, sharing information and personal perspectives gained in the crafting of healthcare policy. NEW! The latest information and perspectives are provided by nursing leaders who influenced health care reform, including the Affordable Care Act. NEW! Added information on medical marijuana presents both sides of this ongoing debate. NEW! More information on health care policy and the aging population covers the most up-to-date information on this growing population. NEW! Expanded information on the Globalization of Nursing explores international policies and procedures related to nursing around the world. NEW! Expanded focus on media strategies details proper etiquette when speaking with the press. NEW! Expanded coverage of primary care models and issues throughout text. NEW! APRN and additional Taking Action chapters reflect the most recent industry changes. NEW! Perspectives on issues and challenges in the government sphere showcase recent strategies and complications.

## **Global Environmental Politics**

Combining timeless readings with cutting-edge articles and essays, *Principles and Practice of American Politics, Seventh Edition*, enriches your understanding of the American political system by examining the strategic behavior of key players in U.S. politics. This collection of classic and contemporary readings brings concepts to life by providing you with real examples of how political actors are influenced by the strategies of others and are governed by the Constitution, the law, and institutional rules. Carefully edited by award-winning authors Samuel Kernell and Steven S. Smith, each reading is put into context to help you understand how

political actions fall within a major national political forum. New to the Seventh Edition Nine new and updated essays encourage you to reflect on the continuing debates over the polarization of the American electorate and Congress, the role of social media and “fake news” in influencing public views of politicians and issues, the fragile Trump coalition, the efficacy of polling in tracking public opinion, and other issues more relevant than ever in the wake of the 2016 elections. Additional essays challenge you to think more carefully about alternative institutions and political arrangements. The new essays present institutions of majority rule, the nature of racial discrimination, and the proper role of the court as less settled issues that provide students an opportunity to think through (and discuss) their views on the future direction of American civic life. Each selection is artfully framed by Kernell and Smith’s contextual headnotes to make them appropriate for classroom use. Original readings written specifically for the volume give the book a coherent treatment of the performance of U.S. political institutions.

### **Book Review Index**

This popular anthology continues its interdisciplinary approach to the topic of leadership and draws together new material describing the chief concerns facing leaders today. William Rosenbach and Robert Taylor t have collected the latest essays to clearly communicate the contradictions and paradoxes of leadership from historical to contemporary perspectives and global to individual considerations. The interdisciplinary approach to presentations of cutting-edge research and applications of leadership set this book apart from other collections. The book reemphasizes followership as an integral component of leadership, discusses the importance of leaders as mentors, helps navigate the hazards of leadership, and introduces a number of topics that will stimulate discussion.

### **Political Issues in Luke-Acts**

Canadian Government and Politics delivers an up-to-date and concise introduction to Canada’s political institutions, processes, and issues. The text integrates theory, history, Census data, and current affairs to give students an orderly picture of the wide-ranging landscape of Canadian government and politics. This seventh edition includes coverage and analysis of the 2019 general election, as well as a preview of the new Canadian government. It also adds exciting material on Canada’s cultural landscape, institutions, and policies, along with a new chapter on Indigenous Peoples. Other chapters examine the executive, legislative, and judicial branches of government, the electoral system, bureaucracy, Québec nationalism, foreign policy, and much more. The authors provide trenchant coverage of many key issues of concern to Canadians, including regionalism, nationalism, climate change, defense policy, Indigenous Peoples’ rights, minority rights, pipelines, and the USMCA trade deal. These topics are addressed by way of fair-minded impartial discussions, aimed to foster a vital and optimistic perspective on Canadian politics that will encourage critical thinking and active citizenship.

### **Policy & Politics in Nursing and Health Care - E-Book**

## **National Security**

This popular and comprehensive anthology presents cogent, provocative articles from differing political perspectives on major issues in postwar America. In addition to selections by leading historians, the editors have assembled first-person accounts of various issues by those who have contributed to the shaping of America's rich history, including Bill Clinton, Joseph McCarthy, Anne Moody, Robin Morgan, and Phyllis Schlafly. Providing a balance of diverse political viewpoints, the documents include the voices of men and women of African American, European American, Asian American, and Latino/as descent. The seventh edition of *A History of Our Time* has been extensively revised to incorporate new documents and the most up-to-date articles, which examine such contemporary issues as the Iraq war, political polarization, the new economy, marriage, and the red state/blue state divide. The editors have also added and deleted articles on earlier events in response to changing historiographical trends. New documents cover a broader range of history, addressing not only political issues, but also social, economic, and technological concerns. With lively and enlightening introductions to each section and headnotes that provide a context for the articles, *A History of Our Time* helps students make sense of the past sixty years of America's sometimes tumultuous but always fascinating history.
