today as when it was first published to widespread critical acclaim a decade ago, *God's Crucible* is a bold portrait of Islamic Spain and the birth of modern Europe from one of our greatest historians. David Levering Lewis's narrative, filled with accounts of some of the most epic battles in world history, reveals how cosmopolitan, Muslim al-Andalus flourished—a beacon of cooperation and tolerance—while proto-Europe floundered in opposition to Islam, making virtues out of hereditary aristocracy, religious intolerance, perpetual war, and slavery. This masterful history begins with the fall of the Persian and Roman empires, followed by the rise of the prophet Muhammad and five centuries of engagement between the Muslim imperium and an emerging Europe. Essential and urgent, *God's Crucible* underscores the importance of these early, world-altering events whose influence remains as current as today's headlines.

### **Study Guide to The Crucible and Other Works by Arthur Miller**

The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *THE WITCHES* is Stacy Schiff's account of this fantastical story-the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

Reiter addresses a striking empirical puzzle: Why, in this century, have some small powers chosen to enter alliances when faced with international instability whereas others have stayed neutral? Specifically, why did Belgium, the Netherlands, and Norway join NATO, while Sweden, Switzerland, and Ireland did not? Employing quantitative and case study methods, Reiter finds that peacetime decisions about alliance and neutrality stem from states' experiences during world wars. Tested against balance-of-threat theory, the leading realist explanation of alliance behavior, Reiter's formative-events model of learning emerges as a far better predictor of states' decisions. Crucible of Beliefs' findings show that, contrary to balance-of-threat theory, state leaders ignore the level of international threat and focus instead on avoiding past mistakes and repeating past successes. A serious blow to realism, these findings demonstrate that to understand the dynamics of world politics, it is essential to know how leaders learn from history.

" My inner dragon is constantly forcing me forward faster and faster. SHE pushes the boundaries of my passions. I become so strong in HER presence, yet SHE presses. I am forced to walk the line Dangling my feet over the edge, fearlessly challenging the abyss to swallow me, I enjoy it." (p241). For centuries, artists have explored the duality of the soul. We are married to both good and evil, a co-existence held in balance by the power of choice. Echoed from the pens of poets and prose come the things that go bump in the heart, the monsters that frighten us most, the ones that live within. Wrapped in sensually seductive disguises between black covers erupts Jade and her Dragon. They are Secretly Bound. Leading a successful life with the right career, house and home, wife and child,

Jade has it all. Or so it seems. Beneath the peaceful waters lies the emptiness of a relationship barely sparking. The passion is gone. Life is going through the motions, especially in the bedroom. Fantasy remains in the ashes of a once out of control fire, and Jade finds that reality is such a poor substitute. When we thirst, we seek to quench that thirst. We are built to survive, no matter the cost. Jade's soul yearns to quench the desert that has become her sexuality. Her quest for an oasis leads her to Mylifeseeker.com, an internet-based social network, and like so many who have sought out friendship through the internet, Jade ends up with so much more. A storm cloud appears and her name is Emma, bringing with her correspondence sprinkles of rain that soon bursts into a mysterious monsoon flooding Jade's desert and awakens the dragon within. With each email, readers ride on the dragon's breath, holding tightly to the scales glistening in erotic adventures that will assuredly awaken the dragon in every reader. The darkest sexual desires kept from the home are openly explored with a virtual stranger, the lover born of dreams on a screen glowing with the increasing heat of wildfire. Emma soon succeeds in flooding Jade's existence to the point that she must meet the source of her dragon's fire. But as in every cautionary tale, let the reader beware. One always pays for forbidden pleasure, and Jade's price is more than the reader could possibly imagine. Truth turns into lies. Lies become truth. Reality is fantasy. Fantasy is reality. The beginning is an end. The end is a beginning. And just when you think you've got the answer, there's another riddle to solve. If you are ready, take this dragon by the tail and just try to hang on. You just might find

that it is the dragon that has you, and that from this day forward, like Jade, you will forever be Secretly Bound. J AGuilera Professional Reviewer

Marie-Laure lives with her father in Paris near the Museum of Natural History, where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great-uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. This Student Edition of *After the Fall* is perfect for students of literature and drama and offers an unrivalled and comprehensive guide to Miller's play. It features an extensive introduction by Brenda Murphy which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. *After the Fall* (1964) is embedded in historical events that were bound up with Arthur Miller's personal life. It is an intensely personal psychological study of its protagonist Quentin and a moral and philosophical commentary on the Holocaust, McCarthyism, and the career and death of Marilyn Monroe. The play marks the full realisation of Miller's modernist experimentation in trying to create a form that dramatises both human consciousness or subjectivity and its interrelationship with social and familial dynamics. A drama that takes place in the mind and thoughts of its protagonist, where memories are overshadowed by the Holocaust, the play is a moving study of human consciousness, morality and how we should live our lives once we have come to the realisation that we exist 'after the Fall'.

gave birth to the modern Judeo-Christian tradition In *The Crucible of Faith*, Philip Jenkins argues that much of the Judeo-Christian tradition we know today was born between 250-50 BCE, during a turbulent "Crucible Era." It was during these years that Judaism grappled with Hellenizing forces and produced new religious ideas that reflected and responded to their changing world. By the time of the fall of the Temple in 70 CE, concepts that might once have seemed bizarre became normalized—and thus passed on to Christianity and later Islam. Drawing widely on contemporary sources from outside the canonical Old and New Testaments, Jenkins reveals an era of political violence and social upheaval that ultimately gave birth to entirely new ideas about religion, the afterlife, Creation and the Fall, and the nature of God and Satan.
