Guardians of Ga'Hoole #3: The Rescue

Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack

and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand. Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Supplemental Nights to the Book of The Thousand Nights and a Night

In nomine maius bonum In the name of the greater good. That's the motto for St. Michael's Academy, the illustrious and renowned school for future Guardians. Demons roam the earth, terrorizing humans, and it's up to the Shadowguard to stop them. My name is Aspen Van Der Klay. I grew up ignorant of the real world. My mom hid the truth from me, but her death spurred a series of events which landed me right in the middle of Shadowguard Society. Now, I'm determined to be the best Guardian this world has ever seen. I won't let anything stop me. Not the

uppity elites, not my bigoted instructors, and certainly not my disapproving mentor who is just as likely to make my heart race as my blood boil. When Guardians start to go missing, it's up to the Shadowguard to figure out what's happening. Our numbers are dwindling, and we can't afford to let the demons discover our weakness. There's a great threat on the horizon, and I fear Guardians might not have what it takes to stop it before it's too late. Fans of Vampire Academy and Shadow Hunters will devour this newest series by USAT Bestselling author Samantha Britt. *This book is intended for readers 16 years of age or older. Demon Guard contains aspects of violence, foul language, and romance.

The Epic of Gilgamesh

Since the discovery over one hundred years ago of a body of Mesopotamian poetry preserved on clay tablets, what has come to be known as the Epic of Gilgamesh has been considered a masterpiece of ancient literature. It recounts the deeds of a hero-king of ancient Mesopotamia, following him through adventures and encounters with men and gods alike. Yet the central concerns of the Epic lie deeper than the lively and exotic story line: they revolve around a man's eternal struggle with the limitations of human nature, and encompass the basic human feelings of loneliness, friendship, love, loss, revenge, and the fear of oblivion of death. These themes are developed in a distinctly Mesopotamian idiom, to be sure, but with a sensitivity and intensity that touch the modern reader across the chasm of three thousand years. This translation presents the Epic to the general reader in a clear narrative.

Warrior Unraveled (Stealth Guardians #3)

Heart Bandit

In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.” —Los Angeles Times

Victorian home, living and loving under the cover of night. Who knew the source of her lifelong torment was really her gift as a Daughter of Man or that this gift could be controlled and used for something good? Who knew there was another race called the Paenitentia who live side by side with humans? Who knew that demons were real? Grace certainly didn't until one fateful night when her world falls apart and comes together again in a place where she finally belongs. Sometimes a person just knows when something is right and destined to be. Sometimes convincing someone else of that fact is a little more difficult. Canaan and Simeon is that someone else. Canaan is Liege Lord to a House of Guardians whose job is to protect the Race from a demon threat many no longer believe in. Already breaking away from the outdated traditions that are depleting their numbers and threatened by a hierarchy resistant to change, the last thing Canaan needs is to fall for this innocently sexy Daughter of Man. But fall he does, with a mixture of comedy, drama and romance that will touch your heart.
