Anne of Green Gables

Gwyneth Paltrow, Academy-Award winning actress and bestselling cookbook author, returns with recipes for the foods she eats when she wants to lose weight, look good, and feel more energetic. Last spring, after a particularly grueling schedule and lapse of overindulgence, Gwyneth Paltrow was feeling fatigued and faint. A visit to her doctor revealed that she was anemic, vitamin D deficient, and that her stress levels were sky high. He prescribed an elimination diet to clear out

her system and help her body heal. But this meant no coffee, no alcohol, no dairy, no eggs, no sugar, no shellfish, no deep-water fish, no wheat, no meat, no soy, nothing processed at all! An avid foodie, Paltrow was concerned that so many restrictions would make mealtime boring, so, together with Julia Turshen, she compiled a collection of 185 delicious, easy recipes that followed her doctor's guidelines. And it worked! After changing her diet, Paltrow healed totally, felt more energetic and looked great. Now, in *It's All Good*, she shares the go-to dishes that have become the baseline for the restorative diet she turns to whenever she feels she needs it. Recipes include: Huevos Rancheros, Hummus Tartine with Scallion-Mint Pesto, Salmon Burgers with Pickled Ginger, even Power Brownies, Banana "Ice Cream," and more!

Learn how to make your own miniature paper doll fashions with this charming guide, which weaves together the tale of two spirited sisters and their dazzling wardrobe of vintage fashions. Costume designer Lauren George offers playful interpretations of authentic historical dress in her story of Reo and Lucille, who abandon their conventional lives in 1880s Detroit to join the circus — the first in a series of daring adventures. Each step of the detailed instructions is accompanied by a color photo that shows you how to create fabulous costumes for the pair as they travel across the country, working as entertainers aboard a Mississippi riverboat, celebrating Mardi Gras in New Orleans, performing with a Wild West show as well as at a New York City amusement park, exploring the Antarctic, joining a crew of stunt aviators, and ultimately returning to Detroit to help Harry Houdini expose fake spiritualists. You don't need specialized skills for these projects — they are simple enough for beginners but sophisticated enough to intrigue experienced crafters. Each how-to section begins with a brief introduction that places the costumes in historical context and includes a materials list, photographic guide, and ideas for further research. You'll learn how to create workable templates, prepare pattern pieces, and embellish the dainty outfits with shoes, handbags, gloves, hats, and jewelry. Materials, consisting mostly of cut paper and flourishes of beads, lace, and ribbon, are inexpensive and easy to find. You'll find everything you need to join the sisters on their adventures — or invent your own! Plenty of helpful suggestions include tips for cultivating your own style

and adapting the techniques you've learned to create original designs.
