### Little Sima and the Giant Bowl

Theodore Swann is a jobbing writer, proprietor of the Matrimonial Advertiser lonely hearts gazette, and all-round weasel. He's the very last man that Martin St. Vincent would choose to rely on-and the only one who can help. Martin is a wealthy merchant who finds himself obliged to put a stop to a young heiress's romantic correspondence in the Matrimonial Advertiser. When she and her swain make a dash for Gretna Green, Martin drags Theo on a breakneck chase up the country to catch the runaway lovers before it's too late. Theo guards his secrets. Martin guards his heart. But as the two of them are thrown irresistibly together, entanglements, deceptions, and revelations come thick and fast RT Book Reviews Seal of Excellence winner, January 2017

### Allure

Presents an investigation into the truth behind a variety of documentary photographs throughout history, discussing the relationship between the photograph and the world it supposedly represents.

### The Upcycle

This collection of true narratives reflects the dynamism and diversity of nurses, who provide the first vital line of patient care. Here, nurses remember their first "sticks," first births, and first deaths, and reflect on what gets them though long,

demanding shifts, and keeps them in the profession. The stories reveal many voices from nurses at different stages of their careers: One nurse-in-training longs to be trusted with more “important” procedures, while another questions her ability to care for nursing home residents. An efficient young emergency room nurse finds his life and career irrevocably changed by a car accident. A nurse practitioner wonders whether she has violated professional boundaries in her care for a homeless man with AIDS, and a home care case manager is the sole attendee at a funeral for one of her patients. What connects these stories is the passion and strength of the writers, who struggle against burnout and bureaucracy to serve their patients with skill, empathy, and strength.

### **Linksys WRT54G Ultimate Hacking**

Designed as a textbook for undergraduate students in various engineering disciplines—Mechanical, Civil, Industrial Engineering, Electronics Engineer-ing and Computer Science—and for postgraduate students in Industrial Engineering and Water Resource Management, this comprehensive and well-organized book, now in its Second Edition, shows how complex economic decisions can be made from a number of given alternatives. It provides the managers not only a sound basis but also a clear-cut approach to making decisions. These decisions will ultimately result in minimizing costs and/or maximizing benefits. What is more, the book adequately illustrates the concepts with numerical problems and Indian cases. While retaining all the chapters of the previous edition, the book adds a number of topics to make it more comprehensive and more student friendly. What's New to This Edition • Discusses different types of costs such as average cost, recurring cost, and life cycle cost. • Deals with different types of cost estimating models, index numbers and capital allowance. • Covers the basics of nondeterministic decision making. • Describes the meaning of cash flows with probability distributions and decision making, and selection of alternatives using simulation. • Discusses the basic concepts of Accounting. This book, which is profusely illustrated with worked-out examples and a number of diagrams and tables, should prove extremely useful not only as a text but also as a reference for those offering courses in such areas as Project Management, Production Management, and Financial Management.

## **I Wasn't Strong Like This When I Started Out: True Stories of Becoming a Nurse**

A world of possibilities opens up for Joy Harkness when she sets out on a journey that's going to show her the importance of friendship, love, and what makes a house a home. Coming-of-age can happen at any age. Joy Harkness had built a university career and a safe life in New York, protected and insulated from the intrusions and involvements of other people. When offered a position at Amherst College, she impulsively leaves the city, and along with generations of material belongings, she packs her equally heavy emotional baggage. A tumbledown Victorian house proves an unlikely choice for a woman whose family heirlooms have been boxed away for years. Nevertheless, this white elephant becomes the home that changes Joy forever. As the restoration begins to take shape, so does her outlook on life, and the choices she makes over paint chips, wallpaper samples, and floorboards are reflected in her connection to the co-workers who become friends and friendships that deepen. A brilliant, quirky, town fixture of a handyman guides the renovation of the house and sparks Joy's interest to encourage his personal and professional growth. Amid the half-wanted attention of the campus's single, middle-aged men, known as "the Coyotes," and the legitimate dramas of her close-knit community, Joy learns that the key to the affection of family and friends is being worthy of it, and most important, that second chances are waiting to be discovered within us all.

### **Wanted, a Gentleman**

An Alchemy of Masques and Mirrors is Curtis Craddock's delightful and engrossing fantasy debut featuring a genius heroine and her guardian, a royal musketeer, which Brandon Sanderson calls, "A great read!" Born with a physical disability, no

magical talent, and a precocious intellect, Princess Isabelle des Zephyrs has lived her life being underestimated by her family and her kingdom. The only person who appreciates her true self is Jean-Claude, the fatherly musketeer who had guarded her since birth. All shall change, however, when an unlikely marriage proposal is offered, to the second son of a dying king in an empire collapsing into civil war. But the last two women betrothed to this prince were murdered, and a sorcerer-assassin is bent on making Isabelle the third. Isabelle and Jean-Claude plunge into a great maze of prophecy, intrigue, and betrayal, where everyone wears masks of glamour and lies. Step by dangerous step, Isabelle must unravel the lies of her enemies and discovers a truth more perilous than any deception. “A setting fabulous and strange, heroes to cheer for, villains to detest, a twisty, tricky plot — I love this novel!” —Lawrence Watt Evans “A thrilling adventure full of palace intrigue, mysterious ancient mechanisms, and aerial sailing ships!” —David D. Levine At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pizza you'll die for! Toby McGill dreams of becoming a world-famous chef, but up until now, his only experience has been watching the Food Network. When Toby lands a summer job at Killer Pizza, where pies like The Monstrosity and The Frankensausage are on the menu, things seem perfect. His coworkers, Annabel and Strobe, are cool, and Toby loves being part of a team. But none of them are prepared for what's really going on at Killer Pizza: It's a front for a monster-hunting organization! Learning to cook pizzas is one thing, but killing hideously terrifying monsters? That's a whole other story. Still, if Toby quits Killer Pizza, will monsters take over his town? Greg Taylor's Killer Pizza is a humorous and fast-paced read that R.L. Stine calls "a hot slice of horror that I couldn't put down!"

## **Warrior Chicks**

“More than anything else technology creates our world. It creates our wealth, our economy, our very way of being,” says W. Brian Arthur. Yet despite technology’s irrefutable importance in our daily lives, until now its major questions have gone unanswered. Where do new technologies come from? What constitutes innovation, and how is it achieved? Does technology, like biological life, evolve? In this groundbreaking work, pioneering technology thinker and economist W. Brian Arthur answers these questions and more, setting forth a boldly original way of thinking about technology. The Nature of Technology is an elegant and powerful theory of technology’s origins and evolution. Achieving for the development of technology what Thomas Kuhn’s The Structure of Scientific Revolutions did for scientific progress, Arthur explains how transformative new technologies arise and how innovation really works. Drawing on a wealth of examples, from historical inventions to the high-tech wonders of today, Arthur takes us on a mind-opening journey that will change the way we think about technology and how it structures our lives. The Nature of Technology is a classic for our times.

### **12,000 Dreams Interpreted**

For people on-the-go who want a daily dose of God's truth for their life. You want to spend meaningful time each day with the Lord, but about 10 minutes into your day the demands of life distract and pull at you, and threaten to overshadow your plans for quiet time. Pastor Bryant Wright lends helpful guidance for staying focused on God's Word and applying it to your daily living. His to-the-point messages set the tone for living as Jesus lived, no matter your circumstances. Setting aside just a few minutes each day with the Lord can change your heart. The condition of your heart can change your day. And the outcome of your day can change the course of your life for His eternal glory.

### **The Season of Second Chances**

True North shows how anyone who follows their internal compass can become an authentic leader. This leadership tour de force is based on research and first-person interviews with 125 of today's top leaders—with some surprising results. In this important book, acclaimed former Medtronic CEO Bill George and coauthor Peter Sims share the wisdom of these outstanding leaders and describe how you can develop as an authentic leader. True North presents a concrete and comprehensive program for leadership success and shows how to create your own Personal Leadership Development Plan centered on five key areas: Knowing your authentic self Defining your values and leadership principles Understanding your motivations Building your support team Staying grounded by integrating all aspects of your life True North offers an opportunity for anyone to transform their leadership path and become the authentic leader they were born to be. Personal, original, and illuminating stories from Warren Bennis, Sir Adrian Cadbury, George Shultz (former U.S. secretary of state), Charles Schwab, John Whitehead (CoChairman, Goldman Sachs), Anne Mulcahy (CEO, Xerox), Howard Schultz (CEO, Starbucks), Dan Vasella (CEO, Novartis), John Brennan (Chairman, Vanguard), Carol Tome (CFO, Home Depot), Donna Dubinsky (CEO/cofounder, Palm), Alan Horn (President, Warner Brothers), Ann Moore (CEO, Time, Inc.) and many others illustrate the transitions that shape the type of leaders who will thrive in the 21st century. Bill George (Cambridge, MA) has

spent over 30 years in executive leadership positions at Litton, Honeywell, and Medtronic. As CEO of Medtronic, he built the company into the world's leading medical technology company as its market capitalization increased from \$1.1 billion to \$60 billion. Since 2004, he has been a professor at the Harvard Business School. His 2004 book *Authentic Leadership* (0-7879-7528-1) was a *BusinessWeek* bestseller. Peter Sims (San Francisco, CA) established "Leadership Perspectives," a course on leadership development at the Stanford Graduate School of Business and cofounded the London office of Summit Partners, a leading investment firm. ## **Miss Julia Delivers the Goods**

A 2015 William C. Morris YA Debut Award Finalist Magical realism, lyrical prose, and the pain and passion of human love haunt this hypnotic generational saga. Foolish love appears to be the Roux family birthright, an ominous forecast for its most recent progeny, Ava Lavender. Ava — in all other ways a normal girl — is born with the wings of a bird. In a quest to understand her peculiar disposition and a growing desire to fit in with her peers, sixteen-year old Ava ventures into the wider world, ill-prepared for what she might discover and naive to the twisted motives of others. Others like the pious Nathaniel Sorrows, who mistakes Ava for an angel and whose obsession with her grows until the night of the summer solstice celebration. That night, the skies open up, rain and feathers fill the air, and Ava's quest and her family's saga build to a devastating crescendo. First-time author Leslye Walton has constructed a layered and unforgettable mythology of what it means to be born with hearts that are tragically, exquisitely human.

A professor of literature for over thirty years, Dr. James W. Thomas takes us on a tour through the Potter books in order to enjoy them in different ways upon subsequent readings. Re-readers will be pleasantly surprised at what they may have missed in the books and at what secrets Rowling has hidden for us to uncover as we revisit these stories. The professor's informal and often lighthearted discussions focus on puns, humor, foreshadowing, literary allusions, narrative techniques, and other aspects of the Potter books that are hard-to-see on the hurried first or fifth reading. Dr. Thomas's brilliant but light touch proves that a "serious" reading of literature can be fun. [recommndation]-.- "What do you read after HARRY POTTER? Finally, there's a satisfying answer - you read REPOTTING HARRY POTTER for a whole new depth of appreciation and enjoyment. This book allows anyone intimidated by literature classes to sneak a seat in a class with one of those professors every student loves. You'll come away with a new depth of knowledge of Rowling's epic but also with a list of related literature you will want to read; great insights for aspiring writers too." Connie Neal, author of THE GOSPEL ACCORDING TO HARRY POTTER

## **Repotting Harry Potter: A Professor's Book-By-Book Guide for the Serious Re-Reader**

This colorfully illustrated multicultural children's book presents a classic Balinese fairy tale—providing an entertaining look into a rich oral tradition. Featured as a "Top Pick" on TravelForKids.com, Gecko's Complaint tells the story of a Gecko who once lived on the island we now call Bali, in a jungle dense with flowers and vines. After hundreds of fireflies disturb Gecko's sleep, he complains to kindly Raden, the jungle's lion leader. In his efforts to get to the bottom of Gecko's troubles, Raden discovers all too much complaining and far too many irritable animals. Can Raden help the animals with their troubles? Can peace and happiness return to the jungles of Bali? A simple yet absolutely delightful Balinese folktale for kids, this bilingual edition, which features both English and Indonesian text, is a perfect introduction to the true spirit of Bali. The Indonesian island of Bali has a strong art and storytelling tradition—folktales that have been passed down from generation to generation. As a nation with over 18,000 islands, Indonesia has hundreds of traditional languages and cultures, each with myths and legends to tell. With its backdrop of volcanoes, earthquakes, dense jungles, diverse wildlife and people, it is not surprising that Indonesia is rich with fabulous, imaginative tales.

On June 5th, 1968, at L.A.'s Ambassador Hotel, Robert F. Kennedy celebrated his victory in the California Democratic primary with a rousing victory speech anticipating a successful run for the presidency. Moments later, gunshots shattered that dream: like his brother before him, Bobby Kennedy lay mortally wounded at the hand of an assassin. The police quickly apprehended Sirhan Sirhan, who the world believed had single-handedly masterminded the shooting. Shockingly, that may not be so, as documentary filmmaker Shane O' Sullivan presents powerful new evidence to the contrary

## **The Nature of Technology**

Some battles we choose, others choose us. The world is looking and waiting for a company of women who will rise in the midst of hard times. It would be so much easier to sit...to give in. And, yet, isn't there a part inside us all that longs to stand up and fight the battles before us? From her best-selling books, *God Chicks* and *Daily Steps for GodChicks*, Holly Wagner identified and encouraged the cultivation of aspects of the God Chick within every woman. The subject of this exciting book is the "Warrior Chick" who realizes she is destined to be an overcomer as she faces challenges, is encouraged as she realizes she is beautiful just the way she is, and is relieved as she learns how to equip herself to fight the fight. As Holly well knows from her experience as a warrior chick battling breast cancer, we aren't living in peacetime and we can either choose to be a casualty or a warrior. What's it going to be?

## **Seeds of Turmoil**

"One helluva read."—Newsweek • "Gripping."—Outside • "Spellbinding."—Associated Press • "Powerful."—New York In 1912, the *Saint Anna*, a Russian exploration vessel in search of fertile hunting grounds, was frozen into the polar ice cap, trapping her crew aboard. For nearly a year and a half, they struggled to stay alive. As all hope of rescue faded, they realized their best chance of survival might be to set out on foot, across hundreds of miles of desolate ice, with their lifeboats dragged behind them on sledges, in hope of reaching safety. Twenty of them chose to stay aboard; thirteen began the trek; of them all, only two survived. Originally published in Russia in 1917, *In the Land of White Death* was translated into English for the first time by the Modern Library to widespread critical acclaim. As well as recounting Albanov's vivid, first-person account of his ninety-day ordeal over 235 miles of frozen sea, this expanded paperback edition contains three newly discovered photographs and an extensive new Epilogue by David Roberts based on the never-before-published diary of Albanov's only fellow survivor, Alexander Konrad. As gripping as Albanov's own tale, the Epilogue sheds new light on the tragic events of 1912–1914, brings to life many of those who perished (including the infamous captain Brusilov and nurse Zhdanko, the only woman on board), and, inadvertently, reveals one new piece of information—about the identity of the

traitors who left Albanov for dead—that is absolutely shocking. “Poetic.”—The Washington Post • “A lost masterpiece.”—Booklist • “A jewel of polar literature.”—Seattle Post-Intelligencer • “Vivid . . . [a work of] terrifying beauty.”—The Boston Globe

## **Information Architecture**

A clear, in-depth biblical explanation of the origin, history, and significance of the Middle East conflict. The current conflict in the Middle East began long before the creation of the state of Israel in 1948. It originated when Abraham sinned, distorting God's promise that he and his heirs would make a great nation and inherit the land now called The Holy Land. A historical and political account, Seeds of Turmoil clearly explains the biblical story of Abraham, Sarah, and Hagar and the ensuing sibling rivalry between Jacob and Esau, whose choices formed the world's three most influential religions: Judaism, Christianity, and Islam. This fascinating insight into the beginnings of the conflict also explains what about the land is so important today. In addition, Wright sheds light on the conflicting Jewish, Christian, and Islamic perspectives and answers the question, Does God play favorites?

## **Great Formulas Explained - Physics, Mathematics, Economics**

This is book one of three. All books are full-length novels and must be read in order. All books are available now. The My Brother's Keeper Trilogy The town of Gilford has a Big and Terrible secret hidden in the ground. Infecting those it touches. Exploiting their darkness. Consuming their souls. It's hungry. It's vile. It's evil. And it wants out. Book One: The First Three Rules Marshal Jon Foster lost his purpose and his sanity the day he saw the image of his dead brother. The distraction saved Jon's life but cost the lives of innocent people including his best friend and partner. It was a price for survival Jon couldn't live with and was sure he'd never understand. Driven by grief and guilt he tried to escape his past by fleeing to a small town in the middle of nowhere. Only instead of peace, the memories festered. Then the offer of a stick of gum from a stranger changes Jon's life and puts him on a road out of the nightmare he's trapped in. Ellis Harper has lived the past twenty years isolated from the outside world and sole caretaker for his mentally disabled brother, Rudy. While Ellis loves his brother, he longs for a life he'll never be able to have. Shut away, his days consist of chores, endless cartoons, and games of Go Fish. A world that seemed to have no end until an innocent misunderstanding turns Ellis and his brother into a target for a town bully. It's a fight Ellis can never win on his own but thanks to a chance meeting with a stranger, he doesn't have to. What begins as a new journey in love for both men quickly unfolds into something neither of them could have ever imagined.
