Teacher's Guide for Changing Governments and Changing Cultures

Teacher's Guide

"We are presenting at this time guidance material in the social studies for the second semester. This material represents the minimum essentials in social studies for the elementary school, grades 1-8 inclusive. As presented, however, it represents only a very small part of all of the subject matter that rightfully belongs to the social studies, for, speaking broadly, the social studies has for its subject matter all that man has thought and done"--Introduction.2
