The Definitive Guide to Momentum Indicators

The elders could see nothing but smoke until they turned the corner onto the street where the fire was. And then, both of them stopped. "The synagogue!" Elder Thomas said. It had never occurred to him that anyone — even the Nazis — would do such a thing. Elder Thomas got his camera out. He snapped the shot but then heard someone say, in German, "What are you doing there?" He tucked the camera inside his coat, under his arm. He tried to appear normal, but his heart was suddenly beating hard. A man was crossing the narrow street and coming toward them. "Making pictures?" the man asked as he walked closer. Elder Thomas took a better look. He saw what he feared: the black uniform with silver trim and braided hat. Gestapo. Elder Alex Thomas wants only to teach the gospel to the people of Germany. But it soon becomes obvious that he will never complete his mission. War is coming, and that will affect not only Elder Thomas but also his family back home in Salt Lake City. In the family is Wally, Elder Thomas's younger brother, who usually just wants to have a good time, but lately doesn't seem to care much about anything. There's his sister Bobbi, who is supposed to marry Phil Clark, the most eligible bachelor in the Salt Lake Valley. The problem is, she can't ignore her attraction to Dr. Stinson, a University of Utah professor who's not a member of the Church. And there are Elder Thomas's parents, D. Alexander Thomas, stake president and his wife, Bea, who want their children to be true to the values and ideals they've taught them. But President

and Sister Thomas are finding they can't just tell their children what to do anymore, and they're worried about what will happen when the United States enters a war that no one seems able to stop. In *Rumors of War*, the first volume of the series *Children of the Promise*, author Dean Hughes recreates the era of World War II in stunning detail. But more than that, he shows how the war affects an ordinary family of Latter-day Saints. If you're interested in Church or world history, or if you're simply looking for a powerful LDS novel, you won't want to miss *Rumors of War*.

Poor Little Bitch Girl

Ten years ago, the United States stood at the forefront of the Internet revolution. With some of the fastest speeds and lowest prices in the world for high-speed Internet access, the nation was poised to be the global leader in the new knowledge-based economy. Today that global competitive advantage has all but vanished because of a series of government decisions and resulting monopolies that

have allowed dozens of countries, including Japan and South Korea, to pass us in both speed and price of broadband. This steady slide backward not only deprives consumers of vital services needed in a competitive employment and business market—it also threatens the economic future of the nation. This important book by leading telecommunications policy expert Susan Crawford explores why Americans are now paying much more but getting much less when it comes to high-speed Internet access. Using the 2011 merger between Comcast and NBC Universal as a lens, Crawford examines how we have created the biggest monopoly since the breakup of Standard Oil a century ago. In the clearest terms, this book explores how telecommunications monopolies have affected the daily lives of consumers and America's global economic standing.

June 23, 1997: After surviving for a remarkable twenty-two days, his widow, Betty Shabazz, dies of burns suffered in a fire. In the years between, their six daughters reach adulthood, forged by the memory of their parents’ love, the meaning of their cause, and the power of their faith. Now, at long last, one of them has recorded that tumultuous journey in an unforgettable memoir: *Growing Up X*. Born in 1962, Ilyasah was the middle child, a rambunctious livewire who fought for—and won—attention in an all-female household. She carried on the legacy of a renowned father and indomitable mother while navigating childhood and, along the way, learning to do the hustle. She was a different color from other kids at camp and yet, years later as a young woman, was not radical enough for her college classmates. Her story is, above all else, a tribute to a mother of almost unimaginable forbearance, a woman who, “from that day at the Audubon when she heard the shots and threw her body on [ours, never] stopped shielding her children.” From the Trade Paperback edition.
