Written by Sandra Rush, M.A., math test expert, author, tutor, and private test-prep coach, our test prep covers all the relevant topics, with expert score-raising strategies developed just for the FTCE Math test. Our targeted review covers the 10 competencies tested: knowledge of algebra, advanced algebra, functions, geometry, coordinate geometry, trigonometry, statistics and probability, calculus, mathematical reasoning, and instruction and assessment. End-of-chapter practice reinforces key concepts and helps you evaluate your overall understanding of the subject. An online diagnostic test pinpoints your strengths and weaknesses so you can focus your study on the topics where you need the most review. Two full-length practice tests (available in the book and online) offer realistic practice and are balanced to include every type of question and skill tested on the actual exam. Our online tests are offered in a timed format with automatic scoring and diagnostic feedback to help you zero in on the topics and types of questions that give you trouble now, so you can succeed on test day. This test prep is a must-have for teacher certification candidates in Florida! REA's book + online prep packages are teacher-recommended and are proven to be the extra support teacher candidates need to pass their challenging certification exams.
