### **Finding a Church You Can Call Home**

This step-by-step manual provides simple and proven steps to reach individual happiness even when times are challenging. (Self-Help)

### **The Mom Factor**

### **Back Owner's Manual**

Notes on South African Income Tax is published annually. Each updated section contains the current tax changes, updates and amendments and has become a vital tool in every professional's library. The book is going into its 38th Annual Edition. The book contains commentary which is not available in any other book on South African tax.

### **Current Issues in Forensic Toxicology**

Suicide among those 18-25, especially young men, has become the second largest killer in Ireland. This book examines the root causes for this dramatic increase and keys for prevention.

### **Shortcuts to Happiness**

With its vast system of enclosed docks and one and a half thousand working wharves, London was once the world's greatest port. Ships arrived from far and near, at the rate of 1,000 movements each week, requiring a workforce of 100,000. A revolution in cargo handling led to radical changes in the size and design of ships and London's port would never be the same again: most of the docks and wharves closed for business; the shipping scene moving downriver where new larger ships could berth; upriver quaysides were re-invented as locations for expensive commercial and residential

properties. This book takes the reader on a fascinating journey through a period of change from the latter years of London's docks up to the present day. With its wealth of illustrations, it demonstrates how the Port of London has re-emerged as a premier British port, equipped to handle the most sophisticated modern ship, with further expansion planned. Recent decades have been a memorable era for everyone connected with the port.

### **Cultivating Suicide?**

### **Port of London Shipping**

The book describes a wide range of unusual events, such as near-death and out-of-body experiences, dreams, encounters with angelic beings and healing, which the author has been privileged to live through.

### **Dance of the Misbegotten**

The 17 Southwest Pueblos along the Rio Grande, and in the rising mesas and bluffs to the west, have a long tradition of beautiful pottery vessels for practical and ceremonial use. In this book, more than 554 modern Southwest Pueblo potters are introduced from 102 families with 160 color photographs of them and their meticulous work. Traditional and new forms are displayed to demonstrate the evolving nature of their work. A new value reference reflects the present pottery market.

### **Pueblo Pottery Families**

From the very beginning, you relied on her for things no one else could give you. How she met those needs -- or didn't meet them -- affected you daily as a child. And still affects you profoundly as an adult. For every son or daughter who wonders if things should have been different . . . for every man or woman who wonders if they still couldn't be . . . here's a life-changing look at The Mom Factor. She shaped you in ways that would surprise you both. No one has influenced the person you are today like your mother. The way she handled your needs as a child has shaped your worldview, your relationships, your marriage, your career, your self-image -- your life. How can you identify areas that need reshaping, make positive choices for personal change, and establish a balanced, mature relationship with Mom today? In The Mom Factor, Drs. Henry Cloud and John Townsend steer you down a path of discovery and growth beyond the effects of six common mothering

styles: -The Phantom Mom -The China-Doll Mom -The Controlling Mom -The Trophy Mom -The Still-the-Boss Mom -The American-Express Mom -- Cloud and Townsend show you how your mom affected you as a child and may still be affecting you today. You'll find a hopeful, realistic, and empowering approach to identifying your unmet mothering needs and filling them in healthy, life-changing ways through other people. This encouraging book doesn't just help you understand areas in your life that need change and strengthening -- it helps you apply your discoveries to attain new freedom and joy in living, and an increased ability to give and receive love. The Mom Factor is a biblical, highly practical route to wholeness and growth, deeper and more satisfying bonds with your family, friends, and spouse -- and a new, healthier way of relating to your mother today.
