## Getting Jesus Wrong

The Bible says in Jeremiah 29:13: You will seek Me and find Me when you seek Me with all your heart. This is such a simple invitation to a relationship that will only bring life and peace into ones life. However, too many times today we find people seeking after men or women instead of the One who can supply their every need.

It is good to listen to good teaching from Gods Word but in the end, it is we who must decide for ourselves about our lives. Any other way will certainly lead us in a path away from God. He wants a personal relationship with each and every one of us. He wants to bless and deliver us from situations which are pulling us down. He wants to pick us up when we fall and restore us into a right relationship with Him. He is the God Who is more than able to supply all that we could ever ask for or desire. It is His purpose for us to realize the love He has for us above all else. Many of the things which come into our lives are of our own doing and have nothing to do with God. It is our poor choices or a wrong path that we have taken which leads us into situations which it seems that there is no deliverance from. But God is the God Who is bigger than any situation and He is more powerful than any bad choice that we have made. The only requirement is for us to trust Him and surrender all to Him. In 1 Peter 5:7 it reads: casting all your care upon Him, for He cares for you. I heard someone say once I dont know what the future holds, but I know Who holds the future. We can rest in the promises of God and learn of Him and we will have success even when it seems an impossibility for a situation to turn around. So when we seek Him, we can claim the promise in Jeremiah 29:11-13: For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope. Then you will call upon Me and go and pray to Me, and I will listen to you. And you will seek Me and find Me, when you search for Me with all your heart. So lets believe in a Father whose grace will carry us through any obstacle and lets believe in a Saviour Who wants to perform miracles the same

way He did when He walked this earth. He is as near as the mention of His Name, Jesus.

### **God Is Watching You**

The willingness to believe in some kind of payback or karma remains nearly universal. Retribution awaits those who commit bad deeds; rewards await those who do good. Johnson explores how this belief has developed over time, and how it has shaped the course of human evolution.

### **The War is Over**

### **Why Is God So Mad at Me?**

Disillusioned, disenfranchised, and disinterested in anything churchy, Susan Isaacs knew of only one thing to do when she hit spiritual rock bottom at age 40. . . . She took God to couples counseling. In this cuttingly poignant memoir, Susan Isaacs chronicles her rocky relationship with the Almighty--from early childhood to midlife crisis--and all the churches where she and God tried to make a home: Pentecostals, Slackers for Jesus, and the über-intellectuals who turned everything, including the

weekly church announcements, into a three-point sermon. Casting herself as the neglected spouse, Susan faces her inner nag and the ridiculous expectations she put on God--some her own, and some from her "crazy in-laws" at church. Originally staged as a solo show in New York and Los Angeles, ANGRY CONVERSATIONS WITH GOD is a cheeky, heartfelt memoir that, even at its most scandalous, is still an affirmation of faith.

### **Sit Down, God-- I'm Angry**

Walter Cardinal Kasper has written, "It is time, it is the right time, to speak of God." This book invites readers to use their God-given ability to work through important questions that many people have about God today: Why is God so angry in the Bible? Is the biblical God male or female (or what)? Who is Satan? Why do people suffer? By exploring the Bible's answers to these and other biblical questions, people can come to understand better their living and loving God.

### **When Narcissism Comes to Church**

Faith, it's a word that describes a belief in something that you can't truly know exists. Faith is someone standing in front of a closet telling you that there is gold inside and that you will get that gold at some point if you can just trust that it is

there. What's to stop you from looking in the closet? So many people believe that there is gold in the closet, so maybe you should too. The feeling of the possibility of getting the gold is so intense, it is just enough to make it so you don't try and peek inside the closet. The funny thing about faith is that without numbers, it wouldn't exist. Yet, your faith belongs to you; you own it in the most complete sense. It is you that owns this faith and it is you that decides what to make of it. People get mad when something makes them question their faith, yet the only one that can question your faith is you. No man, woman, movie or book can influence the decision you have to keep or discard your faith. In the end, you are the one who decides the direction of your life. This book provides a peak into the closet. It gives you the choice to either believe that you do see the gold, or to believe that there is no gold. What you decide to see and believe is ultimately up to you. This book will help you understand why there is no gold, but instead a much more magical entity. The closet in reality isn't a box but is an unending future.

### **Fences**

Discovering that God is not mad at you, but is madly, madly, madly in love with you will overwhelm your life with joy and hope.

### **How Human is God?**

We've all faced anger, sadness, frustration, confusion, disappointment, fear, or depression at some point in our lives. We know that we need to get to the root of the problem in order to fix it. But what do you do when you feel that God is the root of the problem? What do you do when you're angry with God? Psychologist Michele Novotni noticed that many of her clients who were working through their anger with people had a parallel need to work through their anger with God. Beneath the psychological issues, many of us also silently struggle with our faith. Yet, we are afraid to give voice to this anger. We're told that "good" people, "people of faith," accept what happens without asking questions. Unvoiced thoughts are forced underground, leaving us feeling disconnected from God or even flat-out angry with God -- but unable to do much about it. It's time to break the silence. This book won't try to talk you out of your anger, but it will talk you through it while presenting an image of a compassionate God who continues to love you.

### **Angry with God**

### **Paradise Lost**

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora

Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

## **the First Church of Christ Scientist and Miscellany**

Moms are under so much pressure. Pressure that weighs us down and threatens to wipe us out. Are you ready for relief? Mom Set Free will empower you to parent in the confidence of God's grace and to experience the freedom you were created for. We moms are told that we have to get it all right so our kids turn out right. We're told that their entire futures are riding on our ability to perfectly orchestrate their lives. And we're told that the strength of their faith hinges on ours. And we begin to believe that if we just try hard enough, we can actually "be enough." These impossible standards leave us stuck in worry, anger, guilt, comparison, and shame. Jeannie Cunnion gets it. And in Mom Set Free she reveals how the Good News of the Gospel empowers us to live—and parent—in the freedom for which Christ has set us free. Jeannie invites us to journey alongside her as we learn to: \* Lay down what God has not asked us to carry so we can thrive in what He has. \* Embrace our significance in our children's lives in light of God's sovereignty. \* Trust God with the children He has entrusted to us. \* Receive God's grace so we can reflect God's heart to our kids. It's time to breathe deeper, walk lighter, and reclaim the wonder and adventure of parenting.

## **Desiring God**

At the heart of our current moment lies a universal yearning, writes David Zahl, not to be happy or respected so much as enough--what religions call "righteous." To fill the void left by religion, we look to all sorts of everyday activities--from eating and parenting to dating and voting--for the identity, purpose, and meaning once provided on Sunday morning. In our striving, we are chasing a sense of enoughness. But it remains ever out of reach, and the effort and anxiety are burning us out. Seculosity takes a thoughtful yet entertaining tour of American "performancism" and its cousins, highlighting both their ingenuity and mercilessness, all while challenging the conventional narrative of religious decline. Zahl unmasks the competing pieties around which so much of our lives revolve, and he does so in a way that's at points playful, personal, and incisive. Ultimately he brings us to a fresh appreciation for the grace of God in all its countercultural wonder.

## **Their Eyes Were Watching God**

The 40th anniversary edition of the classic Newbery Medal-winning title by beloved author Katherine Paterson, with brand-new bonus materials including an author's note by Katherine herself and a foreword by New York Times bestselling author

Kate DiCamillo. Jess Aarons has been practicing all summer so he can be the fastest runner in the fifth grade. And he almost is, until the new girl in school, Leslie Burke, outpaces him. The two become fast friends and spend most days in the woods behind Leslie's house, where they invent an enchanted land called Terabithia. One morning, Leslie goes to Terabithia without Jess and a tragedy occurs. It will take the love of his family and the strength that Leslie has given him for Jess to be able to deal with his grief. *Bridge to Terabithia* was also named an ALA Notable Children's Book and has become a touchstone of children's literature, as have many of Katherine Paterson's other novels, including *The Great Gilly Hopkins* and *Jacob Have I Loved*.

### **Mad Love**

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by the author.

### **Seculosity**

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

## **Mom Set Free**

Dionysos, the God of wine and theatre has returned to his native land to take revenge on the puritanical Pentheus who refuses to recognise him of his rites. Remorselessly, savagely and with black humour, the God drives Pentheus and all the city to their shocking fate. Limelight after decades of anonymity. This version was specially commissioned by the National Theatre for a production in May 2002, directed by Sir Peter Hall and scored by Sir Harrison Birtwhistle.

## **Is God to Blame?**

When things really go wrong, what do you do with the feeling that God is to blame? A popular Coast to Coast radio host (and Episcopal clergy) provides some answers. In a first of its kind book, Ian Punnett provides a spiritual path for expressing your rawest emotions through prayer and how to rebuild a relationship with one's higher power--or anybody else in your life. In this important and practical book, Ian Punnett provides insight on feeling anger and resentment toward God and offers advice on how to deal with the pain and blame that accompanies these emotions. In a book that is edgy, timely, funny and compassionate, Punnett presents real help in everyday language for transforming the negativity of anger into a positive and useful force that will ultimately help us pray more effectively, bring us closer

to God, enhance our spiritual relationship, and change the way we live and love others. After a divorce, a broken friendship, the death of a loved one, the loss of a job or even the accumulation of all the tiny cracks in our spirit from life's disappointments, it's easy to feel pissed at God. When anger is left unchecked, it is harmful to our minds, bodies and souls. "How to Pray When You're Pissed at God is not "the last word" on angry prayer," Punnett writes, "but it might be the first words you have ever heard on the topic. By the end of the book, it is my hope that you'll understand the role of anger in our lives, the benefit of honest prayer, and the need for honest, angry prayer in the lives of the faithful and faithless." From the Hardcover edition.

### **Bacchai**

God has a bad reputation. Many think of God as wrathful and angry, smiting people right and left for no apparent reason. The Old Testament in particular seems at times to portray God as capricious and malevolent, wiping out armies and nations, punishing enemies with extreme prejudice. But wait. The story is more complicated than that. Alongside troubling passages of God's punishment and judgment are pictures of God's love, forgiveness, goodness and slowness to anger. How do we make sense of the seeming contradiction? Can God be trusted or not? David Lamb unpacks the complexity of the Old Testament to explore the character of God. He provides historical and cultural background to shed light on problematic passages

and to bring underlying themes to the fore. Without minimizing the sometimes harsh realities of the biblical record, Lamb assembles an overall portrait that gives coherence to our understanding of God in both the Old and New Testaments.

## **God Is Not Mad at You: He's Madly in Love with You**

Many people have a distorted picture of God. They see Him as mean and intolerant. That is not the God of the Bible. God is a good God who is not out to punish you. The cross was a rescue mission. God sent Jesus to save the world, not to condemn it. The Bible is not a book of rules. It is a love story written by a God who is love. He has every intention of doing good things for you. He wants you to live a rich and satisfying life. The gospel is good news. God is not mad at you; He's madly in love with you and wants to have a relationship with you.

## **Fearfully and Wonderfully**

A reader's delight, *A Scandalous Freedom* sometimes shocks with challenges to prevailing wisdom, but it follows up with compelling validations of our need to celebrate real, unstinted freedom in Christ. Christians do not trust freedom. As author Steve Brown explains in this brave new book, they prefer the security of rules and self-imposed boundaries, which they tend to inflict on other Christians.

Brown asserts that real freedom means the freedom to be wrong as well as right. Christianity often calls us to live beyond the boundaries, bolstered by the assurance that we cannot fall beyond God's love. Freedom is dangerous, but the alternative is worse—boxing ourselves up where we cannot celebrate our unique gifts and express our joy in Christ. Each of the book's eleven chapters explores a common pharisaic, freedom-stifling tendency, then opens the door to the fresh air of a remedial liberty.

### **Angry Conversations with God**

In this liberating, fresh approach to one's walk with God, Joyce Meyer tackles a hot spot in the battlefield of the mind: the fear of God's anger. When Joyce Meyer posted "God's not mad at you" on Facebook a few months ago, she didn't realize that those five words would trigger thousands of posts of gratitude and relief. She had obviously hit a hot button. Her latest book addresses the fears of those who know God loves them but still fear his anger. "Where does this concept of God come from?" she asks in the introduction. "Perhaps from an angry parent who was difficult to please. Or the pain of rejection from parents or friends who didn't know

how to give unconditional love. Perhaps it came from the church! From religious teaching that offered us rules and regulations to follow and implied that we'd be unacceptable to God if we didn't follow them." It's a paradox that isn't often discussed by Christian teachers: God loved the world so much that He gave His son to rescue mankind. Yet we tend to think of Him as a stern judge who is ready to punish us at the slightest misstep. In *GOD IS NOT MAD AT YOU*, Joyce examines the sources of this mixed message and untangles the confusion that most Christians experience. Chapter titles include: - Perfectionism and Approval - The Pain of Rejection - Guilt and Shame - Developing Your Potential - Run To God, Not From Him - Getting Comfortable with God. Joyce's latest book addresses a huge felt need that isn't often discussed within the Christian community: the need to see God as the loving parent that He is, not a petty tyrant who is ready to pounce at the first opportunity. It will disabuse readers of one of the greatest misconceptions within the church and free them to experience His love on an entirely new level.

### **God Is Not Mad at You**

God Is Not Mad at You God loves you. You may have heard it a thousand times, and it is a common theme in Christianity. But do you believe it? Many of the messages we hear every day (from both society and the church) tell you the exact opposite. As a result, millions of people from all backgrounds have bought into the idea that God is not only angry but also that He's angry with them. This belief is

damaging countless lives. In *Why Is God So Mad at Me?* Pat Schatzline sets the record straight, introducing you to a God who accepts us, transforms us, renews us, and gives us a future filled with abundant blessing and opportunity.

### **Stumbling toward Wholeness**

The Darkwar rages, bringing bleak days of destruction and despair to Midkemia and Kelewan. To save both worlds, the powerful sorcerer Pug and select members of the mysterious Conclave of Shadows must journey deep into the dangerous realm of the bloodthirsty Dasati on an audacious mission that has little, if any, chance to succeed. In Midkemia, young warriors Tad and Zane and their fellow soldiers must protect the Kingdom from raiders. And Pug's beloved wife, Miranda, finds herself a prisoner of the Dasati and, even more ominously, of Pug's nemesis, the evil sorcerer Leso Varen. But salvation may come from a friend thought long dead—an unlikely ally whose remarkable powers will be sorely needed. For there is a momentous battle looming . . . a final, fevered onslaught against the most malevolent agents of evil ever known.

### **I'm Not Mad at God**

New York Times bestselling author Lee Strobel trains his investigative sights on the

hot-button issue of whether it's credible to believe God intervenes supernaturally in people's lives today. This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today.

### **God Knows Your Story**

### **Bridge to Terabithia**

“This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives.”—Chicago Tribune Winner of the National Book Critics Circle Award, *A Lesson Before Dying* is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

### **The Rage Against God**

If you met Jesus today, and he asked, “What do you want from me?” what would you say? When Jesus asked that question long ago, he got a variety of answers. Some wanted a miracle, some a theological debate, some a sign that he was the Messiah, some wanted power, some wanted just to see him, and others wanted to get rid of him. We are much the same aren't we? We all want something from Jesus. We are just hoping for a little help to get through life—a new direction, a purpose that will get us up in the morning, an exercise plan, a way to get organized. But that approach to Jesus doesn't result in real faith or love. The real Jesus doesn't give us just a little help. He turns our world upside down. Getting Jesus right means a whole new way of thinking (the way up is down) and a whole new way of life (daily dependence on the one who knows the beginning from the end). Instead of a blueprint for living or a new workout plan, we get a rich life

where the simple truths of the gospel inform our everyday life with each other. Where we daily remember our deep need for forgiveness, the joy of being forgiven, and gradually become those who receive grace and share grace with those around us. Aimed at a young adult audience who has drifted from the church, by unpacking the ways the author got Jesus wrong, with a strong call to meet the biblical Christ. An easy-to-read introduction to the living God for those who say they have tried Christianity and it doesn't work. A call to a radical, robust discipleship based on a biblical view of who Christ is and who he calls his people to be.

### **Sinners in the Hands of an Angry God**

Many Christians continue to fight the battle--the battle of sin and judgment. They believe God is withholding His blessing because of their sin. This book will set you free from condemnation, judgment, and fear, and free you to receive the blessings of God.

### **A Scandalous Freedom**

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and

the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

### **God Is Not Mad at You**

Is God to blame? This is often the question that comes to mind when we confront real suffering in our own lives or in the lives of those we love. Pastor Gregory A. Boyd helps us deal with this question honestly and biblically, while avoiding glib answers. Writing for ordinary Christians, Boyd wrestles with a variety of answers that have been offered by theologians and pastors in the past. He finds that a fully Christian approach must keep the person and work of Jesus Christ at the very center of what we say about human suffering and God's place in it. Yet this is often just what is missing and what makes so much talk about the subject seem

inadequate and at times even misleading. What comes through in *Is God to Blame?* is a hopeful picture of a sovereign God who is relentlessly opposed to evil, who knows our sufferings and who can be trusted to bring us through them to renewed life.

### **A Lesson Before Dying**

Chuck DeGroat has been counseling pastors with Narcissistic Personality Disorder, as well as those wounded by narcissistic leaders, for over twenty years. Offering compassion and hope for both narcissists themselves and those affected by its destructive power, DeGroat takes a close look at this insidious issue and imparts wise counsel for churches looking to heal from its systemic effects.

### **Three Free Sins**

We desire to be transformed, to grow more and more like Christ. But for many of us, our strategies for change don't work. We misperceive God as a judgmental Father, leaving us demoralized and paralyzed by shame. Stumbling toward Wholeness offers a new strategy for spiritual growth and life transformation: regularly returning to the arms of a kind and loving Father. There are many books that explore the parable of the Prodigal Son, but few approach it with the personal

vulnerability and psychological insight of Andrew Bauman. Andrew shows how taking the time to identify with each of the brothers in this story can help us come to terms with our own brokenness and the need for God revealed in it. We discover a process of change that applies to each of us and a healing journey that moves us toward the likeness of the Father in how we love the people around us and address the pain others have caused us.

### **The Cure**

Paradise Lost is an epic poem in twelve books, in English heroic verse without rhyme, by John Milton (C. P. P.) and was published in 1667. The subject is the fall of man, and the expulsion from Paradise.

### **God Behaving Badly**

Hitchens describes his tumultuous journey from atheist to Christian and the moral reasoning that caused his conversion.

### **How to Pray When You're Pissed at God**

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook,

she didn't anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In GOD IS NOT MAD AT YOU, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: \* Perfectionism and Approval \* The Pain of Rejection \* Guilt and Shame \* Developing Your Potential \* Run to God, Not from Him \* Getting Comfortable with God "It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

### **Wrath of a Mad God**

From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many

Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins – not just three. Chapter one, titled “Teaching Frogs to Fly,” is even better. The gist of this chapter is that you can't teach frogs to fly, just like you can't teach people not to sin. Steve tells a story about a guy who has a frog, and he's convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls – all to the poor frog's demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

### **The Color Purple**

The human body is a window into the very structure of God's creation and a testament to God's glory. Renowned leprosy surgeon Dr. Paul Brand and bestselling writer Philip Yancey offer a new audience timeless reflections on the body in this updated and combined edition of the award-winning books *Fearfully and Wonderfully Made* and *In His Image*.

## **God Isn't Mad at You**

We are stuck in our back story and can't get out. The sins in our story condemns us. The secrets in our story shame us. God knows that today's sin has us stuck and is driven by yesterday's wound that remains unhealed.
