The Outrageous Idea of the Missional Professor

Godly wisdom and great motherly council flourished in southern households. Many of which had more than one mother living in the same house. So the senior mother was usually called "Big Mama." Bluefield, West Virginia had an exceptional big mama that everyone loved, respected, and listened to when in need of Godly advice. This book is a compilation of a tidbit of wisdom shared through stories told by my big mama to give spiritual direction to a child.

El Gran Panorama Divino (God's Big Picture)

The Seriously Silly ABC Book

The outrageous idea of this book is that God wants to use professors as professors to reach others, transform the academy, and meet the needs of the world. God is on a mission to redeem and restore this fallen world, and as members of one of the most influential institutions in society, Christian professors in the university play an important role in that mission. Becoming a missional professor will require a clear vision of God's heart for the lost as well as humankind's purpose and calling under the banner of Christ, an understanding of the significance of the university as a cultural shaping institution and mission field, and a desire for Christian wholeness in a fragmented world. This idea is outrageous because many Christian professors struggle to live missionally and need a clear vision of such a life as well as role models to lead the way. Many professors already living missional lives need encouragement to "excel still more" (1 Thess 4:10). We all need God's grace and mercy as we try to faithfully follow Christ within the university.

The Big Picture

How can the sixty-six books of the Bible have a single message for us today? What unites the vastly different accounts of God's work in the world? How do the various genres of the Bible work together? Vaughan Roberts believes that the Bible tells a single story for all time. He draws out the Bible's message of Jesus Christ and God's redemption through him in six big questions: Who rules the world? What does it mean to be human? How should we view money? Is a perfect relationship possible? How does the Holy Spirit work in the world and in our lives? What is God's plan for the world? This companion volume to Roberts's previous book, *God's Big Picture*, will not only help you answer these questions, but also give you tools to transform your own Bible study in light of the whole story of God.

40 Questions About Biblical Theology

Teodrose Fikre is a visionary author who is passionate about justice for all irrespective of our differences. Teodrose is named after and is the grandson five generations of Emperor Atse Teodrose II-the greatest king and visionary leader of Ethiopia. Teodrose writes of the hope possible in unity while addressing the very issues that lead to the scale of inequity that is pervasive in our society. Born in Ethiopia the same year Emperor Haile Selassie was overthrown in 1974, Teodrose Fikre is a prolific writer whose speech idea was incorporated into Barack Obama's South Carolina primary victory speech in 2008. A lot has changed in the intervening years, a transformation caused by the most unlikely circumstances which led to Teodrose's education of our common bonds and humanity's struggles without regard to the barriers that are erected to separate us. Teodrose's pen is poignant, writing of love and loss, injustice and resilience. Most important, Teodrose's writing is a critique of our time and a much needed focus on the issues that divide us and the core of our collective struggle that often gets blurred by manufactured outrages and stoked grievances. A must read for those who hope to

one day overcome injustice with a common purpose. Serendipity's Trace is a collection of poetry and observations that express hope through struggle and traces the experiences that have shaped Teodrose's past and present. Powerful, emotion, and raw in its eloquence, Teodrose's writing is one that speaks to our collective conscience.

In a fresh and readable style, Vaughan Roberts, issues a challenging call to Christians to live out their faith. We should be different from the world around us. Targeting difficult but crucial areas such as our attitude to money and possessions, sexuality, contentment, relativism and service, this teaching is holiness in the tradition of J.C. Ryle for the contemporary generation. Roberts helps us to consider how we are to respond biblically to the temptations and pitfalls surrounding us--giving what we cannot keep to gain what we cannot lose.

Subversive Meals examines the Lord's Supper within the sociopolitical context of first-century Roman domination, and concludes that it was an anti-imperial praxis. Although the Christian communal meal looked much like a typical Roman banquet in structure, with a deipnon and a symposion, it was essentially different. The Roman meal supported the empire's ideology, honored Caesar and the gods, reinforced stratification among the masses, and upheld Rome's right to rule the world. The Christian meal, on the other hand, included hymns that extolled Jesus as Lord, prophecies that challenged Rome's ideological claims, and letters--read aloud--that promoted egalitarianism and instructed believers on how to live according to kingdom of God principles. Hence, the Christian banquet was an act of nonviolent resistance, or what James C. Scott calls a "hidden transcript."

The Concept of God, the Origin of the World, and the Image of the Human in the World Religions

Theology disconnected from mission is not Christian theology at all. The pastors, professors, and missionaries writing *Theology and Practice of Mission* provide a clear biblical-theological framework for understanding the church's mission to the nations. Toward that goal, the book holds three major sections: God's mission, the church's mission, and the church's mission to the nations. Part one explores the canon of Christian Scripture from narrative and systematic angles, explaining how the mission of God—to redeem a people who will be a kingdom of priests to the praise of his glory, bear witness to his gospel, advance his church, and dwell with him forever on a new heaven and earth—is communicated in the Bible's four movements: Creation, Fall, Redemption, and Restoration. Part two sees the mission of God's people in the light of God's mission, emphasizing not only preaching and church planting but also gospel witness in every dimension of human culture—glorifying God in family, church, work, community, through the arts, sciences, education, business, and the public square. The writers encourage us to live missionally, leaving all of our resources at God's disposal for the sake of his kingdom. Finally, part three contends that the North American church must come to terms with its missional calling—just as international missionaries do—and gives a starting point and parameters for conceiving the church's mission to all people groups and cultural contexts. Chapters here include ones on unreached people groups, Muslims, Hindus, Buddhists, and Postmoderns.

The Big Picture Family Devotional

An accessible survey of the meaning, methodologies, themes, and applications of biblical theology To understand what the entire Bible teaches about any given subject, we must practice biblical theology. By surveying the whole canon of Scripture, we can best discern what God has revealed about any particular issue. But doing so requires answering a number of important questions: What type of biblical theology will we choose? What overall story does the Bible tell? How should we understand the relationship between the Old and New Testaments? How does our topic fit within salvation history? How do we apply the truths we discover? *40 Questions About Biblical Theology* provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology. Other vital topics the authors address include how to understand typology, key themes in biblical theology, and how Christians should relate to Old Testament promises. Ideal for courses on biblical theology, for pastors, and for anyone who teaches or interprets Scripture, *40 Questions on Biblical Theology* will deepen your understanding and application of the whole counsel of God.

Distinctives

All religions make statements about God or the Absolute and about "the beginning": about the beginning of the world and the beginning and nature of the human person. Propositions about God, the human person, and the world, statements about God's eternity or process of becoming, about the status and nature of the human person as the "image of God", and about the beginning of the world are woven into "religious speculations about the beginning". The theology, anthropology, and cosmology of the world religions determine the image of the human person and the image of the world in the world cultures shaped by the different religions. They stand in a tense relationship with the anthropologies and cosmologies of modern science, which in turn challenge the religions to deepen their image of the human person. With this volume leading thinkers of Hinduism, Buddhism, Judaism, Christianity, and Islam provide the reader with a first-hand source for understanding the five world religions and their teaching about God, the human person, and the origin of the world.

The Money Gods

Everyone faces times when it seems things could not get worse: those times when a marriage is falling apart, a job is lost, or an incurable disease. Trials can be personal, emotional, positional, and financial. They can happen to people we do not know, to people we love, and to us. There are trials that could have been prevented and there are inescapable trials over which we have no control. How can we face these trials? How can we make it through these times when there seems there is no escape? The answer is God. Author Cheryl D. Edris identifies this in each of the lessons found in Genesis in a book that is much more than a devotional. Providing readers with a practical, close-up look at principles that can be applied to everyday life and practical application of biblical history, Cheryl shares what God wants to teach his people, and how he wants to move in their lives. In a detailed account of 'God's people' this in-depth study of Genesis shows how we as children of God were shaped, formed and perpetuated. God's people have always undergone trials both big and small. In this convicting and stimulating study guide, author Cheryl Edris shows us The Inescapable Presence. Cheryl D. Edris enjoys being a wife, mother, and grandmother. She has served as a secretary/administrative assistant, youth director, Bible quiz team coach, Sunday School teacher, and musician. Cheryl and her husband, Gerald, currently reside in Marion, Indiana, where she works as a division secretary at Indiana Wesleyan University.

Put God First

“Lord, Whatever It Takes, Make Me Like You!” You long to serve God with grace and strength, to reflect Christ in every word and action. Yet you find yourself continually struggling to bring that vision to life in your daily walk. At our very core, every one of us is a “twisted sister” within whom the flesh and spirit battle constantly for control. We are afflicted with spiritual schizophrenia, the disconnect between our “good girl” desire to put Jesus first and our “bad girl” realities that crowd our thoughts and push him out of the way. In this life-changing book, Joanna Weaver, author of the perennial bestseller, *Having a Mary Heart in a Martha World*, directs your gaze past your own shortcomings to the God who stands ready, willing, and able to make a new woman out of you. She equips you with biblical insights and practical tools to partner with Christ, inviting him into the hidden places of your soul and giving him full permission to redeem and renovate. Drawing on the stories of biblical Marys and others whose experience with God transformed their lives, Joanna shows how you can find the hope, healing, wholeness, and joy your heart longs for. Having a Mary Spirit will launch you toward lasting personal transformation—soul-deep change that results in a complete makeover, from the inside out. **Includes a 12-week Bible study for both individual reflection and group discussion**

Understanding the Bible will help anyone learn how to interpret the Bible for themselves. Plummer walks the reader through improving interpretation skills, using books and tools for interpretation, and determining the meaning of a biblical text.

God's Gift by Glenn Johnson

An examination of the Hebrew Scriptures reveals the ethical situations in ancient Israel as a structural analysis, and exposes a covenantal triangle that features a dynamic of giving and receiving, taking and paying penalties, as a meme for human relationships. This can be applied to groups as well as individuals and is surprisingly applicable to life in the twenty-first century. Two senses of "Law"--natural scientific discoveries and the rules laid down by a divine creator--lead to frames for considering these covenantal relationships, and even the existence of "Sin." Are we bound to obey the rules laid down by God, or may we decide what is best for us?

Author and pastor Steve McVey has spent thousands of hours listening to and counseling women who face marriage difficulties. Many want to believe God is at work, but they don't see how. They try to change their husband, but eventually become frustrated, hopeless, or disengaged. Starting from the truth that a wife can't change her husband (or children)--only God can--Steve points women toward how God wants to change them by flooding their hearts with His generous grace so they can rest in His assurance of their worth when they feel pressured to do everything trust, not fret, when they're unsure about their husband's spiritual leadership see God's bigger picture in the struggle with a prodigal child take decisive, loving actions in a controlling or bullying relationship In these and other situations, When Wives Walk in Grace gives specific, attitude-changing steps of faith to help women rest while God does the work in their marriage.

How Cancer Saved my Life - I Spy God!

Want to expand your understanding of the Bible? Do you want to understand what God is doing? The book, God's Big Picture: An Overview of God's Developing Story answers those two questions and more. It traces God's plan that begins in Genesis

and ends in Revelation. It provides both notes and links to four corresponding videos from the 2014 Let's Know the Bible conference. Let's Know the Bible conferences exist to provide Bible teaching by leading Christian thinkers and local pastors for church leaders, churchgoers, and others so that people might learn more about God and the Bible and how to navigate everyday life more intentionally.

WOW-- the Big Picture

Biblically and practically instructs church members in ways they can labor for the health of their church. *What Is a Healthy Church Member?* takes its cue from Mark Dever's book *What Is a Healthy Church?*, which offered one definition of what a healthy church looks like biblically and historically. In this new work, pastor Thabiti Anyabwile attempts to answer the natural next question: "What does a healthy church member look like in the light of Scripture?" God intends for us to play an active and vital part in the body of Christ, the local church. He wants us to experience the local church as a home more profoundly wonderful and meaningful than any other place on earth. He intends for his churches to be healthy places and for the members of those churches to be healthy as well. This book explains how membership in the local church can produce spiritual growth in its members and how each member can contribute to the growth and health of the whole.
