## The Lost History of Liberalism

## The Wednesday Wars

Bar manager Reece Walker believes he can manage saving his bar but is not so sure about convincing his best friend Jenna Montgomery that they should be more than friends.

## **The Israel Lobby and U.S. Foreign Policy**

“J. Kenner is an exceptional storyteller. The drama, tension, and heat were perfect. It was a fantastic read!” - About That Story They’ll take any risk to get the job done. Chrismatic. Dangerous. Sexy as hell. Meet the hot, damaged heroes of the elite security agency founded by billionaire Damien Stark. “In true J. Kenner style, this book was filled with the perfect amount of deception, lies, action and angst.” - The Overflowing Bookcase This Collection includes: Shattered With You Broken With You Ruined With You Shadows of You(ashort story that is a prequel to Broken With You) SHATTERED WITH YOU The only price she won’t pay is her heart. Quincy Radcliffe has fast become a key asset at the newly formed Stark Security. A former British agent with lethal skills and criminal connections, it’s a no-brainer for him to rise through the ranks. But Quincy isn’t the man he appears to be. And one woman could expose all his secrets. Once, he worshipped Eliza Tucker. He adored her body and then broke her heart. But now she needs help, and he’s the only man that can do it. Quincy knows he must either turn his back on her or risk revealing his dark past to the one woman who can—and will—tear open his old wounds. For years, Eliza has tried to forget the man who shattered her. His smoldering good looks had drawn her in; his British charm had enchanted her. But it was the wildness of his seduction and the ferocity of his passion that captured her. She’d given herself to him—and he’d destroyed her. Now, he’s the only person who can help find her missing sister. She’ll use

him because she has to. She'll pay anything he demands, whether in the bank or the bedroom. She won't fall for him again. But what if it isn't her choice to make? **BROKEN WITH YOU** True love never fades... After surviving a troubled childhood, Denise can't believe that she's blissfully married to her partner and soulmate. She's confident that not even Mason's long-term, deep-cover assignment will shake their bond. And she certainly doesn't anticipate that when he finally walks back through her door that he'll have no memory of her, himself, or their time together... When Mason is pulled out of an operation gone bad, all he knows is what he's told — that he was a covert agent, that he has information vital to national security somewhere in his head, and that they can tell him no more for fear of burying those hard-fought secrets even further. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason's mind, it's not their past that will be tested, but the tenuous new love now burning hot between them. **RUINED WITH YOU** When her high maintenance boss is assaulted, manager Xena Morgan contacts the only person who can help—the sexy, arrogant, incredibly capable Stark Security agent Liam Foster. The former vigilante takes every case personally, and he's determined to find answers—particularly since he thought he'd cleared this threat already. Xena had been thrilled when Liam

completed his assignment, because he affected her in ways she didn't want to contemplate, awakening yearnings that threatened her deepest secrets. But now she needs him, and her body won't let her forget it. As their attraction heats to a feverish degree, the web of lies, danger, and passion they find themselves in tangles further. Liam will stop at nothing to protect his client, even if it means sacrificing everything he holds dear and exposing the secrets that may destroy him—and Xena—forever.

## **The Callendar Effect**

From the New York Times bestselling author of the beloved, million-copy selling Stark series, comes *Dirtiest Secret*, the provocative first book in the Stark S.I.N. series. For fans of *Fifty Shades of Grey*, Sylvia Day, Meredith Wild and Jodi Ellen Malpas. It was wrong for us to be together, but it was even harder to be apart. The memory of Dallas Sykes burns inside of me. Everyone knows him as a notorious playboy, a man for whom women and money are no object. But to me, he's still the one man I desperately crave - yet the one I can never have. Dallas knows me better than anyone else. We bear the same scars, the same darkness in our past. I thought I could move on by staying away, but now that we're drawn together once more, I can't fight the force of our attraction or the temptation to make him mine. We've tried to maintain control, not letting ourselves give in to desire. And for so long we've told ourselves no - but now it's finally time to say yes. ## **Introduction to Internal Combustion Engines**

The changing face of the liberal creed from the ancient world to today The Lost History of Liberalism challenges our most basic assumptions about a political creed that has become a rallying cry—and a term of derision—in today's increasingly divided public square. Taking readers from ancient Rome to today, Helena Rosenblatt traces the evolution of the words "liberal" and "liberalism," revealing the heated debates that have taken place over their meaning. She debunks the popular myth of liberalism as a uniquely Anglo-American tradition, and shows how it was only during the Cold War that it was refashioned into an American ideology focused on individual freedoms. This timely and provocative book sets the record straight on a core tenet of today's political conversation, laying the foundations for a more constructive discussion about the future of liberal democracy.

## **Middlesex**

Few can imagine a world without telephones or televisions; many depend on computers and the Internet as part of daily life. Without scientific theory, these developments would not have been possible. In this exceptionally clear and engaging introduction to philosophy of science, James Ladyman explores the philosophical questions that arise when we reflect on the nature of the scientific method and the knowledge it produces. He discusses whether fundamental philosophical questions about knowledge and reality might be answered by science, and considers in detail the debate between realists and antirealists about the extent of scientific knowledge. Along the way, central topics in philosophy of science, such as the demarcation of science from non-science, induction, confirmation and falsification, the relationship between theory and observation and relativism are all addressed. Important and complex current debates over underdetermination, inference to the best explanation and the implications of radical theory change are clarified and clearly explained for those new to the subject.

## **Understanding Philosophy of Science**

The first in an irresistible, erotic, emotionally charged romance series from New York Times bestseller, J. Kenner. Fans of E. L. James's *Fifty Shades of Grey*, Sylvia Day's *Crossfire* series and Jodi Ellen Malpas will be mesmerised by the intensely passionate story of magnetic Damien Stark and Nikki Fairchild - woman who fascinates him and to whom he makes a very indecent proposal He was the one man I couldn't avoid. And the one man I couldn't resist. Damien Stark could have his way with any woman. He was sexy, confident, and commanding: anything he wanted, he got. And what he wanted was me. Our attraction was unmistakable, almost beyond control, but as much as I ached to be his, I feared the pressures of his demands. Submitting to Damien

meant I had to bare the darkest truth about my past - and risk breaking us apart. But Damien was haunted, too. And as our passion came to obsess us both, his secrets threatened to destroy him - and us - for ever. Spellbinding romance. Electrifying passion. Why not indulge in J. Kenner Discover the whole story of Damien and Nikki's epic romance in J. Kenner's hot and addictive bestselling Stark series: Release Me, Claim Me, Complete Me, Take Me, Have Me, Play My Game, Seduce Me, Unwrap Me, Deepest Kiss, Entice Me and Anchor Me.

## **On My Knees: Stark International 2**

A 2008 Newbery Honor Book In this Newbery Honor-winning novel, Gary D. Schmidt offers an unforgettable antihero. The Wednesday Wars is a wonderfully witty and compelling story about a teenage boy's mishaps and adventures over the course of the 1967-68 school year in Long Island, New York. Meet Holling Hoodhood, a seventh-grader at Camillo Junior High, who must spend Wednesday afternoons with his teacher, Mrs. Baker, while the rest of the class has religious instruction. Mrs. Baker doesn't like Holling—he's sure of it. Why else would she make him read the plays of William Shakespeare outside class? But everyone has bigger things to worry about, like Vietnam. His father wants Holling and his sister to be on their best behavior: the success of his business depends on it. But how can Holling stay out of trouble when he has so much to contend with? A bully demanding cream puffs; angry rats; and a baseball hero signing autographs the very

same night Holling has to appear in a play in yellow tights! As fate sneaks up on him again and again, Holling finds Motivation—the Big M—in the most unexpected places and musters up the courage to embrace his destiny, in spite of himself.

## **Down on Me**

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

## **Tempting Little Tease**

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, *The Goal* is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

## **Ignited**

A couple begin a torrid love affair, despite secrets in their past that could threaten to tear them apart, in

the first installment of a new erotic trilogy by the author of Most Wanted series. Original.

### **Claim Me**

Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page" (*Entertainment Weekly*) of this edgy, haunting debut. Tense, gripping, and atmospheric, *I'm Thinking of Ending Things* pulls you in from the very first page...and never lets you go.

### **Finite Element Procedures**

His touch is her sin. Her love is his salvation. "J. Kenner knows how to deliver a tortured alpha that everyone will fall for hard. Saint is exactly the sinner I

want in my bed.” Laurelin Paige, NYT bestselling author “I went into this story thinking that J. Kenner could not create a better place than Stark World. ... But boy was I wrong. From the very first interaction with Devlin the reader becomes instantly aware of the character's power and grace. With a plot that kept on changing and an awesome connection between Ellie and Devlin, J. Kenner has once again proved her writing skills with masterful story telling.”-The Overflowing Bookcase Charismatic. Confident. Powerful. Controlling. A brilliant investor with a Midas touch, Devlin Saint turned a modest inherited fortune into billions, and now operates one of the world’s foremost international philanthropic organizations. He’s a man determined to help the underprivileged, to fight injustice, and to make the world a better place. And that, at least is true. It’s not, however, the full truth. Because Devlin Saint is a man with a dangerous secret. One he’ll do whatever it takes to protect. And when investigative reporter Ellie Holmes turns her attention to an unsolved murder, she finds herself caught in a web of intrigue and passion as Devlin draws her closer and closer. But as the intensity and sensuality of their relationship grows, so do Ellie’s suspicions. Until she is no longer certain if the heat between her and Devlin is real, or only a facade he constructed to hide his dark and twisted secrets. Don’t miss this provocative first book in a brand-new trilogy...

## **The Most Wanted Series 3-Book Bundle**

Journalist Walls grew up with parents whose ideals

and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The world of New York Times bestselling author J. Kenner is at your fingertips! This essential ebook bundle compiles three of her sensational trilogies: The Stark Trilogy, featuring Damien Stark, a powerful man who's used to getting his way; the Most Wanted series, starring a trio of captivating alpha males; and

the Stark International Trilogy, which introduces the notorious and alluring Jackson Steele. That's nine novels full of dominant bad boys, decadent seduction, and steamy thrills—as only J. Kenner could imagine them. Also includes a preview of the first book in J. Kenner's hotly anticipated new trilogy, Dirtiest Secret! The Stark Trilogy: RELEASE ME | CLAIM ME | COMPLETE ME He was the one man I couldn't avoid. And the one man I couldn't resist. Damien Stark could have his way with any woman. He was sexy, confident, and commanding: Anything he wanted, he got. And what he wanted was me. Our attraction was unmistakable, almost beyond control, but as much as I ached to be his, I feared the pressures of his demands. Submitting to Damien meant I had to bare the darkest truth about my past—and risk breaking us apart. But Damien was haunted, too. And as our passion came to obsess us both, his secrets threatened to destroy him—and us. Forever. The Most Wanted Series: WANTED | HEATED | IGNITED Three men, three seductive novels: Evan Black embodies her every fantasy: brilliant, fierce, devastatingly handsome—and burdened with secrets. But there are some temptations she just can't fight. Tyler Sharp always gets what he wants. She thought she was the one woman strong enough to resist him, but one touch and she was hooked, one night and she became his. Cole August promised to take her as far as she could go—and she wanted to go to the edge. Not many women can handle his past, but something about him beckons her to play the game of desire. The Stark International Trilogy: SAY MY NAME | ON MY KNEES | UNDER MY SKIN I never let anyone get too close—but he's the only man who's ever made me

feel alive. Meeting Jackson Steele was a shock to my senses. Confident and commanding, he could take charge of any room . . . or any woman. And Jackson wanted me. The mere sight of him took my breath away, and his touch made me break all my rules. Our bond was immediate, our passion untamed. I wanted to surrender completely to his kiss, but I couldn't risk his knowing the truth about my past. Yet Jackson carried secrets too, and in our desire we found our escape, pushing our boundaries as far as they could go. Learning to trust is never easy. In my mind, I knew I should run. But in my heart, I never felt a fire this strong—and it could either save me or scorch me forever. Praise for the novels of J. Kenner “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.”—RT Book Reviews “[An] immensely satisfying series . . . The roller coaster events of Complete Me give this novel a page-turning quality.”—Heroes and Heartbreakers “A steamy story with a dark edge. Recommended for those seeking crime drama with spice.”—Library Journal, on Heated “Red-hot and angsty . . . Kenner keeps readers guessing.”—Publishers Weekly, on Under My Skin This eBook bundle is intended for mature audiences.

### **The Outsiders**

The Israel Lobby," by John J. Mearsheimer of the University of Chicago and Stephen M. Walt of Harvard's John F. Kennedy School of Government, was

one of the most controversial articles in recent memory. Originally published in the London Review of Books in March 2006, it provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America: the impact of the Israel lobby on U.S. foreign policy. Now in a work of major importance, Mearsheimer and Walt deepen and expand their argument and confront recent developments in Lebanon and Iran. They describe the remarkable level of material and diplomatic support that the United States provides to Israel and argues that this support cannot be fully explained on either strategic or moral grounds. This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U.S. foreign policy in a pro-Israel direction. Mearsheimer and Walt provocatively contend that the lobby has a far-reaching impact on America's posture throughout the Middle East—in Iraq, Iran, Lebanon, and toward the Israeli-Palestinian conflict—and the policies it has encouraged are in neither America's national interest nor Israel's long-term interest. The lobby's influence also affects America's relationship with important allies and increases dangers that all states face from global jihadist terror. Writing in The New York Review of Books, Michael Massing declared, "Not since Foreign Affairs magazine published Samuel Huntington's 'The Clash of Civilizations?' in 1993 has an academic essay detonated with such force." The publication of The Israel Lobby and U.S. Foreign Policy is certain to widen the debate and to be one of the most talked-about books in foreign policy.

## **Heated Rivalry**

This newly reissued debut book in the Rutgers University Press Classics Imprint is the story of the search for a rocket propellant which could be trusted to take man into space. This search was a hazardous enterprise carried out by rival labs who worked against the known laws of nature, with no guarantee of success or safety. Acclaimed scientist and sci-fi author John Drury Clark writes with irreverent and eyewitness immediacy about the development of the explosive fuels strong enough to negate the relentless restraints of gravity. The resulting volume is as much a memoir as a work of history, sharing a behind-the-scenes view of an enterprise which eventually took men to the moon, missiles to the planets, and satellites to outer space. A classic work in the history of science, and described as “a good book on rocket stuff...that’s a really fun one” by SpaceX founder Elon Musk, readers will want to get their hands on this influential classic, available for the first time in decades.

## **Anchor Me**

Perfect for fans of Fifty Shades of Grey and the Crossfire series. From the New York Times bestselling author of the Stark series, the brand erotic romance trilogy of three enigmatic and powerful men, and the striking women who can bring them to their knees continues. I know better than to trust him, that I should never risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong,

good and evil, black and white - that there were some boundaries that could never be crossed. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other is too urgent to deny. One look and I'm in trouble. One touch and I'm hooked. One night and I'm his. And once I fall, there's no going back. INCLUDES, FOR THE FIRST TIME IN PRINT, THE STARK BONUS STORY, TAKE ME. Want more of J. Kenner's sizzling reads? Check out the first Most Wanted novel, Evan Black's story in Wanted and Cole August's story in Ignited. Fall in love with J. Kenner's hot and addictive bestselling Stark series charting the romance of Nikki and Damien Stark in Release Me, Claim Me, Complete Me, Take Me, Have Me, Play My Game, Seduce Me and Unwrap Me. Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of

gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world. Justly acclaimed when it was released in Fall 2002, it announces the arrival of a major writer for our times. From the Hardcover edition.

A New York Times Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about brining!)—and use a foolproof method that works every time? As Serious Eats's culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In *The Food Lab*, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more.

## **Crucial Conversations Tools for Talking When Stakes Are High, Second Edition**

NEW YORK TIMES BESTSELLER • A fast-paced eBook novella from J. Kenner following The Stark Trilogy—the bestselling novels *Release Me*, *Claim Me*, and *Complete Me*—*Take Me* continues the story of Damien Stark and Nikki Fairchild, and introduces Evan Black, the enigmatic man at the center of J. Kenner’s *Wanted*. I’ve long dreamed of my fairy tale wedding, but it wasn’t until I met Damien Stark—who captured me with his kisses and undid me with his touch—that I began to believe it was my destiny. Though we both carry secrets and scars, our shared passion heals us, binding us together. We have surrendered to each other completely, and our mutual ecstasy is the brightest light in my life. But darkness still snakes through the cracks in our armor. Ghosts from our past have moved in, bringing fresh pain that cuts deep and threatens to destroy everything we hold dear. Damien is my anchor to this world, and I am his. But if we are going to keep each other, we have to fight the shadows of our pasts to move forward into our future.

**BONUS:** This edition includes an excerpt from J. Kenner’s *Say My Name*. *Take Me* is intended for mature audiences. Praise for J. Kenner and The Stark Trilogy “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.”—RT Book Reviews “J. Kenner has written a sensually seductive storyline that catches your imagination. . . . [*Release Me*] will suck you in from the very start.”—The Reading Cafe “Sexy and exciting.”—Fresh Fiction, on

close the beaches, but people won't listen to him.

## **Take Me: A Stark Ever After Novella**

This book provides the multidisciplinary reading audience with a comprehensive state-of-the-art overview of research and innovations in the relationship between iron ores and iron ore materials. The book covers industrial sectors dealing with exploration and processing of iron ores as well as with advanced applications for iron ore materials and therefore entails a wide range of research fields including geology, exploration, beneficiation, agglomeration, reduction, smelting, and so on, thus encouraging life cycle thinking across the entire production chain. Iron remains the basis of modern civilization, and our sustainable future deeply depends upon our ability to satisfy the growing demand for iron and steel while decoupling hazardous emissions from economic growth. Therefore, environmental sustainability aspects are also broadly addressed. In response to socioeconomic and climatic challenges, the iron ore sector faces, this book delivers a vision for the new opportunities linked to deployment of the best available, innovative and breakthrough technologies as well as to advanced material applications.

## **Release Me: Stark Series Book 1**

NEW YORK TIMES BESTSELLER • From J. Kenner comes the second novel in the fast-paced trilogy that started with Release Me. This sexy, emotionally

charged romance continues the story of Damien Stark, the powerful multimillionaire who's never had to take "no" for an answer, and Nikki Fairchild, the Southern belle who only says "yes" on her own terms. For Damien, our obsession is a game. For me, it is fiercely, blindingly, real. Damien Stark's need is palpable—his need for pleasure, his need for control, his need for me. Beautiful and brilliant yet tortured at his core, he is in every way my match. I have agreed to be his alone, and now I want him to be fully mine. I want us to possess each other beyond the sweetest edge of our ecstasy, into the deepest desires of our souls. To let the fire that burns between us consume us both. But there are dark places within Damien that not even our wildest passion can touch. I yearn to know his secrets, yearn for him to surrender to me as I have surrendered to him. But our troubled pasts will either bind us close . . . or shatter us completely. NOTE: This edition includes an excerpt from J. Kenner's Say My Name. Claim Me is intended for mature audiences.

## **Ignition!**

Guy Stewart Callendar (1898–1964) is noted for identifying, in 1938, the link between the artificial production of carbon dioxide and global warming. Today this is called the "Callendar Effect." He was one of Britain's leading steam and combustion engineers, a specialist in infrared physics, author of the standard reference book on the properties of steam at high temperatures and pressures, and designer of the burners of the notable World War II airfield fog

dispersal system, FIDO. He was keenly interested in weather and climate, taking measurements so accurate that they were used to correct the official temperature records of central England and collecting a series of worldwide weather data that showed an unprecedented warming trend in the first four decades of the twentieth century. He formulated a coherent theory of infrared absorption and emission by trace gases, established the nineteenth-century background concentration of carbon dioxide, and argued that its atmospheric concentration was rising due to human activities, which was causing the climate to warm. Callendar's contributions to climatology led the way in the mid-twentieth-century transition from the traditional practice of gathering descriptive climate statistics to the new and exciting field of climate dynamics. In the first half of the twentieth century, the carbon dioxide theory of climate change had fallen out of favor with climatologists.

## **Fever 1793**

New York Times bestselling author J. Kenner follows up her breathtaking Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males—and the seductive games they play. This is the series that led RT Book Reviews to proclaim, “Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them.” Now all three installments are available in one addictive ebook bundle: WANTED He is everything I crave, all I

desperately want—and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch—the passion between us consuming us both—I know that I will never be the same. HEATED I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy, Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look and I was in trouble. One touch and I was hooked. One night and I became his. And now that I've fallen, there's no going back. IGNITED He promised to take me as far as I could go—and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was born into the grift, raised on the thrill of playing someone I'm not. As a rule, I never let anyone get too close—until Cole August makes it impossible for me to stay away. Cole is tough, sexy, and intensely loyal, yet his secrets are dark and his scars run deep. Not many women can handle his past, or the truth behind his fierce demands. But something about him beckons me—and our desire is a game I must play. I know he's dangerous, that even his touch is trouble, but what is

passion without a little risk? Praise for the Most Wanted series “Wanted is another J. Kenner masterpiece. . . . This was an intriguing look at self-discovery and forbidden love all wrapped into a neat little action suspense package. There was plenty of sexual tension and eventually action. Evan was hot, hot, hot! Together, they were combustible. But can we expect anything less from J. Kenner?”—Reading Haven “A steamy story with a dark edge. Recommended for those seeking crime drama with spice.”—Library Journal, on Heated “[Kenner’s] characters’ scorching, scandalous affair explores the very nature of attraction and desire, redeeming and changing them beyond measure.”—RT Book Reviews, on Heated “Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets. Moreover, the characters are complex, the passion is intense and the ultimate message that love can heal all is inspiring.”—The Romance Reviews (five stars) The Most Wanted series is intended for mature audiences.
