Slave and Sister

This is the second book in the Mindspeak series. An intruder has seized control of Lexi Matthew's mind, putting those closest to her in grave danger. When someone snakes into Lexi's head and threatens Jack's life at Lexi's own hand, she must quickly decide: leave Jack and the web of lies and controversial medical science behind in order to protect him, or stay and fight to regain control of her own mind but risk Jack's

life. Before Lexi can choose, she's immersed into the underground world of the International Intelligence Agency, where she discovers the realm of cloning and mind control is much larger than she and Jack ever imagined and is growing bigger and more dangerous. As the band of teenage human clones uncovers more of their supernatural abilities, a dominant force inside the IIA is at work to take over their powers. Can Lexi stop the person who has invaded her mind before the IIA captures them all, or will she sacrifice herself to save those she loves?

Darker Than You Think

Thrill Ride

The elders could see nothing but smoke until they turned the corner onto the street where the fire was. And then, both of them stopped. ?The synagogue!?

Elder Thomas said. It had never occurred to him that anyone ? even the Nazis ? would do such a thing. Elder Thomas got his camera out. He snapped the shot but then heard someone say, in German, ?What are you doing there?? He tucked the camera inside his coat, under his arm. He tried to appear normal, but his heart was suddenly beating hard. A man was crossing the narrow street and coming toward them. ?Making pictures?? the man asked as he walked closer. Elder Thomas took a better look. He saw what he feared: the black uniform with silver trim and braided hat. Gestapo. Elder Alex Thomas wants only to teach the gospel to the people of Germany. But it soon becomes obvious that he will never complete his mission. War is coming, and that will affect not only Elder Thomas but also his family back home in Salt Lake City. In the family is Wally, Elder Thomas?s younger brother, who usually just wants ot have a good time, but lately doesn?t seem to care much about anything. There?s

his sister Bobbi, who is supposed to marry Phil Clark, the most eligible bachelor in the Salt Lake Valley. The problem is, she can't ignore her attraction to Dr. Stinson, a University of Utah professor who's not a member of the Church. And there are Elder Thomas's parents, D. Alexander Thomas, stake president and his wife, Bea, who want their children to be true to the values and ideals they've taught them. But President and Sister Thomas are finding they can't just tell their children what to do anymore, and they're worried about what will happen when the United States enters a war that no one seems able to stop. In *Rumors of War*, the first volume of the series *Children of the Promise*, author Dean Hughes recreates the era of World War II in stunning detail. But more than that, he shows how the war affects an ordinary family of Latter-day Saints. If you're interested in Church or world history, or if you're simply looking for a powerful LDS novel, you won't want to miss *Rumors of War*.

Here Be Sexist Vampires

There's someone here in the Benson, someone dead, who will push the boundaries of what the duo know about ghosts and challenge Perry's very notion of the truth.

The Benson

A hundred years ago, the Minotaurs saved Caeli-Amur from conquest. Now, three very different people may hold the keys to the city's survival. Once, it is said, gods used magic to create reality, with powers that defied explanation. But the magic—or science, if one believes those who try to master the dangers of thaumaturgy—now seems more like a dream. Industrial workers for House Technis, farmers for House Arbor, and fisher folk of House Marin eke out a living and hope for a better future. But the philosopher-assassin Kata plots a betrayal that will cost the lives of godlike Minotaurs; the ambitious bureaucrat Boris Autec rises through the ranks as his private life turns to ashes; and the idealistic seditionist Maximilian hatches a mad plot to unlock the vaunted secrets of the Great Library of Caeli-Enas, drowned in the fabled city at the bottom of the sea, its strangeness visible from the skies above. In a novel of startling originality and riveting suspense, these three people, reflecting all the hopes and dreams of the ancient city, risk everything for a future that they can create only by throwing off the shackles of tradition and superstition, as their destinies collide at ground zero of a conflagration that will transform the world . . . or destroy it. *Unwrapped Sky* is a stunningly original debut by Rjurik Davidson, a young master of the New Weird. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Personally, I Blame My Fairy Godmother

With a wit as sharp as a vodka stinger and a heart as free as her spirit, Auntie Mame burst onto the literary scene in 1955--and today remains one of the most unforgettable characters in contemporary fiction.

Wildly successful when it was first published in 1955, Patrick Dennis' *Auntie Mame* sold over two million copies and stayed put on the New York Times bestseller list for 112 weeks. It was made into a play, a Broadway and a Hollywood musical, and a fabulous movie starring Rosalind Russell. Since then, Mame has taken her rightful place in the pantheon of Great and Important People as the world's most beloved, madcap, devastatingly sophisticated, and glamorous aunt. She is impossible to resist, and this hilarious story of an orphaned ten-year-old boy sent to live with his aunt is as delicious a read in the twenty-first century as it was in the 1950s. Follow the rollicking adventures of this unflappable flapper as seen through the wide eyes of her young, impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place. "Outrageous, hilarious, ribald, sophisticated, slapsatiric." *The Denver Post*

The Resistance Factor

Sam Parker is a vampire with a gift so strong and substantial that she is invited to partake in a test for a place in the Grand High Master Vampire's private army. She finds that not only has the army never included a woman, but it has never included a Sventé vampire; a breed that is regarded by the super strong Pagori breed and the hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and

offers her the position of Jared's co-commander to help train the newest squad in time for the impending attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Sventé female. Warning: This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite.

Love, Diamonds, and Spades

“Ilyasah Shabazz has written a compelling and lyrical coming-of-age story as well as a candid and heart-warming tribute to her parents. Growing Up X is destined to become a classic.” –SPIKE LEE February 21, 1965: Malcolm X is assassinated in Harlem’s Audubon Ballroom. June 23, 1997: After surviving for a remarkable twenty-two days, his widow, Betty Shabazz, dies of burns suffered in a fire. In the years between, their six daughters reach adulthood, forged by the memory of their parents’ love, the meaning of their cause, and the power of their faith. Now, at long last, one of them has recorded that tumultuous journey in an unforgettable memoir: Growing Up X. Born in 1962, Ilyasah was the middle child, a rambunctious livewire who fought for—and won—attention in an all-female household. She carried on the legacy of a renowned father and indomitable mother while navigating childhood and, along the way, learning to do the hustle. She was a different color from other kids at camp and yet, years later as a young woman, was not radical enough for her college classmates. Her story is, above all else, a tribute to a mother of almost unimaginable forbearance, a woman who, “from that day at the Audubon when she heard the shots and threw her body on [ours, never] stopped shielding her children.” From the Trade

Paperback edition.
