How to visually track an armed individual or group in a combat situation for the purposes of gaining intelligence, locating the enemy, and/or killing them
Packed with photographs and carefully crafted diagrams
A functional, readable manual for soldiers, trackers, military organizations, affiliates, and enthusiasts around the world

Intelligent Business Advanced Skills Book for Pack

Business Basics

Intelligent business

Clear, simple explanations of grammar points appropriate for lower-level learners. Straightforward practice activities based on accuracy. Authentic source material, providing contexts relevant to adult professional learners' needs. Short end-of-unit sections allowing students to personalise key grammar. Progress tests.

The business

Intelligent Business provides intensive skills-based training in Business English. The Teacher's Book is split into two sections: the first covering the Coursebook and the Workbook; and the second covering the Skills Book.

Face2face Upper Intermediate Workbook with Key

New Round Up 1

Intelligent Business Skills Book provides intensive skills-based training in executive Business English. It can be used independently from the Coursebook.

The Business

Study Less, Study Smart

Intelligent Business Coursebook

Mastering the American Accent with Downloadable Audio

CD and book designed to teach idioms and expressions used in the American business world.

Delta's Key to the TOEFL IBT

Intelligent Business uses informative and up-to-date authentic material from the Economist. It is fully benchmarked alongside the Cambridge BEC exam suite and Common European Framework

Intelligent Business

An updated edition of Oxford's best-selling business English course.

Speakout Pre-Intermediate

Intelligent Business Coursebook

With its informative and authentic material from The Economist (c), the Intelligent Business Coursebook helps students to increase their knowledge of key business concepts whilst learning English. The course can be used in preparation for exams such as BEC and BULATS.

New English File

Face2Face second edition is a fully updated and redesigned edition of this best-selling general English course for adults and young adults who want to learn quickly and effectively in today's world. Based on the communicative approach, it combines the best in current methodology with innovative new features designed to make learning and teaching easier. Vocabulary and grammar are given equal importance and there is a strong focus on listening and speaking in social situations.

Business Vocabulary in Use

Download Free Intelligent Business Intermediate Workbook

approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of downloadable audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

Longman Communication 3000

Intelligent Business Pre-Intermediate Teacher's Book

Business Result is a six-level business English course that gives students the communication skills they need for immediate use at work.

Principles Of Measurement Systems, 3/E
