In the context of the present-day religious pluralism and meeting of religions, we cannot afford to ignore the subject of religious phenomenology. Non-Christian religious traditions have confronted in their own way the problems that arise from human conditions with respect to the meaning, and goal of life. The answers to these problems given by the phenomenology of religions cannot be lightly disposed of as irrelevant to the theological reflections.

All proceeds from this book go to charity. The most important component of God's plan for humanity was the gift of His one and only son on the cross for the sins of the world. As Christians, the systematic approach we use to present this gift to the sinful world will determine the effectiveness of our role as followers of Jesus Christ. It is very easy to tell someone that Jesus died for the sins of the world but how do you bring them to that place where they can effectively see Jesus as a personal gift designed to save their soul? This book will help you understand God's unique gift and bring you to that place where you can see the world through the eyes of Jesus Christ.

Christ the light of the world

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

And, behold, I come quickly; and my reward is with me, to give to every man according as his work shall be. —Revelation 22:12 KJV Are you prepared for the return of Jesus Christ? People have talked about it, read, wrote, sung, joked, and made movies about it. In March 2006, author Sarah A. Jones heard a voice in her dream say to her, "Let your testimony be: 'Jesus Christ is Coming!' The people must be told so that they can be prepared upon His arrival." Therefore she has written this

The Gospel of Jesus Christ and Why the World Rejects It

Christianity has always been about being saved. But today what Christians need saving from most is the toxic understanding of salvation we've received through bad theology. The loudest voices in Christianity today sound exactly like the religious authorities who crucified Jesus. This is a book for Christians who are troubled by what we've become and who want Jesus to save us from the toxic behaviors and attitudes we've embraced. Each of the 12 chapters proposes an antidote for the toxicity that has infiltrated Christian culture, such as "Worship not Performance," "Temple not Program," and "Solidarity not Sanctimony." Each chapter includes thought-provoking discussion questions, perfect for individual or group study. There are many reasons to lose hope about the state of our world and our church, but Guyton offers one piece of good news: Jesus is saving the world from us, one Christian at a time.

Jesus Christ and the World of the New Testament

Jesus Christ, Word of the Father

The Second Coming of Jesus Christ

Over six thousand years ago in the regions of the third heaven, a Triune council of the Holies, the Father, Son and Holy Spirit, brought about the creation of heaven and earth and all that was created in the six days as we have record of written in the Word of God. In the likeness of the Triune God was man created, being formed from the dust of the ground. God breathed into his nostrils the breath of life and man became a living soul. God planted a garden eastward in Eden and there he put the man whom he had formed. I have not the pen or vocabulary to describe the pristine beauty that this garden entailed prior to the first footprint impressed upon this sacred garden. Then God said. "it is not good that man should be alone", and He made a help meet for him, so the first parents perfect environment of no sin, no decay; a paradise for eyes to behold. But alas, sin entered and Adam and Eve were put out of the garden and we have the fall of mankind; the fall of no hope. It had become certain that death would reign and only the Triune God had made plans for the redemption of mankind, all knowing that man would sin and fall victim to sin and that redemption plan was already decided beforehand in the regions of the third heaven long before man was created. The redemption plan was provided to come into the world as the Son of God, the hypostatic union, meaning Christ's humanity and divinity in one hypostasis, or individual existence, being born by a miraculous entry into the world. We will never understand how God and man could unite in one person. The deep things and mysteries of God are far beyond our horizon. Although He was in the likeness of men, that refers to the human nature. He was sinless and He appeared as man in looks and dress but was unlike the natural man in that sin was not an integral part in his unfallen human nature. He had to become man in order to die on the cross for you and me. But He did not diminish the Person. The two natures in Christ are not fused together, they remain distinct and different. Let me say He did not give up Deity or the use of His attributes of Deity. Read Isaiah 53:12. He poured out His soul unto death. None of Christ's divine attributes were relinquished. However, He obscured His majestic glory while embodied by the

earthly body. Recorded in the four Gospels is what we have of the life of Christ on this earth. There is no complete biography that could ever be written of the life of Christ on the earth because there are so many details not given. The four Gospels give its own emphasis of how they described the works and life of Christ. The false teachings of cults and critics and evolutionary of man becoming gods is not what our Bible says; it is opposite the false teachings. The Bible says God became man, who was Jesus Christ, both man and God.

The Scriptural Doctrine of Our Lord Jesus Christ, and the Holy Spirit, in Their Relation to God the Father

J rgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today. He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the "future in which God will restore everything . . . and gather everything into his kingdom." Urging that acknowledgment of Christ and discipleship are two sides of the same coin, Moltmann contends that the question of Jesus Christ for today is not just an intellectual one. Moltmann takes fresh approaches to a number of crucial topics: Jesus and the kingdom of God, the passion of Christ and the pain of God, Jesus as brother of the tortured, and the resurrection of Christ as hope for the world, the cosmic Christ, Jesus in Jewish- Christian dialogue, the future of God, and others.

Saviour of the World

The Second Coming of Jesus Christ is close at hand. The last 2000 years has been the Tribulation. Soon in our generation, especially in my lifetime Jesus is coming back. I met Jesus on August 10th 2012. And I have a drawing that looks like Jesus that the Lord helped me to draw. It is a copy of Adolfo Simeione's work, an artist from Italy who was born in 1880 , he drew a real picture of Jesus without knowing it. Since I met Jesus, I drew a picture of Him using Adolfo Simeiones work. THE PICTURE ON THE COVER OF THIS BOOK PROVES TO THE WORLD THAT I MET JESUS AND ALL 50 OF MY BOOKS ARE ABOUT HIM- JESUS CHRIST, THE INTERGALACTIC SUPERSTAR- THE STARCHILD. When Jesus comes back, and if He looks like the picture on the cover of this book, that would prove that I met Him personally. There is no Rapture or war before the Second Coming. Isaiah chpt 22 put a curse on the visions of the Second Coming. Read this book to see the error that Theologians have made with the help of Satan in the last 500 years. Satan has been telling people when Jesus appears, that He will be the enemy. That's Satan entire defense. He does not want people to worship Jesus when He appears. Insane Theologians have been feeding the public with the wrong gospel of a preTribulation, Midtribulation, Post tribulation web of lies. Also Satan other defense against the Church is the pedophile scandal, that Jesus warned us about in Mathew chpt 18. Also the birth of Israel in 1948 proves that this is the last generation before the end where 1/3 of the human race is "Taken" to hell (psalm 110:6, Revelation chpt 9). Jesus will appear with all of His Angels and the Saints. He will at first live in The King David Hotel in Jerusalem. The Dome on the Rock will be removed and the Angels of Jesus Christ will rebuild the new Temple .. Mother Church and Jesus Christ will rule all the nations. The Star of David on the Israeli flag is really a Crown of Thorns.

The Divinity of Our Lord and Saviour Jesus Christ

The Gospel According to Mark

Jesus Christ in World History

In this cogent volume, renowned Christian historian Martin Marty delivers a brief yet sweeping account of Christianity and how it spread from a few believers two thousand years ago to become the world's largest religion. Comprising nearly one third of the world's population—more than two billion followers—Christianity is distinctive among major faiths in that it derives both its character and its authority from the divinity of its central figure, Jesus Christ. Examining this facet of Christianity from historical and sociological viewpoints, Marty lays bare the roots of this faith, in turn chronicling its success throughout the world. Writing with great style, and providing impeccable interpretations of historical, canonical, and liturgical

documents, Marty gives readers of all faiths and levels of familiarity with Christian practices and history a highly useful and supremely accessible primer. He depicts the life of Christ and his teachings and explains how the apostles set out to spread the Gospel. With a special emphasis on global Christianity, he shows how the religion emerged from its ancestral homelands in Africa, the Levant, and Asia Minor, was imported to Europe, and then spread from there to the rest of the world, most often via trade and conquest. While giving a broad overview, Marty also focuses on specific issues, such as how Christianity struggles with the polar tensions inherent to many of the faith's denominations, and how it attempts to reconcile some of its stances on armed conflict, justice, and dominion with the teachings of Christ. The Christian World is a chronicle of one of the great belief systems and its many followers. It's a magnificent story of emperors and kings, war and geography, theology and politics, saints and sinners, and the earthly battle to save souls. Above all, it's a remarkable testament to the teachings of Christ and how his message spreads around the globe to touch human experience everywhere. From the Hardcover edition.

How Christianity Changed the World

It's no secret that the center of Christianity has shifted from the West to the global South and East. While the truths of the Christian faith are universal, new contexts bring new questions, new understandings, and new expressions. What does this mean for theology? Is the Christian faith not only culturally translatable, but also theologically translatable? Timothy Tennent answers this question with a resounding yes. Theological reflection is alive and well in the majority world church, and these new perspectives need to be heard, considered, and brought into conversation with Western theologians. Global theology can make us aware of our own blind spots and biases. Because of its largely conservative stance, global theology

has much to offer toward the revitalization of Western Christianity. Tennent examines traditional theological categories in conversation with theologians from across the globe, making this volume valuable for students, pastors, missionaries, and theologians alike.
