## Energy and the Community

Can a bold-faced lie lead to everlasting love? One by one, the impetuous heroines in the Wicked Deceptions series intend to find out, each in her unique way. . . How to seduce an estranged husband--and banish debt!--in four wickedly improper,

shockingly pleasurable steps 1. Learn the most intimate secrets of London's leading courtesan. 2. Pretend to be a courtesan yourself, using the name Juliet Leighton. 3. Travel to Venice and locate said husband. 4. Seduce husband, conceive an heir, and voila, your future is secure! For Julia, the Duchess of Colton, such a ruse promises to be foolproof. After all, her husband has not bothered to lay eyes on her in eight years, since their hasty wedding day when she was only sixteen. But what begins as a tempestuous flirtation escalates into full-blown passion--and the feeling is mutual! Could the man the Courtesan Duchess married actually turn out to be the love of her life?

### **The Wheat Rusts — Breeding for Resistance**

In this collection of interviews with American Christian poets, published on the web by Church of England Newspaper, London, the ongoing series represented here includes Susan Wheeler, Philip Kolin, and Peter Cole, among others. Though a Christian collection, the secular Jewish poet and translator of note Peter Cole is included. Susan Wheeler teaches at Princeton, and Philip Kolin at University of Southern Mississippi. Each was interviewed in this ongoing series, still going on, by Religion Writer Peter Menkin. This is a living series. Philip Kolin has once again heard the whisper of God's word with the ear of his heart and given poetic expression to the timeless value of that word. From: Interview: Christian poet Philip Kolin of Mississippi, USA lives his faith, telling readers here of his work everything you ever wanted to know Just this transpired. Against a tree I swooned and fell, and water seeped into my shoe, and a dream began to grow in me. Or despair, and so I chose the dream. And while I slept, I was being fed, and clothed, addressed as though awake with every faculty, and so it went. Then: blaze, blare of sun after years

uncounted, and synesthesia of it and sound, the junco's chirp and then the jay's torn caw Susan Wheeler From: Interview: Poet Susan Wheeler of New York City and Princeton University The mystic, poet, secular Jewish married man of letters who is a scholar is reticent to use the word "God" in an interview, and even reticent to admit to a belief in the Almighty. Yet this religious and spiritual scholar and poet has a recent book of translations of works from the Kabbalah in the book titled The Poetry of Kabbalah: Mystical Verse from the Jewish Tradition. This ancient discipline of understanding the Almighty in the Jewish tradition is a mystical and mysterious exercise in religious practice that continues into our own day this 21st Century. Peter Cole From: Interview: Peter Cole, Jewish poet/translator gives his stark answers to questions in this ongoing series

But everything came crashing down a few hours later when his dad married my mom, making family dinners a whole lot more complicated. Someone pass the booze, please.

### **To Marry a Texas Outlaw**

The idea for this book was conceived by the late Dr. Irvine A. Watson of the University of Sydney, and he developed the first outline. I was then invited by Dr. Watson to share in its writing. Unfortunately, shortly there after, recurring heart problems forced him to curtail his activities and with draw from the project. He died before the book could be completed. Dr. Watson's intention was to produce a very practical book that would provide wheat breeders with all of the information necessary to breed success fully for resistance to the three wheat rusts: leaf rust, stem rust, and yellow rust. It was intended to be very specific in describing procedures to be used and at the same time provide all of the necessary theoretical background. I hope that I have been successful in meeting these objectives. The book assumes that the reader has some knowledge of plant pathology, genetics, and plant breeding. Extensive use has been made of the literature, but it was not possible to cite all of the papers on a given topic. In making a choice, an attempt was made to choose key papers or more recent papers that provided references to the earlier literature. Acknowledgements This book was written partly at the University of Saskatchewan and partly at the University of California, Davis, while I was on a sabbatical leave.

Despite the advent of digital technology and tools (mobile phones, computers, tablets) which can be used for writing, books and paper have never lost their allure, appeal, value and importance in the changing environment that we live in. There is no feeling like writing down your thoughts, reflections and meditations in a journal or diary. There is a uniqueness that comes from brainstorming and sound boarding using a notepad to jot down your inner most feelings and aspirations. There is a special art that comes from doodling and scribbling freely and abundantly. Young children who have not learnt to use digital tools, can still be given paper and pen to play and learn. A diary and journal is still a special gift for a loved one, friends and family. Sometimes it's much quicker and faster to jot down points in a note book and journal during a church sermon, a conference or meeting. If you pray daily, getting your prayers into a journal or diary can be a helpful way to grow closer to Jesus and to monitor your progress. In life there is so much to be grateful for. Gratitude is an attitude that offers healing and growth. A gratitude journal can help you write down the things you are thankful for so that you keep growing and your life is filled with positivity. If you suffer from anxiety or depression, writing can help to provide therapy for tumultuous thoughts as it

provides an outlet and thus ways of healing. This beautiful, writing journal and diary is perfect and great for recording, writing, taking notes and memos during conferences, business meetings, meditations, school, church sermons, speaker events, sermons on podcasts and online, during bible study and teachings. The smooth journal pages make the book friendly for everyone (Men, Women, Girls, Boys) and they make for a great and unique gift you can give to family, friends, children and neighbors of any age and during any occasion. The journal is light enough for you to carry conveniently and comfortably in a backpack, purse or bag to conference meetings, school, church, business meetings, travels, holidays or anywhere. This gorgeous writing journal features great artwork on an alluring background. The interior pages are creatively designed with black and white paper. The notebook is a paperback printed by Amazon publishing in industry standard size.
