## **A Living Gospel**

## **Life with God**

Explains the purpose of the Holy Spirit in a Christian's life as a guide, friend, and comforter.

## **Reading the Bible Supernaturally**

Stephen Nichols wants to help readers experience the Bible more fully. He writes: "We have been given a book that is unlike any other book in human history, a book that transcends all human wisdom, insight, and expertise. We have been given the Word of God, the words of eternal life. And we, all of us, are invited to take up and read these words." Welcome to the Story teaches believers not only how to read the Bible, but how to read it in such a way that it permeates their lives—reading, loving, and living God's Word. Discussion includes an explanation of the four "chapters" of the biblical narrative—creation, fall, redemption, and restoration—guidelines on how to interpret Scripture, why we're to love God's Word, and how we're to live and proclaim the story in word, deed, and mission. This practical guide to reading the Bible is a great resource for young and new believers and those wanting to get more out of God's Word.

## **The Life God Wants You to Have**

Too often, our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment. But what if we approached the Bible differently, and instead of transforming the text to meet our needs, allowed it to transform us? That's exactly the idea behind Life with God, Richard J. Foster's much-anticipated book on the Bible. Foster, bestselling author of Celebration of Discipline and general editor of The RenovarÉ Spiritual Formation Bible, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible is all about human life "with God." As we read Scripture, we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed. By opening our whole selves—mind, body, spirit, thoughts, behavior, and will—to the page before us, we begin to grasp all the Bible has to teach about prayer, obedience, compassion, virtue, and grace and apply it to our everyday lives to achieve a deeper relationship with God. With a wealth of examples and simple yet crucial insights, Life with God is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation, revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge, literary appreciation, or religious instruction.

## **Walk With Gods' Word Personal Journal**

'There is a dreamer in every soul. He knows the mind of God concerning our lives. He is the hand of God that writes our lives stories. What is your life story? Do you know the script you ought to play? There is a story teller in your heart. He whispers at night in your deep sleep. He will tell you the secret to the dream of your life. Can you see him while you are awake? Can you hear him in your intuition? He walks in your soul day and night. He never ceases to ask you the same question: 'Where is the Soul I have been sent to help'? In Secrets to Divine Manifestations, Alain Yaovi M. Dagba guides the reader in a spiritual adventure that leads to self-awareness. He emphasized that to be aware of our 'self' is to be aware of the presence of God in us, and fully accept our true divine identity. He shows in his writing that, by simply uncovering what we really are, we are able to overcome anything, any form of 'evil, ' even the most predicted threatening events of our time. His teachings are centered on the belief that, by learning to easily tap into the life of our divine nature, we can change our consciousness, thus positively affect the vibration of our planet, while reaching perfect peace and happiness. In this noble adventure of discovering the divinity in the core of our being, we come to know our individual life purpose and are healed from our past wounds. In a word, we are born anew to become a fragrance of hope for our loved ones and those around us.

## **Doing Time with God: Stories of Healing and Hope in Our Prisons**

### **A Praying Life**

Dr. John Gerard Gallucci believes true healing occurs by allowing the energy of God and the Holy Spirit to run through him and into those to be healed. In his pediatric surgery practice, he heals through the Holy Spirit every day. In My Life with God, he presents a compilation of against-all-odds spiritually and metaphysically-based true stories that demonstrate how God and the spirit move in and work through our lives. Gallucci offers a supernatural journey of healing the heart, mind, body, and soul. He shares the essence of what it means to live and work in a spiritual-metaphysical world of healing while rendering gold standard surgical care to premature infants, babies, and children. Each true story illustrates what can be accomplished by allowing God's river of love and light to flow regardless of how difficult some challenges may seem or how improbable finding a silver lining on the darkest cloud may appear. In My Life with God, Gallucci shows how if you see others with the eyes of your heart and offer them love and compassion, you will render true healing.

## **Creating a Life with God**

This is Ruth Burrow's autobiography - the account of a life empty of outward incident after her early years, but rich with her own spiritual growth. She writes of the Christian's relationship with others and with God, of prayer, of the life of the Spirit. She presents these ideals in no abstract way, but in the intimately personal terms of one individual's - her own - struggle to live them to the full--Back cover.

## **The God Focused Life**

This text charts new territory not only with its casual, conversation-style of writing, but also with the profundity and in-depth explanations of how the Law of Attraction actually works, why it sometimes appears not to work, and how every single subject in our lives all relates back to one simple subject - love.

## **I Have Walked With the Living God**

Reading Through Matthew, Encountering God is the first book by William Burch. He was born in North Hollywood, California in 1971, the second of 2 sons born to James and Rosa Burch. In 1977, the Burch family moved to Daleville, Alabama where the author grew up and later attended Auburn University in Auburn, Alabama. William served in the Unites States Army before moving to Texas and completing his Bachelor Degree at the University of North Texas in Denton, Texas. The author went on to attend Southwestern Baptist Theological Seminary in Fort Worth, Texas completing a Master of Divinity Degree. William has served in a number of churches as a teacher, lay leader, and staff member. This book fulfills his long held desire and passion for writing. In the future, the author envisions continuing his ministry in both writing and church ministry. God teaches and speaks to people through the Bible. This book will teach and inspire Christians to read the Bible and respond with their lives. In Reading Through Matthew, Encountering God, I demonstrate my method of Bible reading, journaling, and prayer. This Dynamic Bible Reading, as I call it, involves reading a small Bible passage and journaling the believer's interaction with that passage through three distinct sections; (1) Scripture Insight: the meaning of the passage, (2) Application: how to apply the meaning to life, and (3) Prayer: seeking God's guidance in living out what the passage teaches. To best draw the meaning of Scripture into our lives, we must read it, work through its meaning, and begin to practice it in life. This book helps to develop these skills. Once gained, I hope each reader will pass this book on to someone else who might benefit from it.

## **Cultivating a Life for God**

Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

## **Life Lessons and Human Emotions from God's Great Blessings and Tests of Faith**

Does it take a miracle to read the Bible? God wrote a book, and its pages are full of his glory. But we cannot see his beauty on our own, with mere human eyes. In Reading the Bible Supernaturally, John Piper aims to show us how God works through his written Word when we pursue the natural act of reading the Bible, so that we experience his sightgiving power—a power that extends beyond the words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something miraculous happens: we are given eyes to behold the glory of the living God.

## **God's Wisdom for Navigating Life**

In his latest work, Robert Ellsberg, author of many acclaimed works on the saints, looks on the "living gospel" that is written in human lives. From biographical reflections on traditional saints and spiritual masters (including Dorothy Day, Henri Nouwen, Thomas Merton, Flannery O'Connor, and Oscar Romero), he reflects on what it means to read the spiritual text that is written in such lives. From that, we learn to read our own lives in the same light.

## **Welcome to the Story**

Before Martha started this book, she felt that her writing was self-therapeutic for her struggles. After she wrote about her experiences in college and all of the lessons that she learned, she wanted to share them with others who were facing similar hardships. This book is a collection of Martha's experiences and observations from childhood until her first year after college graduation. It contains life lessons and personal opinions on controversial topics, such as relationships, sex, religion, pop culture, and human values. The pieces are not in chronological order. They vary according to Martha's mentality when she wrote them. The biggest message that she wants her readers to get out of this book is that life can be really hard, but the challenges ultimately lead to strength, humility, and a greater appreciation for every blessing.

## **My Life with God**

Many people are longing to find the footprint of God in their daily lives. This beautiful daily companion is comprised of 365 selections of scripture, commentary, meditations, and daily exercises to help readers see how they can bring their entire life into a life with Immanuel - a God who is with his people. In Richard Foster's best-selling book, Celebration of Discipline, he explored the "classic disciplines," or central spiritual practices of the Christian faith. Foster showed that it is only by and through these practices that the true path to spiritual growth can be found. In A Year with God, the spiritual disciplines are presented in such a way that does not destroy the soul but enables the reader to enter into a transforming life with God. Through daily spiritual exercises and meditations, A Year with God explores eighteen spiritual disciplines. The inward disciplines of meditation, prayer, fasting, and study offer avenues of personal examination and change. The outward disciplines of simplicity, solitude, submission, and service help prepare one to make the world a better place. The corporate disciplines of confession, worship, guidance, and celebration bring one nearer to others and to God. Each discipline will be given twenty days of readings, beginning with scripture and followed by commentary, a meditation, and a spiritual exercise. Practicing these spiritual disciplines will help readers live intentionally, contributing to a more balanced spiritual life and a reformation of the inner self.

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX),

except for two Esdras from the Latin Vulgate.

## **The God I Never Knew**

More than 300,000 copies sold! “This book will be like having the breath of God at your back. Let it lift you to new hope.” —Dan B. Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical “prayer cards”—a hallmark of the teaching found in *A Praying Life*—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has disciplined thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

## **The Life of God in the Soul of Man**

A New York Times Notable Book of 2017 Louise Erdrich, the New York Times bestselling, National Book Award-winning author of *LaRose* and *The Round House*, paints a startling portrait of a young woman fighting for her life and her unborn child against oppressive forces that manifest in the wake of a cataclysmic event. The world as we know it is ending. Evolution has reversed itself, affecting every living creature on earth. Science cannot stop the world from running backwards, as woman after woman gives birth to infants that appear to be primitive species of humans. Twenty-six-year-old Cedar Hawk Songmaker, adopted daughter of a pair of big-hearted, open-minded Minneapolis liberals, is as disturbed and uncertain as the rest of America around her. But for Cedar, this change is profound and deeply personal. She is four months pregnant. Though she wants to tell the adoptive parents who raised her from infancy, Cedar first feels compelled to find her birth mother, Mary Potts, an Ojibwe living on the reservation, to understand both her and her baby’s origins. As Cedar goes back to her own biological beginnings, society around her begins to disintegrate, fueled by a swelling panic about the end of humanity. There are rumors of martial law, of Congress confining pregnant women. Of a registry, and rewards for those who turn these wanted women in. Flickering through the chaos are signs of increasing repression: a shaken Cedar witnesses a family wrenched apart when police violently drag a mother from her husband and child in a parking lot. The streets of her neighborhood have been renamed with Bible verses. A stranger answers the phone when she calls her adoptive parents, who have vanished without a trace. It will take all Cedar has to avoid the prying eyes of potential informants and keep her

baby safe. A chilling dystopian novel both provocative and prescient, *Future Home of the Living God* is a startlingly original work from one of our most acclaimed writers: a moving meditation on female agency, self-determination, biology, and natural rights that speaks to the troubling changes of our time.

## **Love, Life, God**

Meditations on Life and Living Born Out of Love for God are basic but simple testimonials in story format with Scripture as the catalyst and theme for their birth. How many times have you sat alone somewhere just reflecting on the simplicity of life how blessed you are, from where you came compared to where you are now. Author, Elois Wilform-Malcolm, brings these everyday things to life. It will seem as though you are right there by her side, witnessing what she does in her own mind, seeing, feeling, understanding her point of view as she correlates biblical Scriptures into her reflections and how your understanding of Scripture can be a driving force for your own life. Meditations on Life and Living Born Out of Love for God will allow you to relive your past, reflect on the glory of your present and marvel at your future when you realize the joy, happiness, contentment and peace of mind you attain through a life with God. You will see where you were before salvation, understand who you are in your salvation and strive to be even better through salvation. You will see how Scriptures are being brought to “light” through everyday life situations. Wait till you read catchy titles such as: *Throw Down Your Rocks*, *The Fragrance of Christ*, or *Wake Up Everybody*. You will find excitement in the directions each testimonial meditation will take you. Reading these meditation will bring about purpose for studying the Bible, which is not to know the Bible but to know God. The Bible is not a book of rules but a book of principles which are clearly and simply brought out through these meditations. We get to know God through His Word, His spirit, our experiences and through prayer. May you be blessed!!

## **Reading Through Matthew, Encountering God**

Christians resolved to study the Bible more fervently often struggle to grasp the progression of Scripture as a whole, instead encountering various passages each week through unrelated readings, studies, and sermons. But once they see the Bible as a Great Story, they begin to see how their own lives fit into what God has done and is doing in the world. New Testament scholar J. Scott Duvall and Old Testament expert J. Daniel Hays wrote *Living God's Word* to help Christians consider how their lives can be integrated into the story of the Bible, thus enabling them to live faithfully in deep and important ways. They survey the entire Bible through broad themes that trace the progression of God's redemptive plan. Each section deals with a certain portion of Scripture's story and includes reading/listening preparation, explanation, summary, observations about theological significance, connections to the Great Story, and written assignments for further study. These features—combined with the authors' engaging style—make *Living God's Word* an ideal introductory college

text, Sunday school elective, or small group study.

## **Future Home of the Living God**

Saved or searching, we all need to be reminded of God's interest in us individually and His love for us personally. That's where your story comes in. Stories of how God reaches into our lives today with love, grace, strength, healing, and hope remind us that He is alive and powerful-and that He still wants all people to know Him. But maybe you've been a Christian since childhood and you think your faith story isn't all that exciting. Or maybe you feel like your story is too personal to share. Or perhaps you just don't know exactly what to say or where to begin. That's where "GET PERSONAL: The Importance of Sharing Your Faith Story" comes in. This little book offers guidance on how to put what matters most into words that encourage others and glorify God. You have a story to share that could help someone better understand who Jesus is and how knowing Him makes a difference. Are you willing to share it? In GET PERSONAL, you'll learn: - Why we must share our faith stories. - What your personal faith stories are. - How to share your stories more effectively and without sounding preachy, religious or just plain weird. - That you can be respectful of someone else's worldview without wavering on your own.

At a time when popular atheism books are talking about the irrationality of believing in God, Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus, the Son.

## **Living By the Book**

A simple and sustainable path to a deep and satisfying walk with Christ There are thousands of how-to books for improving various areas of life—self, relationships, finances, fitness, business, marriage, family. And there are nearly as many books written for believers offering a framework for the “right” approach to a new life in God. What if it were possible, Pastor Stovall Weems asks, to boil it all down to one practical, un-complicated principle that would yield the vibrant, purposeful spiritual life so many are looking for? What if, in our relationship with God, we had one simple and sustainable touch point to experience a deep and satisfying walk with Christ? In *The God-First Life*, Weems shows that true success in our walk with God and in life in general is not an issue of need, but an issue of order. Brilliantly unpacking the simple Scripture in Matthew 6:33, Weems gives a fresh and practical perspective on what Christian “discipleship” is about. Bringing clarity, depth, and simplicity, Pastor Weems makes clear core truths that have been misunderstood by many Christians and non-Christians alike.

## **Before the Living God**

A basic guide to discerning the will of God. "How do I know what God's will is for my life?" It is perhaps the most common question asked by Christians today. Dr. Bill Thrasher has provided a basic guide to the fundamentals of seeking God's will in *Living the Life God Has Planned*. Thrasher teaches readers that they must first seek to know God on a more intimate level before His will becomes more apparent to them. Readers of all maturity levels will appreciate the simplicity and practical nature of this product.

## **The Purpose Driven Life**

Much of what happens in our lives is not what we planned, not what we expected, and certainly not what we would have

chosen. At a young age, Jaci Velasquez's singing career rocketed to stardom, and her marriage thrived—then both suddenly crashed. Losing her reputation, her record label, and even some of her most-treasured relationships, Jaci began a long, healing journey from thinking of herself not as a Christian music darling or a broken young woman but as a beloved child of God. Today, her renewed faith carries her through a resurrected career, the adventures of a second marriage, and the ups-and-downs of being a mother of a child who has autism. When God Rescripts Your Life is Jaci's exploration of the lessons she's learned living a story full of mistakes and grace, rejection and contentment, worldly success and spiritual rest. Drawing on lessons from biblical characters such as Aaron, Joseph, and Paul, as well as from illustrations from her own life, Jaci reminds us how God loves to rewrite pain and weakness into a glorious tale of redemption. The most difficult parts of life don't need to be removed; they need to be rescripted.

## **A Life God Rewards**

In this book, you're going to discover that God's son Jesus revealed a direct link between what you do today and what you will experience after you die. Astoundingly, the majority of spiritual seekers around the world -- including millions who follow Jesus -- seem to have missed what He said. Could you be one? If so, your picture of the future is missing about a billion stars. Author Bruce Wilkinson shows you what Jesus said about God's plan to reward you in eternity for what you do for Him today. What you'll discover will unlock the mystery of God's power, plan and will for your life. And you'll begin to live with the unshakable certainty that what you do today matters forever!

Discover the compassion that comes from heaven and can be experienced in a Life Transformation Group (LTG). You may never be the same again "The Life Transformation Group system is a grass roots tool for growth. Through this simple system the most essential elements of vital spiritual ministry are released to common Christians without the need for specialized training. It taps the disciple's internal motivation and provides the support needed to grow in the essentials of a spiritual life. The LTG empowers the common Christian to do the uncommon work of reproductive discipling." (page 63) "In my years of ministry, I have not found any method that produces such powerful results in fulfilling the Great Commission. I personally plan on using this system for the rest of my life to make as many disciples of the kingdom as I can before Christ calls me home " - Neil Cole (page 89) - See more at: <http://www.cmaresources.org/cultivating-a-life-for-god>
