Merchant of Venice. Midsummer Night's Dream. Love's labor's lost

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Much Ado about Nothing

Classic light comedy, fully sustained in the spirit of the plays of this genre. As is characteristic of the dramaturgy of this epoch, the obviousness of the incipient intrigue does not spoil the general charm of the play at all, and the onslaught of free irony and elegant juggling with words and meanings delivers true enjoyment. The plot tells about the creation of a union of two pairs, very different from each other. The wedding of the first couple has already been discussed, and preparations are underway. The second couple still does not even realize that a sharp reversal of fate will happen soon.

The Comedies

The comedy of the Merchant of Venice, together with the prose narrative of the play from Lamb's Tales from Shakespeare, with notes

Concise Oxford Dictionary of Quotations

Based on the 7th ed. of the Oxford dictionary of quotations. Includes extensive coverage of literary and historical quotations and contains up-to-date material from today's influential literary and cultural figures. Includes 1,000 new quotes in

No Fear Shakespeare

The Comedy of Errors

Shakspeare's comedy of the Merchant of Venice: with intr. remarks and notes, adapted for scholastic or private study by J. Hunter

The Jew of Malta

The Merchant of Venice (part 1).

The Merchant of Venice

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of

Shylock.

A Seven Year Cycle Reading Plan is a booklist compiled of hundreds of books from each era in history organized into categories of interest. This volume also includes copious room for you to add your own favorite titles!

Beautiful Stories from Shakespeare

Merchant of Venice (Folger Ed.)

Man Booker Prize-winner Howard Jacobson brings his singular brilliance to this modern re-imagining of one of Shakespeare's most unforgettable characters: Shylock Winter, a cemetery, Shylock. In this provocative and profound interpretation of The Merchant of Venice, Shylock is juxtaposed against his present-day counterpart in the character of art dealer and conflicted father Simon Strulovitch. With characteristic irony, Jacobson presents Shylock as a man of incisive wit and passion, concerned still with questions of identity, parenthood, anti-Semitism and revenge. While Strulovitch struggles to reconcile himself to his daughter Beatrice's "betrayal" of her family and heritage—as she is carried away by the excitement of Manchester high society, and into the arms of a footballer notorious for giving a Nazi salute on the field—Shylock alternates grief for his beloved wife with rage against his own daughter's rejection of her Jewish upbringing. Culminating in a shocking twist on Shylock's demand for the infamous pound of flesh, Jacobson's insightful retelling examines contemporary, acutely relevant questions of Jewish identity while maintaining a poignant sympathy for its characters and a genuine spiritual kinship with its antecedent—a drama which Jacobson himself considers to be "the most troubling of Shakespeare's plays for anyone, but, for an English novelist who happens to be Jewish, also the most challenging."

The Merchant of Venice

Presents the story of Antonio who risks his life to borrow money from his enemy, Shylock, and is saved by Portia, an heiress posing as a lawyer

Shakespeare's Merchant of Venice

Using selected passages from the "No Fear Shakespeare" translations, offers an introduction to the life and works of William Shakespeare and includes a brief biography, a portrait of life in sixteenth century England, and an overview of Shakespearian-eratheater.

Sonnets

Examines the themes, characters, critical reception, performance history, and language of the play.

The Most Excellent Historie of the Merchant of Venice. Abbreviated and Adapted for Social Reading in Parts by the Swanswick Shakespeare Circle, and Edited by J. Earle

The Merchant of Venice

Shakespeare's Play of The Merchant of Venice

Prejudice, the intricacies of Mediterranean politics, and Machiavellian strategy abound in this masterpiece of Elizabethan theater, in which the main character schemes to cling to his wealth, his status, and his daughter.

A Seven Year Cycle Reading Plan

Shakespeare's two Venetian plays are dominated by the discourse of embarrassment. The Merchant of Venice is a comedy of embarrassment, and Othello is a tragedy of embarrassment. This nomenclature is admittedly anachronistic, because the term "embarrassment" didn't enter the language until the late seventeenth century. To embarrass is to make someone feel awkward or uncomfortable, humiliated or ashamed. Such feelings may respond to specific acts of criticism, blame, or accusation. "To embarrass" is literally to "embar": to put up a barrier or deny access. The bar of embarrassment may be raised by unpleasant experiences. It may also be raised when people are denied access to things, persons, and states of being they desire or to which they feel entitled. The Venetian plays represent embarrassment not merely as a condition but as a weapon and as the wound the weapon inflicts. Characters in The Merchant of Venice and Othello devote their energies to embarrassing one another. But even when the weapon is sheathed, it makes its presence felt, as when Desdemona means to praise Othello and express her love for him: "I saw Othello's visage in his mind" (1.3.253). This suggests, among other things, that she didn't see it in his face.

The Complete Works of Shakespeare

Lively, instructive access to Shakespeare's rich and complex works.

Measure for Measure

Shylock Is My Name

In The Merchant of Venice, the path to marriage is hazardous. To win Portia, Bassanio must pass a test prescribed by her father's will, choosing correctly among three caskets or chests. If he fails, he may never marry at all. Bassanio and Portia also face a magnificent villain, the loan shark Shylock. In creating Shylock, William Shakespeare seems to have shared in a widespread prejudice against Jews. Shylock would have been regarded as a villain because he was a Jew. Yet he gives such powerful expression to his alienation due to the hatred around him that, in many productions, he emerges as the hero. Portia is most remembered for her disguise as a lawyer, Balthazar, especially the speech in which she urges Shylock to show mercy that "droppeth as the gentle rain from heaven." The Merchant of Venice is an intriguing drama of love, greed, and revenge.
