Internationally celebrated author Almudena Grandes has produced her finest work yet with *The Wind from the East*, a blend of two narratives set alternately in Madrid and an Andalusian town by the sea. Sara Gómez Morales, given up at birth to be raised by her wealthy godmother, is betrayed on her sixteenth birthday when she is forced to leave her godmother's home and return to live in poverty with her estranged parents. Tortured by resentment and the loneliness of belonging to neither place, she finds solace as an adult only when she moves to the coastal town. Parallel to Sara's story is the story of Juan and Damian Olmedo, brothers in

love with the same woman. One night an argument incited by jealousy leads Damian to stumble down a flight of stairs and fall to his death. Suspected of murdering his younger brother, Juan flees to the same village that served as Sara's escape. Deftly engaging, *The Wind from the East* is an epic tale of love and redemption. Almudena Grandes' writing has been compared to the work of classic and contemporary voices such as the Brontë sisters and Isabel Allende.

## **Christ Versus Arizona**

On November 17, 1901, Mexico City police raided a private party and arrested 41 men, half of whom were dressed as women. Clandestine transvestite balls were not unheard of at this time, and a raid would not normally gain national attention. However, Mexican cultural trends in literature, art, the sciences, and in journalism were inciting an atmosphere of sexual curiosity that was in search of the right turn of events to ignite a discursive explosion and focus interest on what was not a new phenomenon, but what was about to become a new concept: homosexuality. The editors treat the "nefarious" ball as a cultural event in itself and have assembled pictures, including the famous engravings by Posada, and have translated part of an historical novel about the event. At the same time, they uncover the underworld in Mexico City with essays on prison conditions, criminology, mental health discourse, and working class masculinities to create a rare and comprehensive slice of Mexican history at the turn of the century.

*Al mal tiempo, sevillanas* está dedicado al cante por sevillanas y su aportación al mercado discográfico y a la cultura musical andaluza y española. Es el fruto de más de siete años de recopilación, clasificación y archivo de documentos. Un libro

para perpetuar la memoria y obra de cientos de autores, compositores, músicos e intérpretes que pusieron su talento y su tiempo en pos del engrandecimiento de las coplas hechas sevillanas y una herramienta útil para cualquier profesional que o aficionado que pretenda recabar información sobre este género. Es también mi grito de guerra desde que comencé a difundir el género por las distintas emisoras de radio en las que he colaborado y colaboro. Un compendio de los últimos 60 años (1960-2020) de la historia de la música por sevillanas, desde los Hermanos Toronjo que grabaron en los años 60 hasta Relente que lo han hecho en 2020, desde los Choqueros hasta Almorada, o desde los Giraldillos al grupo Melhaza.

### **La luna roja**

Hi, my name is Christopher, and this is my story, maybe It's just like yours, or maybe it isn't. We might not have anything in common, but, we may be very similar and have questions without answers. I'm sure we are both constatly hunted by our past. Although we may not, I don't think I'm like you, my shy friend, invisible in the crowd, addicted to be an addict. In the end, it doesn't matter whom I look like, or who I truly am. What you have in your hands is my journal and it is welcoming you to live inside of a "MAYBE," and to fall in love as much as to end up ignoring it. Life introduced her to me, to show me my desire of living through her eyes. Everything started in May, but I can't tell you what day is today. I'd like to welcome you to my life, filled with excess and fun. I invite you to a world merged with crisis, and to a life filled with music, concerts and poetry.

### **Antigua and My Life Before**

Over the last 30 years there has been a substantial increase in the study of the history of translation. Both well-known and lesser-known specialists in translation studies have worked tirelessly to give the history of translation its rightful place. Clearly, progress has been made, and the history of translation has become a viable independent research area. This book aims at claiming such autonomy for the field with a renewed vigour. It seeks to explore issues related to methodology as well as a variety of discourses on history with a view to laying the groundwork for new avenues, new models, new methods. It aspires to challenge existing theoretical and ideological frameworks. It looks toward the future of history. It is an attempt to address shortcomings that have prevented translation history from reaching its full disciplinary potential. From microhistory, archaeology, periodization, to issues of subjectivity and postmodernism, methodological lacunae are being filled. Contributors to this volume go far beyond the text to uncover the role translation has played in many different times and settings such as Europe, Africa, Latin America, the Middle-east and Asia from the 6th century to the 20th. These contributions, which deal variously with the discourses on methodology and history, recast the discipline of translation history in a new light and pave the way to the future of research and teaching in the field.

After they break up, in spite of Montse's pregnancy, Santiago decides to spend his military service as far away from her as possible: in the Western Sahara, Spain's

only African colony. There, he is one of the few Spanish soldiers to befriend the local Saharawi people, quickly falling in love with their customs and culture. But the year is 1975 and the colony will not last much longer. Following the death of General Franco and the Spanish withdrawal, Santiago becomes caught up in the brutal war between the Saharawi and invading Moroccan forces. He is entrusted with escorting a Saharawi friend's family on an epic journey, hundreds of miles across the desert. Thirty years later, Montse, now a divorced doctor living in Barcelona, sees a photo of Santiago carried by a Saharawi patient. After discovering that he did not die in 1975 as she had been told and that he, like her, has lost both a child and a partner, she sets out to find him amongst the refugee camps of the Western Sahara, a journey that will prove to be every bit as dangerous as Santiago's so many years before.

Christ versus Arizona turns on the events in 1881 that surrounded the shootout at the OK Corral, where Wyatt Earp, Doc Holliday, and Virgil and Morgan Earp fought the Clantons and the McLaurys. Set against a backdrop of an Arizona influenced by the Mexican Revolution and the westward expansion of the United States, the story is a bravura performance by the 1989 Nobel Prize-winning author. A monologue by the nave, unreliable, and uneducated Wendell L. Espana, the book weaves

together hundreds of characters and a torrent of interconnected anecdotes, some true, some fabricated. Wendell's story is a document of the vast array of ills that welcomed the dawning of the twentieth century, ills that continue to shape our world in the new millennium. "Cela prefers the weird, the apparently meaningless and the amorphous. The world of his novels has been likened to that of Hieronymus Bosch and Brueghel; he sees man as a prisoner in a forbidding universe where chaos and imperfection always defeat the idealist." Paul West "Cela is a restless spirit. In him is united a marked fondness for experiment with a provocative attitude. At the same time he can be included in an old Spanish tradition of hilarious grotesqueness which is often the other side of despair. Compassion for man's hopeless suffering is there, but tightly controlled." 1989 Nobel prize for Literature Press Release "One of the most gifted and powerful writers in contemporary Europe." «Quiero que cuenten todo. Quiero que se sepa la verdad y que cada uno reciba su premio o su castigo.» Una novela sobre secretos y pasiones, sobre el amor por los libros, por las historias y por contarlas. Las vidas paralelas de un escritor, Emin Kemal, y su traductor, frustrado por su falta de talento literario. Y en el centro, una mujer ambiciosa a cuyo alrededor giran los dos hombres incapaces de escapar del círculo. Un autor turco en el declive de su carrera muere en extrañas circunstancias. Su traductor al castellano se verá envuelto en la muerte del escritor y en una trama que lo obligará a destapar su propio pasado y el de Emin Kemal en Estambul. En la atmósfera de confusión flota la presencia oscura de Derya, esposa y amante. Un conmovedor viaje por el tiempo, por paisajes y personajes que nos resultan cercanos y exóticos a la vez gracias a la habilidad narrativa de Luis Leante, Premio Alfaguara de Novela. La Luna Roja es un minucioso juego de espejos, un inquietante relato sobre la identidad y la literatura como parte de la vida.

Old Pig and Granddaughter have lived together for a long, long time. They share everything, including the chores, until the day when Old Pig does not get up as usual for breakfast. Calmly she pays her bills and puts her affairs in order. Then she takes Granddaughter on a last, long walk - looking and listening, smelling and tasting. Old Pig and Granddaughter say goodbye to each other in the best way they know. 'One of the truly great picture books.' Margaret Dunkle, Australian Bookseller and Publisher 'This heartbreaking, gentle, perfectly indirect story about the last days on earth of an elderly pig offers a better introduction to the fact and poetry of mortality than many a more studied attempt.' Adam Gopnik, The New Yorker 'Wild's poignant story about the death of Old Pig is full of warmth and, yes, joy.' Publishers Weekly 'Beautiful in its simplicity, this captures the essence of a life; and children, even little ones, cannot help but feel the love that infuses it.' Ilene Cooper, Booklist 'A poignant but sidelong look at death - about as far from the didactic tomes as one can get.' Kirkus Reviews 'A tender meditation on the death and the appreciation of love and life that deserves to become recognised as a modern classic.' Josefa Ferrer, a famous Chilean singer and star, awakens one morning to read in the Santiago newspaper that her best friend, Violeta, has been involved in a brutal act of violence. Overwhelmed with regret and plagued with guilt for not having foreseen the tragedy, Josefa feels compelled to tell Violeta's life story--one marked

by lost ideals, disillusionment, and grief--which is ultimately Josefa's story, too. Through the interwoven lives of these two women, Marcela Serrano explores how the demands of a woman's role as mother, wife, lover, and friend are frequently at odds with her own dreams and aspirations, and how easily the fragile bonds of friendship and family can be strained to the breaking point. For Josefa and Violeta, it is only in Antigua, under the watchful eyes of "the others"--a chorus of female ancestral spirits who testify to the women's defining moments of strength and courage--that Josefa and Violeta will discover that even in the aftermath of violence and betrayal they have control over their destinies and their redemption. Exquisitely crafted and written in beautiful, lyrical prose, Marcela Serrano's unforgettable novel about friendship, forgiveness, and second chances speaks to every woman who has experienced the wrenching divide between professional ambition and family responsibility, who has been torn between the excitement of illicit passion and the security of marriage, who has craved the thrill of success while yearning for solitude in an often chaotic, invasive world.

## **Four Seasons of Love**

(abridged and revised) This reference grammar offers intermediate and advanced students a reasonably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries, and it is set fair to overtake English by the year 2000 in numbers of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the Nuevas normas de prosodia y ortografia, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

Unable to pass up the chance at a new life, Samuel starts down a path of lies until he can no longer distinguish between real and invented.

## **The Heart Has Its Reasons**

“Juan Gómez-Jurado has created a true masterpiece. The Moses Expedition is a brilliant thriller—sharp, suspenseful, and engrossing” (Brad Thor, author of Code of Conduct). After fifty years in hiding, the Nazi war criminal known as the Butcher of Spiegelgrund has finally been tracked down by Father Anthony Fowler, a CIA operative and a member of the Vatican’s secret service. He wants something from the Butcher—a candle covered in filigree gold that was stolen from a Jewish family many years before. But it isn’t the gold Fowler is after. As Fowler holds a flame to the wax, the missing fragment of an ancient map that uncovers the location of the Ten Commandments given to Moses is revealed. Soon Fowler is involved in an expedition to Jordan set up by a reclusive billionaire. But there is a traitor in the group who has ties to terrorist organizations back in the United States, and who is patiently awaiting the moment to strike. From wartime Vienna to terrorist cells in New York and a lost valley in Jordan, The Moses Expedition is a thrilling read about a quest for power and the secrets of an ancient world.

### **Landscape of Farewell**

Declared “a writer to watch” (Publishers Weekly, starred review), New York Times bestselling author María Dueñas pours heart and soul into this story of a woman who discovers the power of second chances. A talented college professor in Madrid, Blanca Perea seems to have it all. But her world is suddenly shattered when her husband of twenty years leaves her for another woman. Questioning the life she once had and whether she truly knows herself, Blanca resolves to change her surroundings. She accepts what looks like a boring research grant in California involving an exiled Spanish writer who died decades ago. Anxious to leave her own troubled life behind, she is gradually drawn into his haunted world, with its poignant loves and unfulfilled ambitions. But in delving into the past, Blanca finds herself simultaneously awakened to the present by Daniel Carter, a charismatic professor with crucial knowledge about the dead writer that he has never before revealed. Amid this web of passion, conflict, and hidden feelings, including her own, Blanca advances like an avid detective, refusing to quit, and ultimately discovers startling answers that resonate deeply in her own life. Evocative, lyrical, and humorous, The Heart Has Its Reasons is a journey of the soul from the pangs of the past to the vibrant present. It is a story about the thrill of creating one’s life anew.
