on active service in the Second World War, fighting in places as remote as Ceylon, Africa, Madagascar, Yugoslavia and Albania. Major events in which they participated also included the sinking of the Ark Royal off Gibraltar, the Allied landings at Salerno and the liberation of Sicily and Italy. A final chapter puts their wartime service into the context of their later lives. The Pilot And The Commando is much more, however, than just a stirring commemoration of bravery in action. Both David and Jos were committed Christians, and the book (much helped by the use of diaries and letters) has as its central theme the testing and strengthening of their faith through times of deep adversity. Writing of his experiences soon after the war, Jos Nicholl concluded: "I have found that Jesus Christ provides the inspiration for every possible occasion or need. He can act as guide and helper and comforter, but primarily He can be the driving force in a life that is devoted to Him, and with this compelling power behind them it becomes true in practice that 'the people that do know their God shall be strong and do exploits'" These words find complete exemplification in The Pilot And The Commando. David and Jos's story is both uplifting and challenging.
