Trading In Danger

"Scarlett Bernard knows about personal space: step within ten feet of her, and any supernatural spells or demonic forces are instantly defused—vampires and werewolves become human again, and witches can't get out so much as a "hocus pocus." This special skill makes her a null and very valuable to Los Angeles's three most powerful magical communities, who utilize her ability to scrub crime scenes clean of all traces of the paranormal to keep humanity, and the LAPD, in the dark. But one night Scarlett's late arrival to a grisly murder scene reveals her agenda and ends with LAPD's Jesse Cruz tracking her down to strike a deal: he'll keep quiet about the undead underworld if she helps solve the case. Their pact doesn't sit well with Dash, the city's chief bloodsucker, who fears his whole vampire empire is at stake. And when clues start to point to Scarlett, it'll take more than her unique powers to catch the real killer and clear her name."--Publisher's website.

Bonds of Brass

I'm Jaz Parks. My boss is Vayl, born in Romania in 1744. Died there too, at the hand of his vampire wife, Liliana. But that's ancient history. For the moment Vayl works for the C.I.A. doing what he does best--assassination. And I help. You could say I'm an Assistant Assassin. But then I'd have to kick your ass. Vayl and I have to take out a Miami plastic surgeon with ties to terrorism. But the assignment gets complicated when it turns out he's in cahoots with a supernatural nasty powerful

enough to bring America to her knees.

An Evening for Vayl and Jaz

Cursed to live among mortals, Cassiel, a once powerful Djinn, finds refuge among the Weather Wardens until she encounters an evil force that threatens the family she has become closest to, forcing her to realize that her perceived human weaknesses may be her greatest strengths. Original.

Blue-Blooded Vamp

Jaz Parks here. I. Am. Pissed. Just as Vayl and I arrive in Morocco to secure an ancient artifact, he wakes up calling me by another woman's name. And it's not even a good one. But since any form of argument transforms him into an unholy terror, I'm forced to play along until the gang and I can figure out what kind of power has so vastly altered his perceptions. So it's time for me to do what any well-trained assassin in my position might do. I attack. What follows is a hair-raising, breath-taking bullet train ride to the finish as the crew battles on multiple fronts. I now know what I have to do - I must return to hell one last time.

Bitten to Death

In this short story, told from each character's perspective, Vayl and Jaz spend a romantic evening together. This story takes place after the events of Bitten to Death. Word count: ~5,500

Once Bitten, Twice Shy

I have two choices. Carve Brude's name into Hell's bile-encrusted gates. Or lose my soul. After an assassination attempt on Vayl, I find myself pulled into a tangled web that takes the gang to Romania. So how will I save a ghost, rescue a demon, and cheat the Great Taker out of a soul he's slaving for while defeating my nastiest foe yet so that Vayl can, at last, cherish a few precious years with his sons? With careful planning, major violence, and one (hopefully) final trip to Hell.

Carniepunk

Quitting her husband's house and moving back in with her horrible family, Lady Maccon becomes the scandal of the London season in the third book of the NYT bestselling Parasol Protectorate series. Queen Victoria dismisses her from the Shadow Council, and the only person who can explain anything, Lord Akeldama, unexpectedly leaves town. To top it all off, Alexia is attacked by homicidal mechanical ladybugs, indicating, as only ladybugs can, the fact that all of London's vampires are now very much interested in seeing Alexia quite thoroughly dead. While Lord Maccon elects to get progressively more inebriated and Professor Lyall desperately tries to hold the Woolsey werewolf pack together, Alexia flees England for Italy in search of the mysterious Templars. Only they know enough about the preternatural to explain her increasingly inconvenient condition, but they may be worse than the vampires -- and they're armed with pesto!--EndFragment--

Last Blood

Jaz Parks here. But I'm not alone. I'm hearing voices in my head - and they're not mine. The problem, or maybe the solution, is work. And the job's a stinker this time -- killing the gnomes that are threatening to topple NASA's Australian-based space complex. Yeah, I know. Vayl and I should still be able to kick this one in our sleep. Except that Hell has thrown up a demon named Kyphas to knock us off track. And damn is she indestructible!

Bitten in Two

It's Jaz Parks. I've already smoked the guy who was the pain in the CIA's you-know-what for the past few years. But now, in the power vacuum left by the death of Edward "The Raptor" Samos, a struggle for supremacy has begun between his former allies. The CIA feels the balance must be maintained. So when an agent planted among the Weres discovers a plot to assassinate the Coven's leader, my vampire boss and I are brought in to take out the woman hired to do the deed, a killer who might be as wily and Gifted as ourselves. So it's off to the Scottish Highlands for some twisted fun among murderers, demons and half-crazed relatives. Sometimes being a top-secret CIA assassin isn't all it's cracked up to be.

Once Bitten, Twice Shy

I'm Lucille Robinson (aka Jaz Parks). This is a mission unlike anything my vampire

boss, Vayl, and I have ever been on. It's not our usual take-them-out-and-run; it's an undercover mission that needs the whole gang: a psychic, an interpreter, and a weapons specialist. We've never gone in with such heavy artillery before, but the more the merrier, right? Umnope. At least not since Vayl and I learned part of our job is to ferret out a mole concealed in our unit. To add to our problems, we're being harried by a pack of reavers bent on revenge, and targeted by a Seer who wants to share Vayl's power - at any cost. This is going to be a blast.

I will bear witness

Jaz Parks here. My latest mission has taken me to the ancient Greek city of Patras; but instead of soaking up its splendor, I'm here to infiltrate a Vampere Trust. Only two vamps have ever escaped the tightly bound communities and lived to tell the tale: Edward "The Raptor" Samos, the most reviled criminal mastermind in recent memory, and Vayl, the CIA's number one assassin, who also happens to be my boss. The Raptor is trying to take over Vayl's former Trust. Unfortunately, the Trust's new leader has her own plans. This job is going to be the death of me.

Can a self-serving thief and an idealistic swordsman survive long enough to unravel the first part of an ancient mystery that has toppled kings and destroyed empires? And so begins the first tale of treachery and adventure, sword fighting and magic, myth and legend. When author Michael J. Sullivan self-published the first books of his Riyria Revelations, they rapidly became ebook bestsellers. Undone

The sequel to Red-Headed Stepchild from USA Today Bestselling author Jaye Wells Sabina Kane doesn't have the best track record when it comes to family. After all, her own grandmother, the leader of the vampire race, just tried to kill her. On top of that, the Hekate Council wants to use her as a pawn in the brewing war against the vampires. Her mission will take her into the bowels of New York's Black Light district, entangles her in mage politics, and challenges her beliefs about the race she was raised to distrust. And Sabina thought vampires were bloodthirsty.

The Deadliest Bite

I'm Jaz Parks. CIA assassin. Black belt. Belly dancer at the Corpus Christi Winter Festival. The last is cover for my latest mission: retrieve a vital piece of biotechnology by killing the maniac who stole it. He's Chien-Lung, an obsessive vamp who's invulnerable while wearing his armor - which is constantly. Then there are the reavers, ancient fiends who murder innocents and eat their souls. Only I can sense them. So it's not long before they'll want me dead, dead, dead.

Bite Marks

I have two choices. Carve Brude's name into Hell's bile-encrusted gates. Or lose my soul. After an assassination attempt on Vayl, I find myself pulled into a tangled web that takes the gang to Romania. So how will I save a ghost, rescue a demon, and cheat the Great Taker out of a soul he's slaving for while defeating my nastiest foe yet so that Vayl can, at last, cherish a few precious years with his sons? The Mage in Black

An uneasy truce exists between the thanes of the True Bloods. Now, as another winter approaches, the armies of the Black Road march south, from their exile beyond the Vale of Stones. For some, war will bring a swift and violent death. Others will not hear the clash of swords or see the corpses strewn over the fields. Instead, they will see an opportunity to advance their own ambitions. But soon, all will fall under the shadow that is descending. For while the storm of battle rages, one man is following a path that will awaken a terrible power in him -- and his legacy will be written in blood.

Red-Headed Stepchild

Vayl is the CIA's top assassin. A master of black ops, he has never failed. He's also a 291-year-old vampire. Assigned to protect Vayl, if such a formidable creature can be said to require protection, is Jasmine Parks - 'Jaz' to her friends. But Jaz has got problems - and not just the run-of-the-mill ones you'd expect from someone whose job consists of putting her life on the line for an undead assassin. She hasn't had

sex in god knows how long, so Vayl's almost overpowering vampire charisma is making it increasingly difficult for her to keep their relationship . . . professional. Her personal life is a long line of missed birthdays and Christmases, and lies and excuses to her family. And then there's that other thing: the blackouts. See, there's times that Jaz can't account for and things that happen in those times that Vayl - not to mention the CIA - may not appreciate. And if they find out, Jasmine knows it won't just be her contract that's terminated . . .

Biting the Bullet

The Daughters of Zeus, Book One "Persephone is a fun, imaginative, smart retelling of my favorite myth, fusing modern culture with a rich world of magic." Amazon Top Reviewer, Molly Ringle, Author of Persephone's Orchard. One day Persephone is an ordinary high school junior working at her mom's flower shop in Athens, Georgia. The next she's fighting off Boreas, the brutal god of Winter, and learning that she's a bonafide goddess--a rare daughter of the now-dead Zeus. Her goddess mom whisks her off to the Underworld to hide until Spring. There she finds herself under the protection of handsome Hades, the god of the dead, and she's automatically married to him. It's the only way he can keep her safe. Older, wiser, and far more powerful than she, Hades isn't interested in becoming her lover, at least not anytime soon. But every time he rescues her from another of Boreas' schemes, they fall in love a little more. Will Hades ever admit his feelings for her? Can she escape the grasp of the god of Winter's minions? The Underworld is a very nice place, but is it worth giving up her life in the realm of the living? Her goddess powers are developing some serious, kick-butt potential. She's going to fight back. "I enjoyed Hades and Persephone's sweet romantic relationship. Persephone has her flaws, but she is likable and learns along the way. The author's writing is descriptive and entertaining. I am looking forward to the next book." Rebecca Foote @ Paranormal Muse "Everyone needs to check this book out, I can't rave enough about it, Bevis is definitely a new talent to keep an eye out for. I give this 5/5." Sarah Brown @ Head Stuck in a Book "I found this book to be a fun and fast-paced adventure through Greek mythology with a modern twist."
