Originally published in single magazine form as Ghosted #11-15.

### **Outcast**

Welcome to the Meld, an inhospitable dimension in time where Joshua, a chrononaut, finds himself trapped. With no memory or feedback from the team of scientists that sent him, he can't count on anything but his heart and a stranger's voice to guide him to his destiny. This book collects issues #1-#5 of the thrilling time-traveling adventures created and beautifully rendered by acclaimed artist Rafael Albuquerque (American Vampire) and expertly cowritten by Mike Johnson (Supergirl). "Rafa's art in this series looks unlike anything else on the stands, and he's bringing a level of visual invention to the story that is stunning. We really want to give readers a setting and characters they've never seen before, and we hope this is just the start of the stories that can be told in this world." - Co-writer Mike Johnson on Ei8ht

happening in this small town that has created so many serial killers? The worst and most infamous being Edward Charles Warren the Nailbiter! JOSHUA WILLIAMSON and MIKE HENDERSON deliver a mystery that mixes Twin Peaks with the horror of Se7en! Collects NAILBITER #11-20, plus never-before-collected bonus features including sketches, a process section, the original pitch, and script pages.

### **Nailbiter: the Deluxe Murder Edition**

In *Dark Mirror*, Sara Lipton offers a fascinating examination of the emergence of anti-Semitic iconography in the Middle Ages. The straggly beard, the hooked nose, the bag of coins, and gaudy apparel—the religious artists of medieval Christendom had no shortage of virulent symbols for identifying Jews. Yet, hateful as these depictions were, the story they tell is not as simple as it first appears. Drawing on a wide range of primary sources, Lipton argues that these visual stereotypes were neither an inevitable outgrowth of Christian theology nor a simple reflection of medieval prejudices. Instead, she maps out the complex relationship between medieval Christians' religious ideas, social experience, and developing artistic practices that drove their depiction of Jews from benign, if exoticized, figures connoting ancient wisdom to increasingly vicious portrayals inspired by (and designed to provoke) fear and hostility. At the heart of this lushly illustrated and meticulously researched work are questions that have occupied scholars for ages—why did Jews become such powerful and poisonous symbols in medieval

art? Why were Jews associated with certain objects, symbols, actions, and deficiencies? And what were the effects of such portrayals—not only in medieval society, but throughout Western history? What we find is that the image of the Jew in medieval art was not a portrait of actual neighbors or even imagined others, but a cloudy glass into which Christendom gazed to find a distorted, phantasmagoric rendering of itself.
