In a country of junk-filled attics, yard sales, and flea markets frequented by millions of Antiques Roadshow viewers hoping to uncover a grungy chest of drawers worth millions, the Keno twins have become the Siskel and Ebert of antiques. Dapper, witty, and in their early forties (with nearly 60 years of combined experience between them), they symbolize the union of amateur enthusiasm and acute professionalism that has made their television program a cultural phenomenon. Now, in this fascinating collection of tales of their personal adventures hunting -- and discovering -- priceless "junk" (including some notable Roadshow success stories), readers will learn how to see the extraordinary in the mundane. "Hidden Treasures" is part history lesson and part treasure map for finding valuable

antiques where they would be least expected.

Hidden Treasures

“Fear is the most fertile ground for faith.” “You will be called Anippe, daughter of the Nile. Do you like it?” Without waiting for a reply, she pulls me into her squishy, round tummy for a hug. I'm trying not to cry. Pharaoh's daughters don't cry. When we make our way down the tiled hall, I try to stop at ummi Kiya's chamber. I know her spirit has flown yet I long for one more moment. Amenia pushes me past so I keep walking and don't look back. Like the waters of the Nile, I will flow. Anippe has grown up in the shadows of Egypt's good god Pharaoh, aware that Anubis, god of the afterlife, may take her or her siblings at any moment. She watched him snatch her mother and infant brother during childbirth, a moment which awakens in her a terrible dread of ever bearing a child. Now she is to become the bride of Sebak, a kind but quick-tempered Captain of Pharaoh Tut's army. In order to provide Sebak the heir he deserves and yet protect herself from the underworld gods, Anippe must launch a series of deceptions, even involving the Hebrew midwives—women ordered by Tut to drown the sons of their own people in the

Nile. When she finds a baby floating in a basket on the great river, Anippe believes Egypt's gods have answered her pleas, entrenching her more deeply in deception and placing her and her son Mehy, whom handmaiden Miriam calls Moses, in mortal danger. As bloodshed and savage politics shift the balance of power in Egypt, the gods reveal their fickle natures and Anippe wonders if her son, a boy of Hebrew blood, could one day become king. Or does the god of her Hebrew servants, the one they call El Shaddai, have a different plan—for them all?

and a pearl of unmatched value, and He instructs us to sell all we have in this world to purchase the field and the pearl. God provides us with a map to His Kingdom treasures in Scripture. Through parables and other teachings, and through the example of His life, Jesus reveals the nature, qualities, characteristics, and locus of His great treasures. This book draws on all the resources in Scripture to create a treasure map - a guide to seeking the Kingdom of God. As you read, you are taken on a quest to find your true identity, to reclaim your authority, to experience His indwelling Spirit more fully, to better understand and receive His protection, to celebrate your sanctification, to receive God's wisdom, to delight in the true freedom of His love, and to live in the Kingdom of God now. I pray, at the end of this quest, fear and shame will no longer dictate your choices, and you will find yourself more intimately connected to Jesus, more aware of who you are in Christ, more grounded and strengthened to stand in His authority, more confident in your position as heir to His Kingdom, and more certain of His love for you. If you follow the treasure map, you will be well on your way in your quest to seek the Kingdom life.

Dupe - The House of Dies Drear Summary & Study Guide | Virginia Hamilton

A spellbinding new novel of contraband masterpieces, tragic love, and the unexpected legacies of forgotten crimes, Ayelet Waldman's *Love and Treasure* weaves a tale around the fascinating, true history of the Hungarian Gold Train in the Second World War. In 1945 on the outskirts of Salzburg, victorious American soldiers capture a train filled with unspeakable riches: piles of fine gold watches; mountains of fur coats; crates filled with wedding rings, silver picture frames, family heirlooms, and Shabbat candlesticks passed down through generations. Jack Wiseman, a tough, smart New York Jew, is the lieutenant charged with guarding this treasure—a responsibility that grows more complicated when he meets Ilona, a fierce, beautiful Hungarian who has lost everything in the ravages of the Holocaust. Seventy years later, amid the shadowy world of art dealers who profit off the sins of previous generations, Jack gives a necklace to his granddaughter, Natalie Stein, and charges her with searching for an unknown woman—a woman whose portrait and fate come to haunt Natalie, a woman whose secret may help Natalie to understand the guilt her grandfather will take to his grave and to find a way out of the mess she has made of her own life. A story of brilliantly drawn characters—a suave and shady art historian, a delusive and infatuated Freudian, a family of singing circus dwarfs fallen into the clutches of Josef Mengele, and

desperate lovers facing choices that will tear them apart—Love and Treasure is Ayelet Waldman’s finest novel to date: a sad, funny, richly detailed work that poses hard questions about the value of precious things in a time when life itself has no value, and about the slenderest of chains that can bind us to the griefs and passions of the past. This eBook edition includes a Reading Group Guide.

The constellations come to life in this imaginative fantasy adventure debut. Honorine's life as a maid at the Vidalia mansion is rather dull, dusting treasures from faraway places and daydreaming in front of maps of the world. But everything changes when she catches two brutish sailors ransacking Lord Vidalia's study, and then follows a mysterious girl with wings out into the night. Suddenly, Honorine is whisked into the middle of a battle between the crew of a spectacular steamship and a band of mythical constellations. The stars in the sky have come to life to defend themselves against those who want to harness their powers. Much to her surprise, Honorine is the crux of it all, the center of an epic clash between magic and science, the old ways and the new. But can this spirited young girl bring both sides of a larger-than-life fight together before they unleash an evil power even older than the stars?

In Regency England, Isabel will discover that the key to unlocking the mystery of her past may also open the door to romance. But first she must find it—in the depths of Emberwilde Forest. For as long as she can remember, beautiful and free-spirited Isabel has strained against the rules and rigidity of the Fellsworth School in the rolling English countryside. No longer a student, Isabel set her sights on a steady role as a teacher at the school, a safe yet stifling establishment that would enable her to care for her younger sister Lizzie, who was left in her care after her father's death. The unexpected arrival of a stranger with news of unknown relatives turns Isabel's small, predictable world upside down, sweeping her and her young charge into a labyrinth of intrigue and hidden motives. At her new family's invitation, Isabel and Lizzie relocate to Emberwilde, a sprawling estate adjacent to a vast, mysterious wood rife with rumors and ominous folklore—along with whispers of something far more sinister. Perhaps even more startling, two handsome men begin pursuing Isabel, forcing her to learn the delicate dance between attraction, the intricate rules of courtship, and the hopes of her heart. Isabel never dared to dream that love could be hers. Now, at the edge of a forest filled with dark secrets, she faces a fateful choice between love and duty.

Treasure Hunters

This collection bundles all 3 of beloved author Catherine Palmer's Treasures of the Heart series together into one 3-book for a great value! #1: A Kiss of Adventure Desperate and on the run, Tillie Thornton finds herself in an uneasy partnership with Graeme McLeod, a daring adventurer who comes out of nowhere to thwart the plot of Tillie's would-be kidnappers. Now these two must join forces against their common enemies, as well as the challenges of nature, as they embark on a quest that could bring them the answers they seek—or cost them everything. Formerly published as The Treasure of Timbuktu. #2: A Whisper of Danger Jessica Thornton is ready for a fresh start for herself and her irrepressible son, Splinter. An unexpected, unusual inheritance—a remote island mansion—seems like the opportunity of a lifetime. But when she arrives, she stumbles into a dangerous web of deception, greed, and murder. Even worse, she runs into the one person she never wanted to lay eyes on again: her long-lost husband, the man who coldly deserted her before their son was born. And the request he makes of her threatens to shake the very foundation of her life. Formerly published as The Treasure of Zanzibar. #3: A Touch of Betrayal 2001 Christy Award winner! Fashion designer Alexandra Prescott fully expects her latest business trip to be an adventure. After all, she is looking for inspiration for a line of exotic fabrics. But her well-ordered plans are shattered by news of financial disaster—and an attempt on her life! Reluctantly admitting her vulnerability, she is forced to turn for help to Grant

Thornton, an infuriatingly independent anthropologist whom she has met under suspicious circumstances. Inexplicably drawn together, neither is prepared for the challenges ahead.

The Last Treasure

The meditations and songs of Frances Ridley Havergal have provided solace,

comfort, and everlasting peace to thousands of souls. Her ministry in poetry and prose is ever being used by the Spirit of God to teach, comfort, exhort, and convict. All her poetry and prose is saturated with the living Word of God; it has a freshness and power which only the eternal dew of heavenly truth could impart. Frances always looked to the Lord for her messages before writing anything. On one occasion she wrote to her sister of her strong belief that, “If I am to write to any good, a great deal of living must go into a very little writing.” In an effort to preserve her prose for this generation, *Opened Treasures* was first published in 1962. “She yielded herself utterly to God. By virtue of this, her writings reached and moved a multitude of souls.”—T. H. Darlow

Love and Treasure

Simon and Molly were the best of friends, just the two of them. Until Hester moved in. Hester doesn't want to ride the two-wheeler, like they always do; she wants to make paper airplanes instead. And the toast Simon makes for her is too boring; she wants to add cinnamon sugar. Molly happily goes along with all of her changes,

but Simon liked things the way they were before Hester moved in. With Hester around, will Molly still want to be his friend? Lisa Jahn-Clough once again captures the complexities of friendship. She deftly explores the children's feelings of insecurity and exclusion, revealing both the hidden motives behind their actions and the keys to their reconciliation. Readers will discover that with a little understanding and compromise, while two is definitely better than one, three can be even more fun!

nonstop action, and perfect for fans of Indiana Jones or James Patterson's Treasure Hunters series, Addison Cooke and the Treasure of the Incas is sure to strike gold with kid readers. Praise for Addison Cooke and the Treasure of the Incas "Combines the derring-do of Indiana Jones with a genuine archaeological mystery. Stokes brings a cinematic scope to the story. This lively debut promises more seat-of-the-pants thrills for readers who love adventure."--Booklist "Cinematic pacing and action drive the story, but it's Addison and his friends who will keep readers engaged. Humor is never in short supply . . . and Addison's endless optimism and irrepressible confidence in his own abilities are endearing. A solid start to a new series, with a conclusion that will leave readers hoping Addison and company return soon for another adventure."--School Library Journal "Addison is often one step ahead of the adults, but his lead is constantly threatened, building steady tension throughout the novel, screenwriter Stokes's debut."--Publishers Weekly

A day of beachcombing is a day filled with salty sea air, enchanting seashells, and exciting discoveries. The ocean holds so much beauty and adventure, and it leaves so many treasures on its shores. Let's explore these seaside treasures. An essential sea glass-hunting handbook for kids. With helpful advice, like "make sure no one's home!" before taking a snail shell, and fascinating facts, like how sea glass is formed and where glass fishing floats come from, the gentle and flowing text invites young readers to explore and wonder about everything that washes up on the sand. Author and illustrator Sarah Grindler's images are vivid and realistic, showing readers what to look for by the ocean--from purple sea urchin shells (that otters love to munch on) to mussel shells, sand dollars, and every colour of sea glass--and encouraging all of us to imagine where those treasures may have come from. A beautiful keepsake as well as a practical guidebook for the young beachcomber.

Island Treasures

Europe is often presented as a declining global power, in which red tape, incumbency interests and governance flaws hamper economic performance, innovation and productivity. Part of this can be traced back to the inherent challenge and ambition of the European integration project; but also to external factors, including the rise of the United States as a global superpower during the past century, and the worldwide diffusion of ideas, especially in politics and

economics, which were seldom originated in Europe, or tailored to its peculiar legal, economic and social traditions. Until recently, Europe has sought to carve out its model and role in global governance by mimicking many US policy approaches: shareholder capitalism, deregulation and unconstrained movement of capital. As the global community increasingly sees the rise of protectionist stances, and a growing inability to face emerging challenges such as sustainable development and the breath-taking rise of disruptive digital technologies, Europe should look at its best qualities to revamp and reclaim its position in the global order, to the benefit of all. The prospect of Brexit, while certainly not favourable for the Union, paradoxically opens up new opportunities to face emerging challenges with a greater degree of cohesion. This new book, a joint effort between Donald Kalff and a group of CEPS researchers led by Andrea Renda, aims at identifying and exploring Europe's 'hidden treasures', often neglected competitive advantages that could, if adequately nurtured, return the Old Continent to the forefront of the global order. 'Hidden treasures' are a feature of the EU economy, legal system or legal tradition that are being given insufficient attention in EU public policy, and which bear the potential to increase Europe's competitiveness and overall positioning in the global context. The authors find them in ten policy domains, from contract law to corporate governance, taxation, control of corruption, competition policy, trade, innovation and the EU's unique approach to governing the digital economy. Uncovering and promoting hidden treasures becomes, as of today, a timely and highly needed exercise, as the EU approaches its post-elections

transition, and the global governance context seems to be rapidly changing, shaping a new playing field in which Europe has no obvious allies, and is increasingly challenged by superpowers with different, if not diverging, priorities.

World History: Connections to Today

A crew of outcasts tries to find a legendary ship before it falls into the hands of those who would use it as a weapon in this science fiction adventure series for fans of *The Expanse* and *Firefly*. A washed-up treasure hunter, a hotshot racer, and a deadly secret society. They're all on a race against time to hunt down the greatest warship ever built. Some think the ship is lost forever, some think it's been destroyed, and some think it's only a legend, but one thing's for certain: whoever finds it will hold the fate of the universe in their hands. And treasure that valuable can never stay hidden for long. Read the book that V. E. Schwab called "A clever fusion of magic and sci-fi. I was hooked from page one."

A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is

no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

Hidden Treasures

A charming, deeply imaginative debut novel about a young girl who is immortalized in her father's illustrated books containing clues to their family secrets. Romilly Kemp and her eccentric painter father have happy but sheltered lives in a ramshackle mansion in the English countryside. When her father finds fame with a series of children's books starring Romilly as the main character, everything changes: exotic foods appear on the table, her father appears on TV and strangers appear at their door, convinced the books will lead them to a precious prize. But as time passes, Romilly's father becomes increasingly suspicious of the outside world until, before her eyes, he begins to disappear within himself. She returns to his illustrations, looking for a way to connect with her ailing father, and finds a series of clues he's left just for her. This treasure hunt doesn't lead her to gold or jewels, but something worth far more—a shocking secret that is crucial to understanding her family. Written with tremendous heart and charisma,
