The Christ-centered Woman

True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. The message of this book does not grow out of these times but it is appropriate to them. It is called forth by a condition which has existed in the Church for some years and is steadily growing worse. I refer to the loss of the concept of majesty from the popular religious mind. The Church has surrendered her once lofty concept of God and has substituted for it one so low, so ignoble, as to be utterly unworthy of thinking, worshipping men. This she has done not deliberately, but little by little and without her knowledge; and her very unawareness only makes her situation all the more tragic.

Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. HTML & CSS: The Good Parts

In 1976, Jesus took Mary K. Baxter on a spiritual journey for thirty nights to witness the torments of hell, charging her to reveal the terrible reality of God’s judgment and to relate the urgent message of salvation through Jesus Christ. Mary wrote about her journey to hell in her best-selling book *A Divine Revelation of Hell*, which has sold more than 1.3 million copies. After those thirty nights, Jesus told Mary, “I will close up your mind, and you will not remember some of the things I have shown and told you. But I will reopen your mind and bring back your understanding in the latter days. Then I will open up your remembrance....” Recently, God has brought back to Mary’s remembrance many of those experiences because these revelations are particularly for our day. *A Divine Revelation of Satan’s Deceptions* contains new images of hell that Mary has not related in her other books, as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers. God has given His people anointings, gifts, and resources to build His kingdom that Satan has stolen and is holding captive in hell. This book reveals how we can use various “keys to the kingdom” to restore

these blessings and to destroy the powers of darkness. Our choice is between allowing Satan to deceive and rob us—or claiming our spiritual inheritance and conquering the enemy in the power of God.

Knowledge Of The Holy:Drawing Close To

God By Knowing His Attributes

Women respond to many callings -- those of family and home, work and colleagues, and ministry and discipleship. Dunnam Reisman, a working mother of three, explores how to respond from a calm center rather than from frustration and exhaustion. The author suggests that readers work from a Christ-centeredness that asks How do I make choices that reflect my relationship with Christ? rather than, How can I juggle my many responsibilities? By unmasking dangerous stereotypes and common traps many women fall into, Dunnam Reisman offers women ways to identify their true selves as disciples and explains how to place Christ at the center of their lives. Not just another how-to-get-organized book, The Christ-Centered Woman helps readers contemplate and prioritize their callings.
