Probationary Officers Exam

She's always been his safe place to land. Jensen has shared a special bond with Tuck for as long as she can remember, their friendship a language that never needed words. But as life threw her one curveball after another, that secret language turned to stony silence. He's always been her protector. Tuck has looked out for Jensen since the day she was born. As his best friend's little sister, he's tried to keep her firmly in the friend category. But she's always been more. All it takes is one moment of weakness to send Tuck's fiercely guarded walls crumbling to the ground. As a new fire burns between them, someone watches. Someone who doesn't like the new life Jensen's building for herself. And they'll stop at nothing to keep her in the dark.

Haryana General Knowledge

This book, now in its Third Edition, is revised as per the feedback received from our valuable students and readers. It is exclusively prepared for the students who wish to appear for campus recruitment screening test and graduate/post graduate students appearing for various competitive examinations in Quantitative Aptitude and Reasoning. The main objective of this volume is to guide the students to solve the problems within the stipulated time and that too with the higher degree of accuracy. Organized in two parts—Quantitative Aptitude (Part I) and Reasoning (Part II)—it helps students to apply basic mathematical and reasoning concepts to a range of quantitative and reasoning problems. The separate sections are devoted to verbal and nonverbal reasoning. It sharpens the ability to apply analytical and logical thinking while gathering and analysing information, designing and testing solutions to problems, and formulating plans. This book is a valuable resource for conducting training programmes/workshops to train students in problem solving techniques in Mathematical Aptitude. It would equally be useful to the candidates appearing for quantitative aptitude and reasoning test conducted in various competitive examinations of graduate level. **NEW TO THIS EDITION** • Numerous Reasoning questions (with explanatory answers) asked in recent
