The Energy of Words

International speaker Sharon Jaynes believes that women have incredible power in their sphere of influence with the words they speak. Words are one of the most powerful forces in the universe, and they can be used for good or evil. When God created our world, He did so with words. He said, "Let there be" and it was so. While our words cannot bring into existence things that are not, they do have the power to build courage into a husband's life, instill confidence into a child's heart, fan into flames the dying embers of a friend's smoldering dreams, and draw the lost to Christ. This book is for every woman who desires to use her words to build up rather than tear down, to encourage rather than discourage, to cheer rather than jeer. It is for all who desire to have more control over that mighty force called the tongue.

Power Language

As it is written in God's Word, when God speaks, mountains are moved, seas divide, worlds were formed, and at some point, everything will be shaken. In this book, I will share with you life experiences I have had and tell you how what I spoke, brought the desired results, through faith IN GOD and His Word. It is my hope and prayer that you will read this and it will get into your spirit and that God's Word will come out of your mouth, in faith, and you will see God's Word work for you.

The Power of Our Words

There is simply no value put on words, we can all speak them; they don't cost any money, as they are free to all they are simply not appreciated. Words, however, are the reason that one person lives a life of abundance while another person lives a life of lack. Words can open doorways that hands can not. They can break down invisible boundaries. A few words can destroy life or breathe new life into a withering one. Words can fill a person full of happiness or fill them full of despair. Words can build up a person's confidence, or take it crashing to the ground. As most people do not value their words, they misuse them, which allows the power of their words to work against them. They want to go in one direction, but their words push them in another. This conflict is what most people battle with each day. They ask God to grace their lives with favor, health and abundance, but their words keep them in a life full of disappointment, sickness, and lack. In this book, I want to share with you the correct way to harness the power of your words, so instead of holding you back, they propel you towards the life that you desire. The life that you were destined to live. I will draw from personal experience and Scripture to illustrate how positive thoughts and words can be used to overcome every challenge that stands in your way. I will share how important it is to stop the habit of talking idly about your problems and instead focus on speaking about solutions. "Knowing is not enough; we must apply. Willing is not enough; we must do."- Johann Wolfgang von Goethe Pick up your copy today by clicking the BUY NOW button at the top of this page.

I guess that's my cross to bear.' Some talk about the cross more than the resurrection. 'Well, you know, I'm carrying big burdens,' they sigh." "If you keep talking about your burdens, this attitude will grow and fester in you. Before you know it, you won't like life. You'll wake up one morning and think that the world is getting grayer every day. All the color seems to have gone out of the world, and it doesn't look the same anymore." "Life use to be a playground to you; now it's a battlefield - created by your own words."

Or what to do when you've said something you wish you could now take back. Using our speech to interact with friends, co-workers, family and strangers will be covered along with the many places we use our words such as in private, in public, online and in prayer. Even the words we say silently to ourselves. Unsolicited opinion-slinging, speaking the truth in love, not saying words just to people-please and dealing with our verbal anger are sub-topics that will also be addressed. Each session will feature a different character from the Bible, using them either as an example of someone to emulate or whose verbal actions we should avoid replicating. Sessions include: Sparks, Squabbles, Spats, and Such: Our Words Matter On Filling Gaps and Zipping Lips: Listen to Others, Talk to God Opinion-Slinging and Salty Speech: Assessing Our Digital Tongues Gossip, Flattery, and People-Pleasing: How to Speak the Truth in Love Pause Before You Pounce: On Cultivating Soft Speech As Sweet as Honey: Wonderful Ways to Use Your Words Designed for use with the Keep It Shut Video Study 9780310819417 (sold separately).
