Access 2013: The Missing Manual

QuickBooks Desktop isn't just for taxes. You can use it for payroll, managing your vendors and subs - even job costing. QuickBooks can simplify staying on top of your finances. But learning QuickBooks can be complex on your own. If you'd rather be building homes than burning the midnight oil trying to figure it all out, you should have this new book. It includes a template for a construction company to help speed your set up.
