My Friend Anna

NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE MAN BOOKER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST
“[Rachel] Joyce’s beguiling debut is [a] modest-seeming story of ‘ordinary’ English lives that enthralls and moves you as it unfolds.”—People (four stars) Meet Harold Fry, recently retired. He lives in a small English village with his wife, Maureen, who seems irritated by almost everything he does. Little differentiates one day from the next. Then one morning a letter arrives, addressed to Harold in a shaky scrawl, from a woman he hasn’t heard from in twenty years. Queenie Hennessy is in hospice and is writing to say goodbye. But before Harold mails off a quick reply, a chance encounter convinces him that he absolutely must deliver his message to Queenie in person. In his yachting shoes and light coat, Harold Fry embarks on an urgent quest. Determined to walk six hundred miles to the hospice, Harold believes that as long as he walks, Queenie will live. A novel of charm, humor, and profound insight into the thoughts and feelings we all bury deep within our hearts, *The Unlikely Pilgrimage of Harold Fry* introduces Rachel Joyce as a wise—and utterly irresistible—storyteller. Praise for *The Unlikely Pilgrimage of Harold Fry* “[A] gorgeously poignant novel of hope and transformation.”—O: The Oprah Magazine
“A cause for celebration . . . [Joyce] has a lovely sense of the possibilities of redemption. In this bravely unpretentious and unsentimental take, she’s cleared space where miracles are still possible.”—Ron Charles, *The Washington Post* “*The Unlikely Pilgrimage of Harold Fry* is not just a book about lost love. It is about all the wonderful everyday things Harold discovers through the mere process of putting one foot in front of the other.”—Janet Maslin, *The New York Times* Look for special features inside. Dear Life

Always, Rachel

She took a mouthful of the sweet liquid and started to feel a pounding in her head. Arms went around her waist and she was half lifted and half pulled. The last thing she was aware of was her head hitting a step Sixteen-year-old Emily had everything to live for. A bright, beautiful teenager with a promising future ahead of her. But in one night her life is cut short. The police say it's an accident. But her parents think she was murdered. When Detective Rachel Prince is called in to investigate the shocking death at the height of the Edinburgh festival, her instincts tell her that things are not as they first appear. Something is very wrong. As the case takes an unexpected turn, Rachel discovers a chilling link with the suspicious death of another international student, who stayed in the same house as Emily two years before. Just as Rachel finds herself on the hunt for a serial killer, a painful relationship from her own past catches up with her. And Rachel must decide what is more important - catching the killer or keeping her own secrets? A breath-taking, tense roller-coaster crime thriller featuring unforgettable series detective Rachel Prince. Now She's Gone is perfect for fans of Angela Marsons, Peter James and Karin Slaughter. What readers are saying about the Detective Rachel Prince series: 'I was hooked from page one and couldn't put it down until I'd reached the end. The twists and turns just keep coming will have you gasping in surprise.' Goodreads Reviewer, 5 stars 'I held my breath all the way through, wanting, yet not wanting to know the outcome. Spectacular read.' Goodreads Reviewer, 5 stars 'One of the BEST police procedural thrillers that I have read lately. From the start to the finish, it gripped and held me tight I can't wait to see more of Rachel Prince.' The Book Nurse, 5 stars 'Had me on the edge of my seat from start to finish. Jam packed with twists and turns If you love crime and are as addicted to police procedurals as I am you will love this book!!!' Goodreads Reviewer, 5 stars 'Captivated from the first page plenty of twists and turns dramatic, stomach wrenching This book was an awesome start to a new series, I can't wait for the next instalment!' Bonnie's Book Talk 'Omg what a read I had a few ideas as to what happened But nothing prepared me for that. Wow. I was shocked. 5 stars! Highly recommended.' Sue Wallace Site, 5 stars

A Life's Work

Although 44 percent of all adults are unmarried, most churches are focused on marriage and families--and so miss many opportunities to reach out as well as to benefit from all that singles can offer to the church. Here at last is an up-to-date, comprehensive handbook to single adult ministry. Based on his over twenty-five years of experience, Dennis Franck offers church leaders guidance on all aspects of this often-overlooked ministry, including: -understanding singles' diverse life situations and needs -developing a biblical philosophy of ministry -the practical aspects of building a ministry Pastors and lay leaders will gratefully welcome this new in-depth resource to guide their ministry to, for, and through single adults.

Number the Stars

One of Publishers Weekly's Best Books of 2019 A journey through the many ways to live an artistic life—from the flashy and famous to the quiet and steady—full of unexpected insights about creativity and contentment, from the author of *The Good Girl's Guide to Getting Lost*. Rachel Friedman was a serious violist as a kid. She quit music in college but never stopped fantasizing about what her life might be like if she had never put down her bow. Years later, a freelance writer in New York, she again finds herself struggling with her fantasy of an artist's life versus its much more complicated reality. In search of answers, she decides to track down her childhood friends from Interlochen, a prestigious arts camp she attended, full of aspiring actors, artists, dancers, and musicians, to find out how their early creative ambitions have translated into adult careers, relationships, and identities. Rachel's conversations with these men and women spark nuanced revelations about creativity and being an artist: that it doesn't have to be all or nothing, that success isn't always linear, that sometimes it's okay to quit. *And Then We Grew Up* is for anyone who has given up a childhood dream and wondered "what-if?", for those who have aspired to do what they love and had doubts along the way, and for all whose careers fall somewhere between emerging and established. Warm, whip-smart, and insightful, it offers inspiration for finding creative fulfillment wherever we end up in life.

Reaching Rachel

Sex and the City meets *Catch Me if You Can* in the astonishing true story of Anna Delvey, a young con artist posing as a German heiress in New York City—as told by the former *Vanity Fair* photo editor who got seduced by her friendship and then scammed out of more than \$62,000. *Vanity Fair* photo editor Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at *Le Coucou*, infrared sauna sessions at *HigherDOSE*, drinks at the *11 Howard Library* bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to Marrakech at the five-star *La Mamounia* hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, *My Friend Anna* is an unforgettable true story of money, power, greed, and female friendship.

A Hope for Emily

Girl, Wash Your Face

From the author of the highly acclaimed *The Keeper of Secrets*, New York Times bestselling author Julie Thomas *When Dr Kobi Voight* is given a set of old letters by his mother, he has no inkling that they will lead him around the world and deep into his family's tragic past. Within the letters - written in Hebrew and filled with delicate illustrations - lie the reflections of a young Jewish woman, forced to give up her baby daughter while fighting with the Resistance in Berlin. Who is the author, known only as 'Ruby', and what became of her child? And how does a priceless work of art, stolen by the Nazis, form part of the unfolding mystery? From the Holocaust to the present day, across continents and oceans, Kobi's journey will ultimately lead him to the truth about his family - and his own identity. Julie Thomas returns with the much anticipated sequel to *The Keeper of Secrets* and the next episode in the dramatic fortunes of the Horowitz family, set in Australia, Europe and America, from World War II to the present. ***Now a USA Today Bestseller!***

Rogue

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter

what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast

Fleishman Is in Trouble

"So heart-wrenching... This story just grips you right from the start. I had a really hard time putting it down and found myself reading well into the night... Perfect for fans of such well known authors as Jodi Picoult and Diane Chamberlain." Shelley's Book Nook Looking back, I wish I could find my way back to that moment. I'd snatch it and hold onto it and live in it for the rest of my life, if I could. When Emily could still throw her arms around me. Oh God, just give me that moment, or one like it again. That's all I want. From the moment Emily was born, reaching out with her tiny little star-shaped hand towards her mother, blinking with long eyelashes over soft blue eyes, she became Rachel's whole world. But Rachel's worst nightmare comes true when a rare auto-immune illness leaves five-year-old Emily

in a coma the doctors say she may never come out of. And Rachel is asked to make a heartbreaking decision. But her ex-husband, Emily's dad James, doesn't agree with her. Terrified she's about to lose her daughter for good, Rachel knows she must find a way to keep the hope alive for Emily. But there is only one person she can turn to for help to convince James—his new wife, Eva. As an unlikely but powerful friendship develops between the two women, both Rachel and Eva will have to ask themselves—is there a chance for the tiny, fragile little girl who lies between them? A beautiful story that will break your heart into a million pieces, perfect for fans of Jodi Picoult, Diane Chamberlain and Susan Lewis. Readers are loving *A Hope For Emily*: “Not only broke my heart but shattered it... When the tears [came] though, they didn't stop. It is such an emotionally charged novel... An absolute tear-jerker of a read for which I highly recommend having a box of tissues on standby.” Goodreads Reviewer, 5 stars “Wow, what an emotional novel. The storytelling was brilliant. Rachel and Eva's story could've been anyone of us. I cried so hard.” Goodreads Reviewer, 5 stars “Tear-jerking... An incredibly moving story of love and heartbreak written with sensitivity and compassion, that tugs at the heartstrings and makes it impossible to stop reading. It's so powerful and realistic that when I wasn't reading I was thinking about it, and by the time I reached the final chapters I was sobbing with tears streaming down my face.” NetGalley Reviewer, 5 stars “A gut wrenching, beautifully written story... If you know a mom, have a mom or are a mom, this story will touch your very soul.” Goodreads Reviewer, 5 stars “Stories like this... come in, break through and stay lodged in your head forever... I got a knot in my heart... As I read, I felt such deep sorrow... Kate Hewitt has... outdone herself.” Goodreads Reviewer, 5 stars “Amazing... It made me cry so hard by the last page... This book will rip out your heart but you won't be able to stop reading.” Crossroad Reviews, 5 stars “How I love the books by this author! She makes every emotion feel so real... An incredibly beautiful and mind-blowing story.” B for Bookreview, 5 stars “A really emotional, tearjerker, heartbreaking read! Told with compassion and feeling... The dilemmas Rachel and James face are totally devastating... A truly heartbreaking read that will have you in tears right till the end!” Goodreads Reviewer, 5 stars “When I pick up a book by Kate Hewitt, I make sure to grab a box of tissues along with it... A compelling read that made me think - and made me thankful for the blessings I have in my family.” Robin Loves Reading, 5 stars

The Oldest Living Things in the World

Showing up is what turns the people you know into your people. It's at the core of creating and maintaining strong, meaningful bonds with friends, family, coworkers, and internet pals. Showing up is the act of bearing witness to people's joy, pain, and true selves; validating their experiences; easing their load; and communicating that they are not alone in this life. If you're having trouble connecting with those around you, know that you're not the only one. Adult friendships are tricky!!! Part manifesto, part guide, *The Art of Showing Up* is soul medicine for our modern, tech-mediated age. Rachel Wilkerson Miller charts a course to kinder, more thoughtful, and more fulfilling relationships—and, crucially, she reminds us that “you can't show up for others if you aren't showing up for yourself first.” Learn to fearlessly . . . define your needs, reclaim your time, and commit to self-care ask for backup when times are tough—and take action when others are in crisis meet and care for new friends, and gently end toxic friendships help your people feel more seen (and

more OK) overall!

The Unlikely Pilgrimage of Harold Fry

"With an iron fist, the Great Library controls the knowledge of the world, ruthlessly stamping out all rebellion and in the name of the greater good forbidding the personal ownership of books. Jess Brightwell has survived his introduction to the sinister, seductive world of the Library, but serving in its army is nothing like what he envisioned. His life and the lives of those he cares for have been altered forever. His best friend is lost, and Morgan, the girl he loves, is locked away in the Iron Tower, doomed to a life apart from everything she knows. Embarking on a mission to save one of their own, Jess and his band of allies make one wrong move and suddenly find themselves hunted by the Library's deadly automata and forced to flee Alexandria, all the way to London. But Jess's home isn't safe anymore. The Welsh army is coming, London is burning, and soon Jess must choose between his friends, his family, and the Library, which is willing to sacrifice anything and anyone in the search for ultimate control"--

Living Again

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

The Poisonwood Bible

Love Your Life Not Theirs

A New York Times Book Review Notable Book, A Life's Work: On Becoming a Mother is multi-award-winning author Rachel Cusk's honest memoir that captures the life-changing wonders of motherhood. Selected by the New York Times as one of the 50 Best Memoirs of the Past 50 Years The experience of motherhood is an experience in contradiction. It is commonplace and it is impossible to imagine. It is prosaic and it is mysterious. It is at once banal, bizarre, compelling, tedious, comic, and catastrophic. To become a mother is to become the chief actor in a drama of

human existence to which no one turns up. It is the process by which an ordinary life is transformed unseen into a story of strange and powerful passions, of love and servitude, of confinement and compassion. In a book that is touching, hilarious, provocative, and profoundly insightful, novelist Rachel Cusk attempts to tell something of an old story set in a new era of sexual equality. Cusk's account of a year of modern motherhood becomes many stories: a farewell to freedom, sleep, and time; a lesson in humility and hard work; a journey to the roots of love; a meditation on madness and mortality; and most of all a sentimental education in babies, books, toddler groups, bad advice, crying, breastfeeding, and never being alone. "Funny and smart and refreshingly akin to a war diary—sort of Apocalypse Baby Now A Life's Work is wholly original and unabashedly true."—The New York Times Book Review

Live Stock Journal

The correspondence between Rachel Carson and her Maine summer neighbor offers insight into Carson's private life and her creative and political struggles

The Playboy Bachelor

Take Control of Your Life

The House on Mango Street

It is 1943 and for 10 year old Annemarie life is still fun. But there are worries too - the Nazis have occupied Copenhagen and there are food shortages, curfews and the threat of being stopped by soldiers and Annemarie's best friend is a Jew.

The Life and Art of Allan Ramsay

In Dear Life, palliative care specialist Dr. Rachel Clarke recounts her professional and personal journey to understand not the end of life, but life at its end. Death was conspicuously absent during Rachel's medical training. Instead, her education focused entirely on learning to save lives, and was left wanting when it came to helping patients and their families face death. She came to specialize in palliative medicine because it is the one specialty in which the quality, not quantity of life truly matters. In the same year she started to work in a hospice, Rachel was forced to face tragedy in her own life when her father was diagnosed with terminal cancer. He'd inspired her to become a doctor, and the stories he had told her as a child proved formative when it came to deciding what sort of medicine she would practice. But for all her professional exposure to dying, she remained a grieving daughter. Dear Life follows how Rachel came to understand—as a child, as a doctor, as a human being—how best to help patients in the final stages of life, and what that might mean in practice.

Speak

#1 NEW YORK TIMES BESTSELLER – OVER 3 MILLION COPIES SOLD Do you ever suspect that everyone else has life figured out and you don't have a clue? If so, Rachel Hollis has something to tell you: that's a lie. If you have ever said any of these things to yourself . . . Something else will make me happy. I'm not a good mom. I will never get past this. I am defined by my weight. I should be further along by now. . . . then you could benefit from the unflinching faith and rock-hard tenacity Rachel Hollis has in store for you. In this challenging but conversational book, Rachel exposes the twenty lies and misconceptions that too often hold us back from living joyfully and productively, lies we've told ourselves so often we don't even hear them anymore. Rachel is real and talks about real issues. More than that, she reveals the specific practical strategies that helped her move past them. In the process, she encourages, entertains, and even kicks a little butt, all to convince you to do whatever it takes to get real and become the joyous, confident woman you were meant to be. Because you really can live with passion and hustle – and give yourself grace without giving up.

Out of Reach

I know that better than most. Since rejoining the Pride, I've made big decisions and even bigger mistakes: the kind paid for with innocent lives. As the first and only female enforcer, I have plenty to prove to my father, the Pride and myself. And with murdered toms turning up in our territory, I'm working harder than ever, though I always find the energy for a little after-hours recreation with Marc, my partner both on and off duty. But not all my mistakes are behind me. We're beginning to suspect that the dead are connected to a rash of missing human women and that they can all be laid at my feet-two or four, take your pick. And one horrible indiscretion may yet cost me more than I can bear.

Reaching Single Adults

Kayley had the life she'd always wanted. She was married to the man of her dreams and they were expecting their first baby. Then Kayley's husband died in an accident and Kayley's world shattered. With the help of her family and friends, she navigates her life as a new widow and mother. She is sure, however, she will never love again until she meets a kind and patient doctor named Ben.

The Connecticut Magazine

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

In the Garden of Live Flowers

From the bestselling author of *The Unlikely Pilgrimage of Harold Fry* comes an exquisite love story about Queenie Hennessy, the remarkable friend who inspired Harold's cross-country journey. A runaway international bestseller, *The Unlikely Pilgrimage of Harold Fry* followed its unassuming hero on an incredible journey as he traveled the length of England on foot—a journey spurred by a simple letter from his old friend Queenie Hennessy, writing from a hospice to say goodbye. Harold believed that as long as he kept walking, Queenie would live. What he didn't know was that his decision to walk had caused her both alarm and fear. How could she wait? What would she say? Forced to confront the past, Queenie realizes she must write again. In this poignant parallel story to Harold's saga, acclaimed author Rachel Joyce brings Queenie Hennessy's voice into sharp focus. Setting pen to paper, Queenie makes a journey of her own, a journey that is even bigger than Harold's; one word after another, she promises to confess long-buried truths—about her modest childhood, her studies at Oxford, the heartbreak that brought her to Kingsbridge and to loving Harold, her friendship with his son, the solace she has found in a garden by the sea. And, finally, the devastating secret she has kept from Harold for all these years. A wise, tender, layered novel that gathers tremendous emotional force, *The Love Song of Miss Queenie Hennessy* underscores the resilience of the human spirit, beautifully illuminating the small yet pivotal moments that can change a person's life. Praise for *The Love Song of Miss Queenie Hennessy* “In the end, this lovely book is full of joy. Much more than the story of a woman's enduring love for an ordinary, flawed man, it's an ode to messy, imperfect, glorious, unsung humanity. . . . [Queenie's] love song is for us. Thank you, Rachel Joyce.”—*The Washington Post* “Destined to change your world. One can't help but see life, and the end of it, differently after experiencing this novel. Full of wisdom and heart, it will overwhelm its readers with a deep sensitivity.”—*Bookreporter* “[A] beguiling follow-up . . . In telling Queenie's side of the story, Joyce accomplishes the rare feat of endowing her continuing narrative with as much pathos and warmth, wisdom and poignancy as her debut. Harold was beloved by millions; Queenie will be, too.”—*Booklist* (starred review) “Delightful and dark . . . But Joyce is so deft that when the book is over and you close the cover, the darkness fades. What sticks with you is the light of Queenie's unwavering love.”—*Minneapolis Star Tribune* “[A] deeply affecting novel . . . Culminating in a shattering revelation, [Queenie's] tale is funny, sad, hopeful: She's bound for death, but full of life.”—*People* “Joyce's writing at moments has a simplicity that sings. She captures hope best of all.”—*The Guardian* “Joyce has a wonderfully evocative turn of phrase and like her other books this is a delightful read. . . . Uplifting and moving.”—*Daily Express* “Joyce nicely calls the book a companion rather than a sequel. But *The Love Song* is bolder than a retread of the same material from another angle. . . . After two such involving novels, readers are bound to wish for a third.”—*The Telegraph* “[Joyce] manages to both add depth to an already strong work and build something new and beautiful upon it.”—*The A.V. Club*

Girl, Stop Apologizing

The debut novel from rising literary star Cru Jones.

The Art of Showing Up

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • “A feminist jeremiad nested inside a brilliant comic novel—a book that makes you laugh so hard you don’t notice till later that your eyebrows have been singed off.”—Ron Charles, *The Washington Post* FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE’S JOHN LEONARD PRIZE FOR BEST FIRST BOOK • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY AND THE NEW YORK PUBLIC LIBRARY AND ONE OF THE BEST BOOKS OF THE YEAR BY *The New York Times Book Review* • *Time* • *The Washington Post* • *Vanity Fair* • *Vogue* • NPR • *Chicago Tribune* • *GQ* • *Vox* • *Refinery29* • *Elle* • *The Guardian* • *Real Simple* • *Parade* • *Good Housekeeping* • *Marie Claire* • *Town & Country* • *Evening Standard* • *Kirkus Reviews* • *BookPage* • *BookRiot* • *Shelf Awareness* A finely observed, timely exploration of marriage, divorce, and the bewildering dynamics of ambition from one of the most exciting writers working today Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. *Alma’s Best Jewish Novel of the Year* “Blisteringly funny, feverishly smart, heartbreaking, and true, *Fleishman Is in Trouble* is an essential read for anyone who’s wondered how to navigate loving (and hating) the people we choose.”—Cynthia D’Aprix Sweeney, author of *The Nest* “From its opening pages, *Fleishman Is in Trouble* is shrewdly observed, brimming with wisdom, and utterly of this moment. Not until its explosive final pages are you fully aware of its cunning ferocity. Taffy Brodesser-Akner’s debut is that rare and delicious treat: a page-turner with heft.”—Maria Semple

And Then We Grew Up

Historic Homes and Places and Genealogical and Personal Memoirs Relating to the Families of Middlesex County, Massachusetts

The Oldest Living Things in the World is an epic journey through time and space. Over the past decade, artist Rachel Sussman has researched, worked with biologists, and traveled the world to photograph continuously living organisms that are 2,000 years old and older. Spanning from Antarctica to Greenland, the Mojave Desert to the Australian Outback, the result is a stunning and unique visual collection of ancient organisms unlike anything that has been created in the arts or sciences before, insightfully and accessibly narrated by Sussman along the way. Her work is both timeless and timely, and spans disciplines, continents, and millennia. It is underscored by an innate environmentalism and driven by Sussman's relentless curiosity. She begins at "year zero," and looks back from there, photographing the past in the present. These ancient individuals live on every continent and range from Greenlandic lichens that grow only one centimeter a century, to unique desert shrubs in Africa and South America, a predatory fungus in Oregon, Caribbean brain coral, to an 80,000-year-old colony of aspen in Utah. Sussman journeyed to Antarctica to photograph 5,500-year-old moss; Australia for stromatolites, primeval organisms tied to the oxygenation of the planet and the beginnings of life on Earth; and to Tasmania to capture a 43,600-year-old self-propagating shrub that's the last individual of its kind. Her portraits reveal the living history of our planet—and what we stand to lose in the future. These ancient survivors have weathered millennia in some of the world's most extreme environments, yet climate change and human encroachment have put many of them in danger. Two of her subjects have already met with untimely deaths by human hands. Alongside the photographs, Sussman relays fascinating – and sometimes harrowing – tales of her global adventures tracking down her subjects and shares insights from the scientists who research them. The oldest living things in the world are a record and celebration of the past, a call to action in the present, and a barometer of our future.

NLT Life Application Study Bible, Third Edition, Large Print (Red Letter, Genuine Leather, Black)

The bestselling coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world from the winner of the 2018 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

Paper and Fire

We all have dreams of things that we'd love to accomplish in our lives. But as you know, a goal without a plan is just a wish. Take Control Of Your Life will help you take your big dreams and turn them into concrete action plans, full of bite-sized action steps that you actually believe you can achieve. In this book, you'll learn: - How to take your larger-than-life dreams and whittle them down into bite-sized daily action steps that don't overwhelm you (anyone with big dreams needs this) - An incredibly effective way to make sure that you feel great the entire time you're working on your goals -- not just after you achieve them - Why traditional "I'm going to lose 10 pounds in a month" type goals often set you up for failure - How to set the perfect goals for yourself - A practical exercise you can do as different fears about reaching your goals come up (Hint: You won't be "pushing it out of your mind" and you also won't be telling yourself halfhearted affirmations that you don't really believe.) - How to create to-do lists that constantly navigate you to your dreams and don't overwhelm you - How you can improve anything in your life with this plan - whether it be improving your relationship, making more money, achieving better health, or quitting something This is a short, to-the-point book with all kinds of practical exercises and case studies so you can see exactly how you can start to create your dream life. Order your copy right now!

Rachel's Legacy

“I believe we can change the world. But first, we’ve got to stop living in fear of being judged for who we are.” Rachel Hollis has seen it too often: women not living into their full potential. They feel a tugging on their hearts for something more, but they’re afraid of embarrassment, of falling short of perfection, of not being enough. In *Girl, Stop Apologizing*, #1 New York Times bestselling author and founder of a multimillion-dollar media company, Rachel Hollis sounds a wake-up call. She knows that many women have been taught to define themselves in light of other people—whether as wife, mother, daughter, or employee—instead of learning how to own who they are and what they want. With a challenge to women everywhere to stop talking themselves out of their dreams, Hollis identifies the excuses to let go of, the behaviors to adopt, and the skills to acquire on the path to growth, confidence, and believing in yourself.

NLT Life Application Study Bible, Third Edition, Large Print (Leatherlike, Black/Onyx, Indexed)

Introduces the theory of adult attachment as an advanced relationship science that can enable individuals to find and sustain love, offering insight into the roles of genetics and early family life in how people approach relationships.

The Love Song of Miss Queenie Hennessy

Accompanied by her brother's friend, Tyler, sixteen-year-old Rachel ventures through San Diego and nearby areas seeking her brother, eighteen-year-old Micah, a methamphetamine addict who ran away from home.

Loved and Lost

Rachel has been a loner since a traumatic incident in her past forced her to push Devin, the man she loved, away. Five years later, when Rachel finds herself in a dangerous and abusive situation, Devin steps back into her life. He must decide if protecting her is worth the price of another potential heartbreak and she must work through her post-traumatic stress disorder if she is to find that the man she loves is waiting for her.
