Writing is an essential part of any language. Many people learn to speak a language fluently but never learn or struggle with writing the language. While speaking may not improve one's writing, with enough repetition, as this book provides, writing in Spanish will help you think and speak more easily in Spanish. This book contains three chapters. Each chapter gives extensive practice using one verb tense. The chapters are in no particular order so the learner can feel free to skip around. This book is a great aid to accompany someone taking formal Spanish classes or someone that is self taught and looking for a way to practice what they are learning. This book is tailored towards beginner Spanish students. Even someone with only a few months of Spanish practice should be able to complete this workbook. Once finished with this workbook, you should be ready to move onto the more advanced version of this book, called Spanish Verb Workbook, which is geared towards Intermediate and Advanced Spanish students. Good luck on your learning journey!

The Kabbalist Rabbi Laitman, who was the student and personal assistant to Rabbi Baruch Ashlag from 1979-1991, follows in the footsteps of his rabbi in passing on the wisdom of Kabbalah to the world. This book is based on sources that were passed down by Rabbi Baruch's father, Rabbi Yehuda Ashlag (Baal HaSulam), the author of 'the Sulam', the commentaries on The Book of Zohar, who continued the ways of the Ari and Rabbi Shimon Bar Yochai and many great Kabbalists throughout the generations before them. The goal of this book is to assist individuals in confronting the first stages of the spiritual realm. This unique method of study, which encourages sharing this wisdom with others, not only helps overcome the trials and tribulations of everyday life, but initiates a process in which individuals extend themselves beyond the standard limitations of today's world.

## **CME Project**

The Spanish Verb Workbook is a study aid for those teaching themselves Spanish or for those taking Spanish classes. The workbook contains over 2,000 Spanish translation sentences to help advanced beginners and intermediate Spanish learners become familiar with Spanish verb tenses. The workbook is divided into eight chapters. Each chapter covers one verb tense. The learner has to translate English sentences into Spanish. The vocabulary and answer key can be found in the back of the workbook. This workbook has more Spanish translation sentences than any other book on the market and was written by someone that taught himself Spanish and a native Spanish speaker from Guatemala. All of the sentences were proofread by a native Spanish speaker from Argentina that taught high school and middle school Spanish in the United States for fifteen years.
