Big Booty

****A USA Today Must-Read Romance!**** Will the prince's kiss be enough to revive her frozen heart? Don't miss *GATHERING FROST*, a dystopian romance from bestselling author Kaitlyn Davis that reimagines the classic fairy tale of Sleeping Beauty. "I wish I could say I was the hero of the story. A resister. A rebel. Someone who lived to bring an end to the queen who stole my childhood--my mother, my life, my very world. But I'm not. I'm not the good guy. I'm the one who puts the good guys in their graves." Jade was only a little girl when the earthquake struck. Before her eyes, half of New York City disappeared, replaced by a village that seemed torn out of a storybook. Horses and carriages. Cobblestone streets. A towering castle. And, above all, a queen with the magical ability to strip emotions away. Ten years later and Jade has forgotten what it is to feel, to care even to love. Working as a member of the queen's guard, she spends most of her time on the city wall staring at the crumbling skyscrapers of old New York. But everything changes when the queen's runaway son, Prince Asher, returns. Under his relentless taunts, her blood begins to boil. Under his piercing gaze, her heart begins to flutter. And the more her icy soul begins to thaw, the more Jade comes to question everything she's ever known--and, more importantly, whose side she's really on. Keywords: Teen & Young Adult, Fairytale, Fairy Tale, Retelling, Adaptation, Fairy Tale Adaptation, Sleeping Beauty, Romance, Dystopian, Paranormal Romance, Urban Fantasy, Love, Action & Adventure, Magic, Fantasy, Evil Queen, Prince Charming **RAVE REVIEWS for Gathering Frost!** "My favorite thing about this book is the action. Jade isn't a sleeping princess. She's the best fighter and so fierce in her "empty" state. I felt like this was an urban fantasy with all the steam of a romance." - Jessie Potts, USA Today 'Happy Ever After Blog' "Davis writes with confidence and poise, and the story's many twists and turns stave off predictability and allow readers to become immersed in a starkly magical world filled with last hopes." - Publisher's Weekly "Gathering Frost is just awesome in every way. Beautiful prose, lots of heart-wrenching emotion, action and romance, a great, unstoppable villain, and a smart, tough heroine who will fight for what she wants." - Geeks In High School "The writing is flawless as always and I must say, way to take a classic and make such a creative and wonderful twist to it! It's well thought

out and it unbelievably magnificent. I seriously couldn't put it down. Wait I never actually put it down. I started and finished in one sitting because it's just that good. This one is a MUST READ." - Happy Tails and Tales Blog "I loved everything about this book! The different take on Sleeping Beauty, the strong female characters, and the overall vibe of the book/series to come. Jade is amazing and leaped off the page This is not just a romance! It has great action scenes where Jade is kicking some major ass and there are surprises at every corner." - Hooked In A Book "I loved this book. To me is it a very loose reimaged world of Sleeping Beauty, but that is a good thing. It kept me guessing and really kept me on the edge of my seat. I stayed up late reading as I just had to know what happens next." - Michelle's Paranormal Vault of Books
