Hope Trilogy: Sacred Sinners MC- Texas Chapter

When life gives you lemons, it's time for shots of tequila. That's my new saying in life, and trust me, life has handed me lots of lemons. My name is Danielle DeChenne, and for eighteen years I took every punch "destiny" threw at me. Now I'm no longer a naive girl. Traumatic abuse will do that to you. I was forced to grow up too fast, and the one person I depended on-that gorgeous Marine, Zane-turned his back on me. So now I say screw the lemonade and just give me a bottle of Jack Daniel's, because I don't believe in destiny anymore. There is no pre-destined path set out for each of us. That crap doesn't exist. Sometimes bad things happenit's just how the world works. It sucks, but you have to pick yourself up and get on with your life. Even if it's an impossible task. I'm done sitting around and waiting for my life to change or something good to fall in my lap. It took me awhile to understand, but once I stopped being the doormat for destiny, it was time for me to take control. Now I decide where I go in life and what will happen. It won't always be pretty, it will sometimes hurt like hell, but I will make sure I live my life to the fullest Then the gorgeous Marine from my past returned with a vengeance-except this time, I was ready for him. It's time to rewrite destiny.

Hell's Knights

New Years is the time for new beginnings. I thought I'd gotten that when I visited Texas over Thanksgiving. Then again, very little has changed. I'm still a librarian living in the same house. My daughters are growing up fast. Sure, I've acquired a new best friend who's convinced me it's time to give dating a fair shot. Which isn't exactly easy when I'm pregnant with an Asshole's baby. Does that complicate matters? Sorta. But there's nothing left for me to do except move on. The jagged edges of my shattered heart have been polished. Questions answered, and blank holes from my past plugged. Now I'm ready to take the plunge into uncharted waters, to build a happier life until a bomb comes along and tests my strength like never before. Nobody fucks with my family and gets away with it. Not even you.

Hopeful Whispers

Revisit the fifth book in Tiffany Reisz's fan-favorite Original Sinners series, where Nora Sutherlin, Manhattan's most famous dominatrix, was merely a girl called Eleanor... Rebellious, green-eyed Eleanor never met a rule she didn't want to break. She's sick of her mother's zealotry and the confines of Catholic school, and declares she'll never go to church again. But her first glimpse of beautiful, magnetic Father Marcus Stearns—Søren to her and only her—and his lust-worthy Italian motorcycle is an epiphany. Eleanor is consumed—yet even she knows being in love with a priest can't be right. But when one desperate mistake nearly costs Eleanor everything, it is Søren who steps in to save her. When she vows to repay him with complete obedience, a whole world opens before her as he reveals to her his deepest secrets that will change everything. Danger can be managed—pain, welcomed. Everything is about to begin. "I worship at the altar of Tiffany Reisz! Whip smart, sexy as hell—The Original Sinners series knocked me to my knees." —New York Times bestselling author Lorelei James Originally published in 2014

Billionaire's Dilemma - Part 3

Life is simply life. It's unfair and sometimes cruel. I should know. Since the moment I first drew breath, I was an orphan. Unwanted. Unloved. The small blonde girl everyone picked on. My story isn't one of happiness, if that's what you're thinking. The person I love most in the world is gone. And in the darkness I've been reborn, into a person I don't recognize.

Her name's Rosie. In the beginning, when our love first began, that name meant something different. That's when the light won, always overcoming the dark. Where hope and happiness flourished. Now it means. death for those who harm. I love this new me as much as anyone without a soul can love something. Life is simply life and with it comes vengeance.

The Saint

He's big, not afraid of any man, and goes to great lengths to provide protection to his club brothers and those he loves. He lives by a code most men couldn't begin to understand. He's faithful in life and love, and he never breaks a promise. Emily "Em" Stewart knows Jack is inherently different in all regards. Em has never had a man provide her with enough excitement, praise, or variety to keep her attention for long. As a result, she's never had a relationship. Until that night when a muscular tattooed biker steps in to her life and 'takes care of' the abuser. Jack can only be with one type of woman; the type who lets him call the shots in the bedroom. Emily agrees to an exclusive relationship, because her heart and being know no other way and because Jack isn't one to cheat, lie, or do anything but love completely and love HARD. There's one BIG problem. An undercover ATF agent. Will this shatter what they've built, will the walls crumble, and will Jack go to prison? If he does will their bond survive?

Then he met his Fated Mate, and he knew there was no line he wouldn't cross for her. Annette Vogel is an investigative journalist and no stranger to chasing a story. Freshly back from Afghanistan, her therapist tells her that she needs to take it easy, that working through PTSD is a process. But crossing those kinds of people can have deadly consequences, especially when the story starts chasing her. MUNDO: Jimmy "Mundo" Aston always found himself deep in the sh*t. Whether it was going at it with rival bikers or cops, he never let his opponent get the better of him. This attitude was why he found himself in jail, eager to get out and back with his Club. Sex. Who really knows sex? I mean, we've all had sex, great sex even but when you get down to the details, how many of us actually see sex for the raw, primal act that it is? I thought I knew sex. I've had sex. Heck, I've felt lust. Once, I've even felt love. I thought I knew exactly what sex was. Until I met Cade. He's the meaning of sex. He's a biker. He's dangerous. He's powerful. He's dominant. He wants me. My world is about to change, for the better? I don't know. But here's my story, I hope you're ready for it because it's not the beautiful, heart wrenching story most people have to tell. It's passionate, forbidden, morally incorrect and downright, fucking beautiful.

Since she wanted nothing to do with his son, billionaire player Brodie must prepare to face a new role in life, single fatherhood, with a strong emphasis on single. Feeling disgruntled and abandoned by the mother of his child, the former playboy has no plans to get involved with any new bunnies anytime soon, if ever. After all, what's the point of being rich if he has to worry all the time about being taken advantage of? When his tiny Thomas arrives, it is that new life rather than dead presidents that now dictates the terms of Brodie's life, at least until he meets Cara Rodriguez, a walking, talking breath of fresh air, with a scorching hot body. Brodie only lets his guard down enough for a one-night stand, but little does he know that Cara will turn out to be good for him and his precious son. As hard as he tries, he cannot fight the heat and passion he feels when he's around her. Just when things appear to be perfect, will Brodie's player ways ruin the best thing he and his little Thomas could have ever hoped for, or will Cara overlook his imperfections and love the billionaire and his baby? Book 2 What if your best chance for blistering passion is also a one-in-a-billion, unrealistic one? Julie Corbin is a stunning, successful nurse, but she's all alone in the sexy city of Washington, DC. She was sure the last guy who hit on her couldn't have possibly taken her seriously, but he certainly captured her deepest desires. In fact, he made her want more than any man ever had. The very delicious, very single billionaire Brodie Rogan is also a new father who just so happens to be Julie's former boss. After a tumultuous parting of ways, one thing after another leads them back to each other. Two lonely people with so much going for them, they learn they share more than just a love for dance. Their chemistry is so powerful and erotic that they can't keep their hands off each other. In their secret moments, they're driven to new heights to which neither has dared travel before. While Julie can't stop fantasizing about a future with the wealthy, powerful Brodie,

it is Mr. Rogan's shady past that she's caught up in, and that comes at a high price. Just as she reaches the crescendo, when she is at her all-time happiest, she has devastating run-ins with the mother of Brodie's child and his last lady love. Overcome with jealousy and insecurity, Julie begins to doubt Brodie, and he suddenly loses his Prince Charming appeal. Will Brodie's pesky past be enough to put an end to their fiery affair? Can Julie really bear to walk away from that romantic, magical world the dashing billionaire has to offer, or will she be seduced by those enchanting lips that beg her for one more chance? Book 3 Of all the reckless things that single dad and billionaire Brodie Rogan's done in his life, giving the woman he loves a job with him is at the top of the list. Taking the Heat

Kat After being raised by my asshole police officer father and my subservient mother, I went off to college with a penchant for outlaw alpha males. I knew Dalton Biskette was in the Selected Sinners MC, and a bad boy; but the night he walked into my bar I had no idea just how bad he really was. Covered in tattoos, muscles, and wearing his cut, he exuded masculinity and sex from his every pore. On the first night he made me laugh, he made me uncomfortable, and he made me have sex with him. Well, the last parts a lie, I wanted it more than he did. He was perfect in my eyes. My police officer father disagrees And so does my former Marine ex-boyfriend who just got out of jail. Biscuit The license plate on my bike says it all - RFOF - Ride, F*ck, Or Fight. I've never met a girl who made me feel she deserved my undivided attention until I met Kat. She's beautiful inside and out, and she is able to take all I can sexually dish out without a moment's complaint. There's only one problem, her father's a cop. And I hate cops. If he thinks he can stop me from fucking his daughter, he's dead wrong. Dead wrong. HUNG is a stand-alone MC Romance with an HEA, no cheating, nor is there sharing of partners, but the sex is detailed, graphically depicted, and frequent. This novel is a LOVE STORY and contains 71,000 words of action-packed erotic romance. No other book is required to tell this tale. PLEASE be over 18 to enjoy this book. HUNG is book IV in the Selected Sinners series of stand-alone full length novels
