Return to the world of criminal profiler Maggie O'Dell, in book 3 of the thrilling series by bestselling author Alex Kava. In a secluded cabin six young men stage a deadly standoff with FBI agents. In a wooded area near the FDR Memorial in Washington, the body of a senator's daughter is discovered. For FBI Special Agent Maggie O'Dell, there is nothing routine about being called in to work these two cases. As an expert criminal profiler, Maggie provides psychological insight on cases that involve suspected serial killers. She can't understand, then, why she has been assigned to two seemingly unrelated crimes. But as Maggie and her partner, Special Agent R. J. Tully, delve deeper into the cases, they discover there is a connection: Reverend Joseph Everett, the charismatic leader of a high-profile religious sect. The men holed up in the cabin were members of Everett's church, and the murder of the young woman took place following one of Everett's rallies. Is Everett a psychotic madman who uses his power to perform heinous crimes? Or is he merely the scapegoat for a killer more cunning than he? Maggie realizes the only way to find out is by using her own mother, a member of Everett's church, as a pawn in a deadly trap. Originally published in 2002

Four hundred years after a nuclear apocalypse, all humans are born in pairs: the Alphas, and their deformed Omega twins, who are ruthlessly oppressed. But despite their claims of superiority, the Alphas cannot escape one harsh fact: Whenever one twin dies, so does the other. Following the events of The Fire Sermon, the Omega resistance has been brutally attacked, its members dead or in hiding. The Alpha Council’s plan for permanently containing the Omegas has begun. But all is not entirely lost: the Council’s seer, the Confessor, is dead, killed by her twin’s sacrifice. Cass is left haunted by visions of the past, while her brother Zach’s cruelty and obsession push her to the edge and threaten to destroy everything she hopes for. As the country moves closer to all-out civil war, Cass will learn that to change the future she will need to uncover the past. But nothing can prepare her for what she discovers: a deeply buried secret that raises the stakes higher than ever before.

With Lucifer's plan coming to fruition, she must decide if God's offer of humanity is all it's cracked up to be, or if a deal with the devil is the more promising solution. Soul Catcher, Book 4 A murder. A mission. A mystery. Dane Michaels has been to Hell and back and isn't interested in repeating the experience. But as a human caught up in the Soulkeeper's world, his life isn't exactly his own. No one can explain why Dane was allowed through the gates of Eden, but it's changed everything. Now, the only one who can make him feel safe is Ethan, the telekinetic Soulkeeper with a dark past and a heart of gold. When Malini asks Dane to be part of a mission to find the last Soulkeeper, Cheveyo, more than one team member thinks she's tempting Fate. But Malini suspects Fate has had a hand in Dane's life for some time and that he could be the key to unraveling Lucifer's latest plan of attack. Lost Eden, Book 5 Rules. Balance. Consequences. War. When Fate gave Dane the water from Eden to drink, she did more than save his life. She changed his destiny. Since the beginning, a covenant between God and Lucifer has maintained a tenuous peace, balancing Soulkeepers and Watchers and the natural order of things. Dane upset that balance the day he became a Soulkeeper. Fate broke the rules. Now, Lucifer is demanding a consequence, requiring Fate to pay the ultimate price for her involvement. God intervenes on the immortal's behalf but in order to save her soul must dissolve the covenant and with it the rules, order, and balance that have kept the peace. A challenge is issued. A contest for human souls begins. And the stakes? Earth. Winner take all. The Soulkeepers are at the center of a war between Heaven and Hell, and this time nobody, anywhere,

is safe from Lucifer's reach. The Last Soulkeeper, Book 6 The end is near. Just when the Soulkeepers think they've established a foothold in the war between Heaven and Hell, the playing field shifts. Enraged by Cord's disappearance, Lucifer replaces his right-hand man with the Wicked Brethren, three Watchers so formidable even their own kind fears them.
