Landscape with Invisible Hand

The grandson of Shea, Wil Ohmsford, searches for Amberle, the Chosen whose gift of Bloodfire is needed to create the Ellcrys tree that protects against demons. Reissue.

Girl Gone Viral

Sam leads a pretty normal life. He may not have the most exciting job in the world, but he's doing all right—until a fast food prank brings him to the attention of Douglas, a creepy guy with an intense

violent streak. Turns out Douglas is a necromancer who raises the dead for cash and sees potential in Sam. Then Sam discovers he's a necromancer too, but with strangely latent powers. And his worst nightmare wants to join forces . . . or else. With only a week to figure things out, Sam needs all the help he can get. Luckily he lives in Seattle, which has nearly as many paranormal types as it does coffee places. But even with newfound friends, will Sam be able to save his skin? *Hold Me Closer, Necromancer* is a 2011 Bank Street - Best Children's Book of the Year.

Of Poseidon

Colby's post-high school plans were that he and his best friend Bev would tour with her band, then spend a year in Europe, but when she decides to start college just after the tour, Colby struggles to understand what losing her means for his future.

The Uninvited Guests

Perfect for fans of *Warcross* and *Black Mirror*, *Girl Gone Viral* is the inventive and timely story of a seventeen-year-old coder's catapult to stardom. For seventeen-year-old Opal Hopper, code is magic. She builds entire worlds from scratch: Mars craters, shimmering lakes, any virtual experience her heart desires. But she can't code her dad back into her life. When he disappeared after her tenth birthday, leaving only a cryptic note, Opal tried desperately to find him. And when he never turned up, she enrolled at a boarding school for technical prodigies and tried

to forget. Until now. Because WAVE, the world's biggest virtual reality platform, has announced a contest where the winner gets to meet its billionaire founder. The same billionaire who worked closely with Opal's dad. The one she always believed might know where he went. The one who maybe even murdered him. What begins as a small data hack to win the contest spirals out of control when Opal goes viral, digging her deeper into a hole of lies, hacks, and manipulation. How far will Opal go for the answers--or is it the attention--she's wanted for years?

Insomnia

A Peculiar Peril is a head-spinning epic about three friends on a quest to protect the world from a threat as unknowable as it is terrifying, from the Nebula Award-winning and New York Times bestselling author of Annihilation, Jeff VanderMeer. Jonathan Lamshead stands to inherit his deceased grandfather's overstuffed mansion—a veritable cabinet of curiosities—once he and two schoolmates catalog its contents. But the three soon discover that the house is filled with far more than just oddities: It holds clues linking to an alt-Earth called Aurora, where the notorious English occultist Aleister Crowley has stormed back to life on a magic-fueled rampage across a surreal, through-the-looking-glass version of Europe replete with talking animals (and vegetables). Swept into encounters with allies more unpredictable than enemies, Jonathan pieces together his destiny as a member of a secret society devoted to keeping our world separate from Aurora. But as the ground shifts

and allegiances change with every step, he and his friends sink ever deeper into a deadly pursuit of the profound evil that is also chasing after them.

The Fierce Reads Anthology

An award-winning first novel follows the experiences of foster kid Carley, who uses humor and street smarts to cope with her unpredictable life until the loving, bustling Murphy family offers her more stability and a greater sense of belonging than she ever thought possible.

The Hunt

Praise: "Insomnia was the perfect blend of everything I love in a story. Suspense, twists, characters with many levels I relished the creepiness and intrigue of the dreams. I highly recommend this book to everyone, and I hope a sequel comes soon!"—JAMES DASHNER, NEW YORK TIMES BESTSELLING AUTHOR OF THE MAZE RUNNER "Cleverly written and dangerously dark, Insomnia will take you to the brink of insanity. A must-read for thriller and romance fans alike."—ELANA JOHNSON, AUTHOR OF POSSESSION "Insomnia is suspenseful, fascinating, and completely unputdownable. I've decided to nickname Jenn Johansson 'Scary McScarypants,' because she spooked me in all the best ways."—CARRIE HARRIS, AUTHOR OF BAD TASTE IN BOYS "A riveting story of terror and despair that will keep you up long past your bedtime."—JENNIFER BOSWORTH, AUTHOR OF STRUCK

Shadow and Bone

Some men are born monsters . . . others are made so. In "Prophet," Rance Ridley, the teenage son of a cult leader, lives on an isolated compound, disconnected from modern civilization. There is no running water. No electricity. And no law but the Prophet's. When Rance is caught in an act of flagrant disobedience, his father delivers the ultimate punishment, and Rance is set on a course that will change everything. 'Prophet' is a disturbing glimpse into the past of the villain of Jennifer Bosworth's debut novel, *Struck*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Prophet

From the award-winning author of "The Great Trouble" comes a story of espionage, survival, and friendship during World War II that reminds readers that times of war call for bravery, brains, and teamwork from even the most unlikely heroes.

One for the Murphys

Mia Price is a lightning addict. She's survived countless strikes, but her craving to connect to the energy in storms endangers her life and the lives of those around her. Los Angeles, where lightning rarely strikes, is one of the few places Mia feels safe from her addiction. But when an earthquake devastates the city, her haven is transformed into a minefield of chaos and danger. The beaches become massive tent

cities. Downtown is a crumbling wasteland, where a traveling party moves to a different empty building each night, the revelers drawn to the destruction by a force they cannot deny. Two warring cults rise to power, and both see Mia as the key to their opposing doomsday prophecies. They believe she has a connection to the freak electrical storm that caused the quake, and to the far more devastating storm that is yet to come. Mia wants to trust the enigmatic and alluring Jeremy when he promises to protect her, but she fears he isn't who he claims to be. In the end, the passion and power that brought them together could be their downfall. When the final disaster strikes, Mia must risk unleashing the full horror of her strength to save the people she loves, or lose everything.

Unbreakable

This anthology includes short stories from five fierce young adult authors! Inside, you'll find a magical mermaid tale from Anna Banks, a fantastical Russian-influenced story from Leigh Bardugo, an electric thriller from Jennifer Bosworth, a post-apocalyptic drama from Emmy Laybourne, and a cybernetic fairytale from Marissa Meyer. This free anthology will give you an exciting taste of the fierceness of these authors' debut novels. For more information about Fierce Reads, visit the Facebook page.

Wither

Arranged by genre and topic, the middle school librarian recommends one hundred recently-published

titles that are highly regarded by adults and popular with teens.

The Disenchantments

Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold.

Watch the Girls

New York, Los Angeles, and Washington, D.C., have been abandoned. The Bill of Rights has been revoked, and replaced with the Moral Statutes. There are no more police—instead, there are soldiers. There are no more fines for bad behavior—instead, there are arrests, trials, and maybe worse. People who get arrested usually don't come back. Seventeen-year-old Ember Miller is old enough to remember that things weren't always this way. Living with her rebellious single mother, it's hard for her to forget that people weren't always arrested for reading the wrong books or staying out after dark. It's hard to forget that life in the United States used to be different. Ember has perfected the art of keeping a low profile. She knows how to get the things she needs, like food stamps and hand-me-down clothes, and how to pass the random home inspections by the military. Her life is as close to peaceful as circumstances allow. That is, until her mother is arrested for noncompliance with Article 5 of the Moral Statutes. And one of the arresting officers is

none other than Chase Jennings the only boy Ember has ever loved. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Reading Rants

Unfettered is an anthology of original fantasy fiction by some of the very biggest names in fantasy fiction, and it also features deleted scenes from A MEMORY OF LIGHT, the final book in Robert Jordan's Wheel of Time series. This collection is not only a fantastic anthology in its own right, but it's a testament to the generosity found in the science fiction and fantasy community. When author Shawn Speakman fell seriously ill and was unable to pay his medical bills, that's when New York Times bestselling author Terry Brooks offered to donate a short story that Shawn could sell to help alleviate those bills. He also suggested he ask the same of his other writer friends, and Unfettered is the incredible result. Twenty-four tales comprise this superb collection, and as the title suggests, the writers were free to contribute whatever they wished. Table of contents: - Foreword by Patrick Rothfuss - Introduction: On Becoming Unfettered - Imaginary Friends by Terry Brooks - How Old Holly Came To Be by Patrick Rothfuss - The Old Scale Game by Tad Williams - Game of Chance by Carrie Vaughn - The Martyr of the Roses by Jacqueline Carey - Mudboy by Peter V. Brett - The Sound of Broken Absolutes by Peter Orullian - The Coach with Big Teeth by R.A. Salvatore - Keeper of Memory by Todd Lockwood - Heaven in a Wild Flower by Blake

Charlton - Dogs by Daniel Abraham - The Chapel Perilous by Kevin Hearne - Select Mode by Mark Lawrence - All the Girls Love Michael Stein by David Anthony Durham - Strange Rain by Jennifer Bosworth - Nocturne by Robert V.S. Redick - Unbowed by Eldon Thompson - In Favour with Their Stars by Naomi Novik - River of Souls by Robert Jordan & Brandon Sanderson - The Jester by Michael J. Sullivan - The Duel by Lev Grossman - Walker and the Shade of Allanon by Terry Brooks - The Unfettered Knight by Shawn Speakman - The Twilight Dragon by Shawn Speakman (bonus story for UK edition)

52 Reasons to Hate My Father

Lauren has visions of girls her own age who are gone without a trace, but while she tries to understand why they are speaking to her and whether she is next, Lauren has a brush with death and a shocking truth emerges.

Unfettered

There was a time when the woods near Duvana ate girls so the story goes. But it's just possible that the danger may be a little bit closer to home. This story is a companion folk tale to Leigh Bardugo's debut novel, *Shadow and Bone*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Walls Around Us

Gravity

An elusive stalker is targeting Marlowe kids — and something unearthly has gotten into its wealthiest student — as the Another series builds up to a fiendish finale. When his billionaire father marries French governess Nicola Vileroy, high society is all abuzz — but Thomas, the most popular student at Marlowe, is just plain high. Ever since his girlfriend Belle dumped him, he's been spending less time with old friends and more time getting wasted at clubs. But after someone slips him a designer drug one night — and his stepmother seems to know way too much about his private life — things really start to get scary. As Thomas's blackouts give way to a sinister voice inside his head, and as news of a vicious hate crime has students on edge, Thomas comes to the sickening realization that Madame Vileroy has involved him in a horrifying supernatural plan. How can he muster the strength and will to stop it? The pulse-quickening climax revisits Jekyll and Hyde as a current-day cautionary tale laced with a heady dose of paranormal intrigue.

A Peculiar Peril

It's rural England, just after the turn of the last century. Charlotte married Edward Shift after the sudden death of her first husband, Horace Torrington. They live at Sterne, the home they are in danger of losing due to a financial crisis, with Charlotte's 3 children: Emerald, Clovis and Smudge. On the day of Emerald's birthday party, a terrible train wreck occurs on a branch line and the stranded passengers seek refuge at Sterne. Among these passengers is Charlie Traversham-Beechers, a sketchy figure from Charlotte's past. This unusual guest list makes for an unforgettable birthday celebration for Emerald and an evening of the past literally coming back to haunt Charlotte.

Hold Me Closer, Necromancer

Being America's favorite heiress is a dirty job but someone's gotta do it. Lexington Larrabee has never had to work a day in her life. After all, she's the heiress to the multi-billion-dollar Larrabee Media empire. And heiresses are not supposed to work. But then again, they're not supposed to crash brand-new

Mercedes convertibles into convenience stores on Sunset Boulevard either. Which is why, on Lexi's eighteenth birthday, her ever-absent, tycoon father decides to take a more proactive approach to her wayward life. Every week for the next year, she will have to take on a different low-wage job if she ever wants to receive her beloved trust fund. But if there's anything worse than working as a maid, a dishwasher, and a fast-food restaurant employee, it's dealing with Luke, the arrogant, albeit moderately attractive, college intern her father has assigned to keep tabs on her. In Jessica Brody's hilarious "comedy of heiress" about family, forgiveness, good intentions, and best of all, second chances, Lexi learns that love can be unconditional, money can be immaterial, and regardless of age, everyone needs a little saving. And although she might have fifty-two reasons to hate her father, she only needs one reason to love him.

The Witch of Duva

At age twelve, Sophie learns that the remarkable abilities that have always caused her to stand out identify her as an elf, and after being brought to Eternalia to hone her skills, discovers that she has secrets buried in her memory for which some would kill.

Nutrition in Intensive Care Medicine

National Book Award winner M. T. Anderson returns to future Earth in a sharply wrought satire of art and truth in the midst of colonization. When the vuvv first

landed, it came as a surprise to aspiring artist Adam and the rest of planet Earth — but not necessarily an unwelcome one. Can it really be called an invasion when the vuvv generously offered free advanced technology and cures for every illness imaginable? As it turns out, yes. With his parents' jobs replaced by alien tech and no money for food, clean water, or the vuvv's miraculous medicine, Adam and his girlfriend, Chloe, have to get creative to survive. And since the vuvv crave anything they deem classic Earth culture (doo-wop music, still life paintings of fruit, true love), recording 1950s-style dates for the vuvv to watch in a pay-per-minute format seems like a brilliant idea. But it's hard for Adam and Chloe to sell true love when they hate each other more with every passing episode. Soon enough, Adam must decide how far he's willing to go — and what he's willing to sacrifice — to give the vuvv what they want.

Born Wicked

Another Jekyll, Another Hyde

Reaching beyond traditional nutrition support The care of ICU patients has seen many improvements over the years, both with regard to technical aspects and supportive measures. The first part of this book analyzes nutritional support at various levels, ranging from the cell level to the whole-body aspect; drawing on recent prospective randomized studies, the authors propose a new approach for oral, enteral and/or parenteral nutrition. The second part underlines the interference between nutrition and outcome to reach recovery, giving to this field an increased importance for better short and long term management: The best glucose control, individualized nutritional support and the avoidance of harmful interferences is extensively discussed. The final part deals with patients suffering from multi-organ failure and the need for a better understanding of the interactions between disease and nutrition. Identification of the metabolic condition of the patient, existence or not of evidence-based medicine, expert opinion, treatment opportunities and the case manager recognizing threats are all integrated to reach the appropriate decision. This last part will help the reader to untangle the complexity of the ICU patient of the 21st century and to propose a personalized nutritional support process.

The Killing Jar

“With evocative language, a shifting timeline and more than one unreliable narrator, Suma subtly explores the balance of power between the talented and the mediocre, the rich and the poor, the brave

and the cowardly . . . To reveal more would be to uncover the bloody heart that beats beneath the floorboards of this urban-legend-tinged tale.” —The New York Times

The Walls Around Us is a ghostly story of suspense told in two voices--one still living and one dead. On the outside, there’s Violet, an eighteen-year-old ballerina days away from the life of her dreams when something threatens to expose the shocking truth of her achievement. On the inside, within the walls of a girls’ juvenile detention center, there’s Amber, locked up for so long she can’t imagine freedom. Tying these two worlds together is Orianna, who holds the key to unlocking all the girls’ darkest mysteries: What really happened on the night Orianna stepped between Violet and her tormentors? What really happened on two strange nights at Aurora Hills? Will Amber and Violet and Orianna ever get the justice they deserve--in this life or in another one?

PRAISE FOR THE WALLS AROUND US: “A gorgeously written, spellbinding ghost story.” —Chicago Tribune

“Unputdownable . . . the well-paced plot reveals guilt, innocence, and dark truths that will not stay hidden.” —The Boston Globe

“Suma excels in creating surreal, unsettling stories with vivid language, and this psychological thriller is no exception. Along the way, Suma also makes a powerful statement about the ease with which guilt can be assumed and innocence awarded, not only in the criminal justice system, but in our hearts--in the stories we tell ourselves. A fabulous, frightening read.” —Booklist, starred review

“The wholly realistic view of adolescents meeting the criminal justice system is touched at first with the slimmest twist of an otherworldly creepiness, escalating finally to the truly hair-raising and

macabre. Eerie, painful and beautifully spine-chilling.”

17 & Gone

"I try not to think about it, what I did to that boy."
Seventeen-year-old Kenna Marsden has a secret. She's haunted by a violent tragedy she can't explain. Kenna's past has kept people—even her own mother—at a distance for years. Just when she finds a friend who loves her and life begins to improve, she's plunged into a new nightmare: her mom and twin sister are attacked, and the dark powers Kenna has struggled to suppress awaken with a vengeance. On the heels of the assault, Kenna is exiled to a nearby commune, known as Eclipse, to live with a relative she never knew she had. There, she discovers an extraordinary new way of life as she learns who she really is, and the wonders she's capable of. For the first time, she starts to feel like she belongs somewhere; that her terrible secret makes her beautiful and strong, not dangerous. But the longer she stays at Eclipse, the more she senses there is something menacing lurking underneath its idyllic veneer. And she begins to suspect that her new family may have sinister plans

for her

The Girl in the Clockwork Collar

A thrilling debut packed with action and mystery. Aliens never looked so good." –Jennifer L. Armentrout, #1 NYT bestselling author In the future, only one rule will matter: Don't. Ever. Peek. Seventeen-year-old Ari Alexander just broke that rule and saw the last person she expected hovering above her bed — arrogant Jackson Locke, the most popular boy in her school. She expects instant execution or some kind of freak alien punishment, but instead, Jackson issues a challenge: help him, or everyone on Earth will die. Ari knows she should report him, but everything about Jackson makes her question what she's been taught about his kind. And against her instincts, she's falling for him. But Ari isn't just any girl, and Jackson wants more than her attention. She's a military legacy who's been trained by her father and exposed to war strategies and societal information no one can know — especially an alien spy, like Jackson. Giving Jackson the information he needs will betray her father and her country, but keeping silent will start a war. The Taking series is best enjoyed in order. How I Became a Spy

What Sawyer's seeing might mean murder. The second "dramatic, quick-paced thriller (Kirkus Reviews)" in a series from the New York Times bestselling author of the Wake trilogy. Jules should be happy. She saved a lot of people's lives and she's finally with Sawyer, pretty much the guy of her dreams. But the nightmare's not over, because she somehow managed to pass the psycho vision stuff to Sawyer. Excellent. Feeling responsible for what he's going through and knowing that people's lives are at stake, Jules is determined to help him figure it all out. But Sawyer's vision is so awful he can barely describe it, much less make sense of it. All he can tell her is there's a gun, and eleven ear-splitting shots. Bang. Jules and Sawyer have to work out the details fast, because the visions are getting worse and that means only one thing: time is running out. But every clue they see takes them down the wrong path. If they can't prevent the vision from happening, lives will be lost. And they may be among the casualties...
