GED Study Guide!

It's no secret that the GED exam has a higher than normal fail rate. Most people fail the exam because they don't know what to study in order to pass. There is so much information out there about the GED exam that it can feel overwhelming at first. Due to this confusion, people pay hundreds of dollars in testing fees and waste countless years of their lives attempting to pass this exam. We don't want you to end up this way. Imagine just for a minute, what it would be like to 'figure it all out' - to wave a magic wand and all of the sudden turn a corner so that you're keeping up instead of falling behind, understanding what's going on instead of having anxiety because you're so confused, and walking into the room to take your GED exam feeling cool, calm and collected instead of sleep-deprived and nervous. Do you like the sound of that? If you said 'YES' to that question then you are in luck because our full time job is literally to help you do just that! Here at UGO Prep, we specialize in studying exam behaviors to a science. We've spent years evaluating the methods of the GED exam in order to create our study guide. When we released our GED guide to the public, we noticed a big improvement in the confidence level of people who used our material to prepare for their exam. We also noticed an increase in the pass rate of people who used our study guide when compared to people who used other guides. Most companies would stop there, BUT WE DIDN'T! We started on the long process of pouring over data to find out where our study guide fell short and where we can improve. We refined our study guide to target those weak areas that most people struggle with every year on the exam. Shortly after, we tested our study guide from beginning to end using people who wanted to pass their GED exam. Men and women. Both young and old. Time and time again, people who used our study successfully passed their exam. Our #1 priority here at UGO Prep is to help you pass your GED exam quickly and effortlessly. You shouldn't have to 'Get Serious' or change your priorities in life just so you can pass this exam. Why study harder when you can study smarter? Let's get started together!

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • O: The Oprah Magazine • BookPage • Kirkus Reviews • Booklist • School Library Journal In this striking literary debut, Carol Rifka Brunt unfolds a moving story of love, grief, and renewal as two lonely people become the unlikelyst of friends and find that sometimes you don't know you've lost someone until you've found them.

NATIONAL BESTSELLER • NAMED A FAVORITE READ BY GILLIAN FLYNN • WINNER OF THE ALEX AWARD 1987. There's only one person who has ever truly understood fourteen-year-old June Elbus, and that's her uncle, the renowned painter Finn Weiss. Shy at school and distant from her older sister, June can only be herself in Finn's company; he is her godfather, confidant, and best friend. So when he dies, far too young, of a mysterious illness her mother can barely speak about, June's

world is turned upside down. But Finn's death brings a surprise acquaintance into June's life—someone who will help her to heal, and to question what she thinks she knows about Finn, her family, and even her own heart. At Finn's funeral, June notices a strange man lingering just beyond the crowd. A few days later, she receives a package in the mail. Inside is a beautiful teapot she recognizes from Finn's apartment, and a note from Toby, the stranger, asking for an opportunity to meet. As the two begin to spend time together, June realizes she's not the only one who misses Finn, and if she can bring herself to trust this unexpected friend, he just might be the one she needs the most.
