The Affair

BONUS: This edition contains an excerpt from Lee Child's Make Me. Jack Reacher. Hero. Loner. Soldier. Soldier's son. An elite military cop, he was one of the army's brightest stars. But in every cop's life there is a turning point. One case. One messy, tangled case that can shatter a career. Turn a lawman into a renegade. And make him question words like honor, valor, and duty. For Jack Reacher, this is that case. New Year's Day, 1990. The Berlin Wall is coming down. The world is changing. And in a North Carolina "hot-sheets" motel, a two-star general is found dead. His briefcase is missing. Nobody knows what was in it. Within minutes Jack Reacher has his orders: Control the situation. But this situation can't be controlled. Within hours the general's wife is murdered hundreds of miles away. Then the dominoes really start to fall. Two Special Forces soldiers—the toughest of the tough—are taken down, one at a time. Top military commanders are moved from place to place in a bizarre game of chess. And somewhere inside the vast worldwide fortress that is the U.S. Army, Jack Reacher—an ordinarily untouchable investigator for the 110th Special Unit—is being set up as a fall guy with the worst enemies a man can have. But Reacher won't quit. He's fighting a new kind of war. And he's taking a young female lieutenant with him on a deadly hunt that leads them from the ragged edges of a rural army post to the winding streets of Paris to a confrontation with an enemy he didn't know he had. With his French-born mother dying—and divulging to her son one last, stunning secret—Reacher is forced to question everything he once believed...about his family, his career, his loyalties—and himself. Because this soldier's son is on his way into the darkness, where he finds a tangled drama of

desperate desires and violent death—and a conspiracy more chilling, ingenious, and treacherous than anyone could have guessed.

No Middle Name

Settling into a peaceful life in Key West, Reacher is disturbed when a stranger comes looking for him, a man who turns up dead in the Old Town cemetery and who leads him on a perilous trail to New York.

Die Trying

A discharged soldier is framed for a murder by the chief of police in a small town in Georgia where he has just arrived. When the soldier learns that the murdered man was his brother he breaks out of jail and carries out his own investigation. A first novel.

Never Go Back

A successful woman entrepreneur addresses the taboo of depression that pervades African-American culture, drawing on her own experiences of suffering and recovery while counseling readers from all walks of life on how to overcome cycles of denial and psychological pain. Reprint. 50,000 first printing.

The Fourth Man

“Gripping and suspenseful . . . Child ratchets up the suspense to new heights.”—The Denver Post Jack Reacher lives for the moment. Without a home. Without commitment. And with a burning desire to right wrongs—and rewrite his own agonizing past. DEA Susan Duffy is living for the future, knowing that she has made a terrible mistake by putting one of her own female agents into a death trap within a heavily guarded Maine mansion. Staging a brilliant ruse, Reacher hurtles into the dark heart of a vast criminal enterprise. Trying to rescue an agent whose time is running out, Reacher enters a crime lord’s waterfront fortress. There he will find a world of secrecy and violence—and confront some unfinished business from his own past. Praise for Persuader “A page-turner . . . [Lee] Child’s tale drives hard and fast.”—Los Angeles Times Book Review “Wickedly addictive . . . so fast-paced it makes the eyeballs spin.”—Orlando Sentinel “A story that will sweep you along as fast as some of the riptides Reacher survives.”—St. Petersburg Times

Because a killer is coming to Bolton, a coldly proficient assassin who never misses. Reacher’s original plan was to keep on moving. But the next 61 hours will change everything. The secrets are deadlier and his enemies are stronger than he could have guessed—but so is the woman he’ll risk his life to save. “Masterful . . . a tour-de-force of both structure and suspense.”—The Providence Journal “Child keeps his foot hard on the throttle. . . . The Affair

For the first time—the first six explosive novels in Lee Child's #1 New York Times bestselling Jack Reacher series—now together in one e-book package! He never looks for trouble But trouble never stops looking for him. KILLING FLOOR Ex-military policeman Jack Reacher isn’t in the small town of Margrave, Georgia for less than an hour before he’s arrested for murder. Not much of a welcome. All Reacher knows is that he didn’t kill anybody. At least not lately. But he doesn’t stand a chance of convincing anyone. Not a chance in hell DIE TRYING When a woman is kidnapped off a Chicago street in broad daylight, Jack Reacher is unlucky enough to be taken with her. They’re at the mercy of a group of men demanding an impossible ransom. Because Reacher’s female companion is worth more than he imagines. Now he has to save them both—from the inside out—or die trying... TRIPWIRE Reacher’s anonymity in Florida is shattered by an investigator who’s looking for him. But soon after his arrival, the man is murdered. Retracing the PI’s trail back to New York, Reacher wants to find out who was looking for him—and why. But he never expected the reasons to be so personal or lethal. RUNNING BLIND Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no evidence, no fatal wounds, no signs of struggle, and no apparent motive. They are truly perfect crimes. In fact, there’s only one thing that links the victims Jack Reacher. ECHO RUNNING Thumbing across the scorched Texas desert, Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For Reacher, a

lift comes with a hitch. Carmen's got a wild story—about her husband, her family, and a hometown that's pure gothic. She's also got a plan for all of them. And now Reacher's part of it WITHOUT FAIL Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: assassinate the vice president of the United States. In theory, that is. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. And they've planned for everything except for Reacher.

Second Son: A Jack Reacher Story

Jack Reacher races to solve the perfect crime in the fourth novel in Lee Child's New York Times bestselling series. Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no trace evidence, no fatal wounds, no signs of struggle, and no clues to an apparent motive. They are, truly, perfect crimes. In fact, there's only one thing that links the victims. Each one of the women knew Jack Reacher—and it's got him running blind.

Personal

"Child's best for some timewith detective-story and romcom elements (even sly humour) on top of the psychological duels and set-piece violence." (Sunday Times) Jack Reacher has no place to go, and all the time in the world to get there. A remote railroad stop on the prairie with the curious name of Mother's Rest seems perfect for an aimless one-day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly-ripe wheat. Instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths, and a small town full of silent, watchful people. Reacher's one-day stopover turns into an open-ended quest leading to the most hidden reaches of the internet, and right into the nightmare heart of darkness. Although the Jack Reacher novels can be read in any order, Make Me is 20th in the series.

The Essential Jack Reacher 12-Book Bundle

#1 NEW YORK TIMES BESTSELLER • Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher—and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott—an American marksman gone bad—is one of them. And after fifteen years in prison, he's out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a

rookie analyst who keeps her cool with Zoloff. But they're facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses—and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that happen again. Not this time. Not Nice. Reacher never gets too close. But now a killer is making it personal. Praise for Personal "The best one yet."—Stephen King "Reacher is the stuff of myth, a great male fantasy. . . . One of this century's most original, tantalizing pop-fiction heroes . . . Child does a masterly job of bringing his adventure to life with endless surprises and fierce suspense."—The Washington Post "Yet another satisfying page-turner."—Entertainment Weekly "Reacher is always up for a good fight, most entertainingly when he goes mano a mano with a seven-foot, 300-pound monster of a mobster named Little Joey. But it's Reacher the Teacher who wows here."—Marilyn Stasio, The New York Times

Deep Down: A Jack Reacher Story

Includes the bonus Jack Reacher short story High Heat.

KBL: Kill Bin Laden

THE BRAND NEW JACK REACHER STAND-ALONE SHORT STORY THAT SEES REACHER GOING DOWN UNDER FOR THE FIRST TIME - BUT POSSIBLY NOT THE LAST. It's a short read, but perfect for a coffee break. Jack Reacher, ex-military drifter of no fixed abode, is stalked and tracked down by an FBI agent. She tells him that in a house raid in Sydney, Australian law enforcement found a list. There were four people on it, including him. The other three are dead. Hours later, Reacher is in the air, on his way to Sydney. What was the evil buried twenty-five years ago, that has now resurfaced? Will Reacher be able to find the killers, before they find him?

The Jack Reacher Cases (Complete Books #10, #11 & #12)

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, Reacher—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have

disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that’s killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.

Working with acrobats and clowns hold no appeal for him, but his curiosity about animal acts is piqued after meeting lion tamer Jovilette Wilder. As bold and unpredictable a force of nature as the big cats she trains, Jo is wary her new boss intends to cage her passion. Night School

In thriller master Lee Child’s exclusive eBook short story, Jack Reacher must track down a spy in soldier’s clothing—by matching wits with four formidable females. Three are clean—but the fourth may prove fatal. Includes a thrilling preview of Lee Child’s hotly anticipated Jack Reacher novel, A Wanted Man! Summoned by Military Intelligence to Washington, D.C., Reacher is sent undercover. The assignment that awaits him: The army is meeting with its Capitol Hill paymasters for classified talks on a new, state-of-the-art sniper rifle for U.S. forces. But vital details about the weapon are leaking—straight from the Capitol and probably into the hands of unidentified foreign arms dealers. The prospect of any and every terrorist, mercenary, or dictator’s militia getting their hands on the latest superior firepower is unthinkable. That’s where Reacher comes in. His task: infiltrate the top-secret proceedings and smoke out the mole. His target: a quartet of high-powered Army political liaison officers—all of them fast-track women on their way to the top. According to his bosses, it’s a zero-danger mission. No need to draw a gun . . . just chat over drinks. But Reacher knows that things are rarely what they seem. And he’s learned the hard way never to underestimate an opponent. Or four. Lessons that will come in handy when he

starts digging for the truth—and gets his hands a lot dirtier than he expected. “Child is a superb craftsman of suspense.”—Entertainment Weekly “The truth about Reacher gets better and better.”—Janet Maslin, The New York Times

Past Tense

Determine your personality using a scientifically validated method based on the work of C.G. Jung and gain insight into why others behave the way they do, and why you are the person you are. What's your type? Would you rather celebrate with the whole crowd or just a few friends? . . . focus on the facts or get an overall impression? . . . go with what "seems logical" or what "feels fair"? . . . keep to a schedule or keep your options open? How you answer these questions is the very beginning of understanding who you are and how you relate to those around you, by using a new and exciting method called Typewatching. Otto Kroeger and Janet M. Thuesen have developed Typewatching from the Myers-Briggs Type Indicator, which was derived from the work of C. G. Jung. Now they have put together the first and only popular guide to the MBTI in Type Talk. Here is a one-of-a-kind guide that describes this scientifically validated approach to "name-calling," a method that has been used for more than forty years by individuals, families, corporations, and governments who want to communicate better. Typewatching as explained in Type Talk is easy to learn and natural to use. With even moderate practice it can help teachers teach and students learn, workers work and bosses boss. It can help lovers love, parents parent, and everyone accept themselves and others more easily. Best of all, Typewatching is fun. Type Talk examines the four pairs of preferences that are fundamental to every personality type: Extraversion/Introversion, Sensing/iNtuition, Thinking/Feeling, and Judging/Perceiving. Kroeger and Thuesen provide a self-evaluation that can be used to determine

which of each of these preferences best describes you. They delineate every combination of preferences—there are 16 different personality types, so you are sure to find yourself—and they go on to demonstrate how to analyze and evaluate other people as well. Once armed with this knowledge, you will learn how to thrive in a world of so many different types. Here is a celebration of the similarities and differences in people, an odyssey of discovery in which the final destination is success, satisfaction, and serenity.

Jack Reacher hits the pavement and sticks out his thumb. He plans to follow the sun on an epic trip across America, from Maine to California. He doesn't get far. On a country road deep in the New England woods, he sees a sign to a place he has never been: the town where his father was born. He thinks, What's one extra day? He takes the detour. At the same moment, in the same isolated area, a car breaks down. Two young Canadians had been on their way to New York City to sell a treasure. Now they're stranded at a lonely motel in the middle of nowhere. The owners seem almost too friendly. It's a strange place, but it's all there is. The next morning, in the city clerk's office, Reacher asks about the old family home. He's told no one named Reacher ever lived in town. He's always known his father left and never returned, but now Reacher wonders, Was he ever there in the first place? As Reacher explores his father's life, and as the Canadians face lethal dangers, strands of different stories begin to merge. NEW YORK TIMES BESTSELLER • "Jack Reacher is the coolest continuing series character now on offer."—Stephen King, in Entertainment Weekly #1 New York Times bestselling author Lee Child follows the electrifying 61 Hours with his latest Reacher thriller—a story that hits the ground running and then accelerates all the way to a colossal showdown. There's deadly trouble in the corn country of Nebraska . . . and Jack Reacher walks right into it. The Duncans want Reacher gone—and it's not just past secrets they're trying to hide. They're awaiting a secret shipment that's already late—and they have the kind of customers no one can afford to annoy. For as dangerous as the Duncans are, they're just the bottom of a criminal food chain stretching halfway around the world. The Enemy

With Reacher, #1 New York Times bestselling author Lee Child has created "a series that stands in the front rank of modern thrillers" (The Washington Post). Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child, *The Affair* is the start of the Reacher saga, a thriller that takes Reacher--and his readers--right to the edge . . . and beyond.

And on the streets of Portland, Jack Reacher—soldier, cop, hero—is pulled out of his wandering life by a code that few other people could understand. From Chicago, Frances Neagley finds Reacher, using a signal only the eight members of their elite team of army investigators would know. She tells him a terrifying story—about the brutal death of a man they both served with. Soon Reacher is reuniting with the survivors of his old team, scrambling to raise the living, bury the dead, and connect the dots in a mystery that is growing darker by the day. The deeper they dig, the more they don't know: about two other comrades who have suddenly gone missing—and a trail that leads into the neon of Vegas and the darkness of international terrorism. For now, Reacher can only react. To every sound. Every suspicion. Every scent and every moment. Then Reacher will trust the people he once trusted with his life—and take this thing all the way to the end. Because in a world of bad luck and trouble, when someone targets Jack Reacher and his team, they'd better be ready for what comes right back at them...
