What if you could unlock a better answer to your most vexing problem—in your workplace, community, or home life—just by changing the question? Talk to creative problem-solvers and they will often tell you, the key to their success is asking a different question. Take Debbie Sterling, the social entrepreneur who created GoldieBlox. The idea came when a friend complained about too few women in engineering and Sterling wondered aloud: "why are all the great building toys made for boys?" Or consider Nobel laureate Richard Thaler, who asked: "would it change economic theory if we stopped pretending people were rational?" Or listen to Jeff Bezos whose relentless approach to problem solving has fueled Amazon's exponential growth: "Getting the right question is key to getting the right answer." Great questions like these have a catalytic quality—that is, they dissolve barriers to creative thinking and channel the pursuit of solutions into new, accelerated pathways. Often, the moment they are voiced, they have the paradoxical effect of being utterly surprising yet instantly obvious. For innovation and leadership guru Hal Gregersen, the power of questions has always been clear—but it took some years for the follow-on question to hit him: If so much depends on fresh questions, shouldn't we know more

about how to arrive at them? That sent him on a research quest ultimately including over two hundred interviews with creative thinkers. Questions Are the Answer delivers the insights Gregersen gained about the conditions that give rise to catalytic questions—and breakthrough insights—and how anyone can create them.

Do miracles still happen today? What's the most spectacular miracle that's ever occurred? How is a miracle different from a coincidence? What effect should miracles have in my life? If you wonder about divine phenomena—their veracity, importance, frequency, source—Christian apologist Lee Strobel has answers to satisfy your mind and your heart. A former skeptic, Lee Strobel was convinced by the miracle of the resurrection that Jesus is the Son of God. This launched him on a two-year investigation of whether God is still performing miracles today. After witnessing multiple events in which God unmistakably intervened in people's lives in dramatic and well-documented ways, he was a skeptic no more. Through his research he also explored the existence of fake miracles, how God may use dreams and prayer to perform miracles, and whether miracles matter anymore. These frequently asked questions uncovered some astonishingly profound answers. Using the popular question-and-answer format, Lee will lead you on a voyage of discovery and discernment. You'll emerge with a deeper faith and a more profound sense of the lengths that God will go to strengthen the faith of His people.

The Answer Book: A Devotional for Busy Families recognizes that today's families keep hectic schedules, often leaving mere

scraps of time for asking and answering spiritual questions. Nancy Ruth brings years of experience in children's ministry and a master's degree in theology to bear in crafting a seven-week set of daily devotions that offers families assistance in exploring how to live as Christians. Adults, who sometimes find children challenging them with hard questions about the Christian life, will find *The Answer Book* enables them to ask those questions as a family, to listen to God's Word, and to discover its answers. Each weekly section addresses a major topic, including truth, the reasons for spending time with God, the identity of Jesus, and family discipleship. Each daily devotion shares a brief reflection, suggests a Bible reading, presents an "On the Road" challenge to the family, and calls for a "Weapon Check," in which one memorizes key scriptural passages. As you spend time around your children, you may wonder what drives them to ask endlessly, "Why?" *The Answer Book: A Devotional for Busy Families* gives you a structured—yet flexible—way to turn small blocks of time into moments for taking seriously their deep and heartfelt questions. By spending some time together as a family with these questions and with the message God reveals in the Scriptures, you will grow together to trust God more fully, to build your lives on a strong foundation, and to be prepared for life's coming challenges.
