### **The Misfortune, Manifestation, and Revelation of Onesiphorus Wood**

Perfect book to record and save important addresses and birthdays. As time goes by and the fullness and complexity of the days increase, this is more and more important. You can keep these addresses and birthdays from family, friends, business partners etc. for many years.

### **The Book of Revelation Code**

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

## **The Revelation Code**

Requies Dawn is the thrilling first installment of the Eternal Requiem trilogy by author J.L. Forrest. In the far future, the cosmos has been reshaped by forces more powerful than even the great Atreiani, Sultah yw Sabi. Though she once ruled all the System, aided by her brothers and sisters, she now finds herself a pariah and the enemy of her own kind, locked in a desperate bid to undo the horrors of her own past-and to survive in a world she no longer knows. To succeed, she will need the aid of an E'cwn huntress, Nyahri, whose own blood history is tied inseparably to the machinations of new gods, old spirits, and an ancient love that cannot die. In addition to the Eternal Requiem trilogy, J.L. Forrest is the author of numerous short stories, which have appeared in the likes of Analog Science Fiction and Fact, including the collections Delicate Ministrations and Minuscule Truths.

## **Winter Suns**

The study of the End Times has been a popular topic for many years, and there are many different positions that are proposed on how to understand the unfolding of God's program. The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer. It sometimes seems like everyone wants to get in on the action, and anyone who has an audience can (and has) put together his thoughts and made his opinions known through the printed page. Anyone can publish his views regardless of the level of competency in the original languages, his level of hermeneutic ability, or his understanding of history or theology. In his book *The Apocalypse Code*, Hank Hanegraaff declares that his goal is to "put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end-time models that may well be foreign to the text." It would be extremely helpful for someone to equip readers to be able to make their way through the maze of views. *What the Bible Really Says?* is a point-by-point analysis of the arguments of Hank Hanegraaff concerning end-times prophecy. This book is not an effort to promote one eschatological perspective over another. Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers, or whether he has simply added his voice and his opinions to the cacophony of claims and counterclaims.

## **The Seriously Silly ABC Book**

Three women from different generations struggle to understand the nature of love and family and the complexities of life's choices Dani (Present day) The clues to understanding her future lie hidden in the past. Solving a 130-year old mystery may be the only way to understand her life and save her crumbling marriage. Maggie (Present day) Maggie wants to complete the historical account of her Irish ancestor's arrival in North Idaho. But there's a piece of family drama missing that she

## Get Free The Apocalypse Code Find Out What Bible Really Says About End Times And Why It Matters Today Hank Hanegraaff

can't figure out on her own. A tragedy she can't explain. Mariah (1884) Her head filled with gold dust dreams, Mariah heads west in search of her fortune in North Idaho's gold rush. Entangled in the lives of two men, neither exactly whom they appear to be, she makes a choice that will echo through to the present.

### **Sha' Daa**

### **Zompoc Survivor**

Onesiphorus Wood is your average fifteen-year-old boy with orangutan arms, a big goofy nose, and hair shaped like a permanent swirly. Thanks to his miserable past, seemingly screwed up present, and mundane future, he is convinced his life sucks. When Onee wonders if there is something more to the life he's been living, something profoundly strange happens. He finds himself on a whirlwind adventure no one can explain. What would you do if you were burned half-to-death in Sodom, crushed by the Red Sea, and had a hand in making the walls of Jericho fall down, but couldn't remember doing it? Here lies Onee's gigantic problem; his Heavenly Father-who he knows nothing about-is behind all the craziness and turmoil. He is teaching Onee a valuable lesson by dropping him in the middle of the most famous Bible stories, so he can suffer through the bane and misfortune of others. Onee learns this: if you're convinced your life sucks, someone else's sucks worse, and to be saved, you must lose everything you love and die. For Onee, this required dying three times for good measure's sake, and then forgetting it ever happened in the first place. Onee's problem seemed impossible to solve, but with help from his best friend, Dee-the world's craziest dresser and braided-hair enthusiast-they may actually be able to solve it. Join Onee as he tells you his unforgettable story; how you must lose your life and everything you love in order to get it back. And when all hope seems lost, you can still find it in the most surprising places: the eyes of a frog, wearing enormous high heels, and the support of a friend who is willing to knock someone out cold for you. Can Onee and Dee's friendship survive festering uncertainty, constantly being on the run, and a million waffled questions? . . . all while their whole world crumbles around them like the walls of Jericho? Or, will Onee wake up one day to discover his beastly mess was one gigantic dream he will never forget?

### **The Apocalyptic Adventures of Private Winfred Scott Biegle**

Sha'Daa: Tales of the Apocalypse is a wild mix of the Sci-Fi, Fantasy, and end of the world genres that is well worth the time of any Survival fiction fan. Eric S Brown, Author of Season of Rot and Cobble. The Sha'Daa has its dark, eerie, terrifying roots anchored deep in the soil of fictional horror and mythic apocrypha. The end-of-days is a concept reinvented multiple times by each generation of writers with every new century, and our own 21st is no exception. We offer up this humble tribute to

those who came before us.

## **Haroldsville**

Sixteen-year-old Max and 10-year-old Tessa were fully prepared for another horrible summer vacation. While they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie star Jordie Paine -- star of such films as I Plan to Kill You Now and the sequel, I Plan to Kill You Now, Too, the ninja film, Chuck Butcher: Sword Wielding Jackal, as well as the light-hearted romp, Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.

## **Requies Dawn**

A series of terrible things begin to happen when a scientist with a dark past resumes his genetic experiments in a small Maine town. The animals suddenly become aggressive for no apparent reason, attacking anyone within sight, including Rick's wife. After slaughtering his diseased herd, Rick realizes to his horror that they have come back to life. Soon the farm is under siege by the deranged animals, and a small group of refugees who have assembled in the farmhouse must hunker down and defend themselves against the terrible onslaught of cannibals. The entire town soon becomes filled with the human flesh-eaters, threatening the farmhouse and the survivors within it. But they all have the same message before they reawaken: they are seeking the chosen ones. The onset of winter provides a temporary defense against the army of the dead, but with supplies running low, the survivors realize they must formulate a plan before the arrival of spring and the dreaded melt-off. And as the world outside them descends into total madness, a surprising leader emerges from the group who will hopefully lead them to safety.

## **Turtle Island**

## Get Free The Apocalypse Code Find Out What Bible Really Says About End Times And Why It Matters Today Hank Hanegraaff

Explains how a team of professionals discovered predictions of world events spelled out in Revelation by correlating numerical values with letters of the Hebrew alphabet.

### **Apocalypse Code**

The bombshell is dropped, the news incredible. It could mean so much for so many. People think their prayers have been answered. Scientists promise this advancement will only be used for good. Can they really guarantee that? The time period is what is referred to as 'end times' when fearful news is the rule of the day. Good news is scarce and so people hold onto this promise of 'help' like a life preserver since that may be what it will be to them. Meanwhile a certain element of criminals is exploding and no one knows what to do with them. Every day the newspaper reveals new horrors. Victims rise along with the perpetrators. It is obvious the battle between good and evil is heating up. It is no longer popular to believe, to have faith or profess your Christianity. It is a time when all that matters to most is what they want for themselves. Selfishness is running rampant and cold hearts and lack of love and conscience are evident. One solution found is going to pull most down to the level of those doing this evil. As has been said is all evil needs to succeed is for good men to do nothing.

### **Within Walls**

Readers will feel they know someone just like the characters in this timely novel on social status and social media. Steen Sand, CEO of Stensure Networks, is the head honcho at an IT firm that's developed an Internet service to monitor, compute, and publish people's social status. His chief operating officer, Irene Lund, serves as his muse. He needs her to be part of his world, or he can't achieve anything of significance. But does she feel the same? Chief financial officer, Michael Jensen, is a hard-core pessimist who has learned the hard way not to speak up against the status quo, in spite of his natural inclination to do so. Jensen's a numbers guy. He relates to spreadsheets better than he does to people. Will this cost him in the end? Louise Hald, chief marketing officer, joined Stensure's management team after leaving her post as an assistant professor at a business school. She's beginning to wonder if she'll ever move past the "assistant" part in the eyes of her coworkers. What can she do to ensure she gets ahead? And then there's Sophie Bech. She's made the long trip back to Denmark from South Africa for her own private reasons, and everything looks different to her now. She wonders what her return will hold for her. Was it a mistake? Will her fresh set of eyes-and values-help or hinder the team? Reductionism-understanding complex things by reducing them to fundamental parts and interactions-comes up against social status, so subtle, intricate, and sought-after, in this intriguing modern-day novel. Will these characters-and their supporting players-make the changes they need to survive in today's world? Or will they succumb to the allure of using easy but underhanded methods to get ahead?

## **Erin's Daughters**

Jerry D Young was born at home, in Senath, Missouri July 3, 1953. At age 5 the family rented a small farm house on an active farm 40 miles southwest of St. Louis. While the family weren't farmers, they lived something of a homestead type life, raising a milk cow, sometimes two, and calves, a pig or two, chickens, and the occasional goat. Along with the stock, a large garden helped to feed Jerry's three brothers and two sisters for several years. Fishing and hunting contributed to the pantry, as did foraging the wild edibles on the property. At the age of 14, the family, minus a brother and two sisters that were now adults and on their own, moved back to Senath. Having been encouraged from an early age to read, Jerry was a regular patron of the Senath Branch Library. A love of a good story was born within him, and shortly before graduating high school, for a lack of stories that he liked at the library, he began to write short vignettes, and started taking notes for stories that he wanted to tell. Well, a full life interceded, and the writing didn't resume for several years. But while working a job with a much free time, and the then newfangled home computer, Jerry began to write in earnest. With the occasional gap in the process, Jerry continued to research and write, never believing he could ever be published. But when he turned 50, he wanted a change in his life, left the job he was doing and began focusing on his writing. When he became ill, the writing stopped, but not the inspiration. When he started writing again, in 2004, after getting the medical problems under control, he began to read some on-line stories dealing with emergency preparedness, one of his other loves. The die was cast. Now with over a hundred of the vignettes and short stories about how to survive disasters written, along with his other novels, Jerry decided to go for broke, adding one of his previous works every few days to his list of stories now available, Jerry continues to write, both the Prep/PAW stories, as well as action adventure with a little romance type stories that first got him started.

Jael and her family learn about the tragedy, the more mysterious things seem. Jael hopes her new school will bring a reprieve from the grief at home, but she learns very quickly that this is no ordinary school, and her new friends are no ordinary students. Most surprising of all, Jael learns that she comes from a line of powerful beings. When disaster starts to move from Jael's house to several other families in Raven Estates, it is clear that something sinister is happening, and Jael and her friends may be the only ones who can stop it. In the same vein as the House of Night and the Beautiful Creatures series, this story will take you into the life of a sixteen-year-old girl who is learning that life is more magical than she could have ever imagined.

### **Promptings**

When the line between nightmare and reality fades, who can Sadie turn to when those closest to her are the ones she should fear most? After her parent's tragic death, Sadie moves to England to live with her grandmother. However, she slowly comes to realise that all is not as it should be. Her nightmares aren't the only place she is haunted. Stalked and tormented by hooded strangers, Sadie struggles to unearth her grandmother's dark secret. She discovers truths about her family's history that she never thought possible. Sadie is different; different in a way that changes her life forever. The revelation brings more troubles than she's able handle alone. Can anyone help her?

### **Observations Upon the Prophecies of Daniel and the Apocalypse of St. John**

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

### **The Apocalypse Code**

## Get Free The Apocalypse Code Find Out What Bible Really Says About End Times And Why It Matters Today Hank Hanegraaff

Do you frequently find yourself asking, "Why?" This book will, prayerfully, prompt you to see God acting in every circumstance in your life, from the mundane to the monumental; to appreciate that the Creator does, indeed, cause "all things [to] work for good to them that love God, to them who are called according to His purpose." (Romans 8:28) Through prose and poems based on personal experiences, the author shares pieces of her journey through faith-building events. If you have trouble focusing on God and His agenda, this book will sharpen your vision and lead you to reconsider God's purpose for the events in which you may find yourself involved on a daily basis.

### **Cracking the Apocalypse Code**

Hal Lindsey, the father of modern-day Bible prophecy, contends that he has cracked the "Apocalypse Code" revealing long-hidden messages about man's future and the fate of the earth as predicted by the biblical prophet Daniel.

### **The Revelation Code**

### **Breaking the Apocalypse Code**

When Nina Wilde is kidnapped by the Prophet, who needs her expert archeological skills, she is forced to hunt down a series of ancient stone figures across the world while waiting for her husband Eddie Chase to rescue her before the world meets its prophesized end.

### **Poseidon's Cradle**

### **The Late Great Planet Earth**

Thirty-two authors from all over the world have created a wide range of apocalypses for your reading pleasure. Within the pages of this anthology, you will find exceptional works focusing on hungry zombies, virulent viruses, nuclear missiles, malevolent fey, vindictive aliens, challenging crustaceans, and more - each of these maelstroms creating massive disturbances within human society. While works of holocausts tend toward a uniform darkness, Enter the Apocalypse contains a number of catastrophes that are humorous enough to cause hysterics and others that are so black as to cause the devil himself to shrink away. Contributing authors include: Kim Alan, Mike Barretta, Nick Barton, Gustavo Bondoni,

### **What the Bible Really Says?**

What if God embedded a code in the Bible that could only be cracked in the end times--a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end-time events? Unlocking a great mystery that has puzzled scholars for nearly two thousand years, THE BABYLON CODE reveals how powerful forces are now at work to create a global government, cashless society, and universal religion as predicted by the prophets. The result of a five-year journalistic investigation, THE BABYLON CODE takes readers on a spellbinding journey to explore the link between the world's most secret organizations, the Bible's greatest prophetic riddle, and what world-renowned evangelist Billy Graham describes as a convergence in end-time signs for the first time in history. This prophetic mystery book pieces together the apocalyptic puzzle--uncovering what may be not only the biggest story and political scandal in modern history, but also the secret to both our survival and our salvation.

### **The Apocalypse Code**

A teenage girl in Eastern Kentucky has been isolated since birth. She experiences abuse from her father as unquestionably the will of God. She obeys his rules in hopes of banishing her demons and finding redemption. But when she breaks a rule in order to teach herself to read the Bible, she discovers something more powerful than God's laws. A hidden letter written sixteen years prior by a woman named Allie to her lover, Jute, reveals both disturbing and electrifying secrets. She feels called to find Jute and deliver the letter to her, even if none of the maps in the Bible show the way to Nashville, Tennessee. Meanwhile, in Nashville, Jute has decided to let go of Allie's things. She asks her son, John, to take the boxes from the attic to the barn. To him, it's all junk. He was never told about Allie. But, when John discovers an old photograph tucked inside one of the notebooks, he is instantly drawn into the mystery of what happened to the girl. What he discovers is even more horrifying than the secrets his mother is hiding. He wants to forget it all, but he can't.

### **Address Book**

Will 2012 bring in the End of Times? With there be a great Battle or Apocalypse? What is the real truth behind the Book of Revelations? Many people both Christian and non-Christians alike have talked about what is revealed in the Book of

## Get Free The Apocalypse Code Find Out What Bible Really Says About End Times And Why It Matters Today Hank Hanegraaff

Revelations. Some say it is an End of Times prophecy, others it is merely a dream or child's bedtime story. In The Book of Revelation Code Dr. Greszczyszyn displaces any mystery and reveals the only truth behind what Johns' revelation and Book of Revelations truly means for everyone. More than another spiritual interpretation, higher than some yogis idea of New Age Thought, the revelations shared within The Book of Revelation Code is simple enough that a child could read, with ideas so powerful and advanced that mystics, first century through present-time disciples of Christianity, theologians and spiritualists all can understand the truth behind what Satan is, why Satan was incorrectly given the number 666, how so many people are mistaken about the Four Horsemen of the Apocalypse and what Fire, Brimstone and Second Death truly describe. More than a book, The Book of Revelation Code is a masterpiece in religious and spiritual truth.

### **Breaking The Apocalypse Code**

This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

### **The Revelation of St. John an Open Book**

Popular radio host and bestselling apologist Hanegraaff helps readers understand what the Bible really says about the End Times, and why what Christians believe matters so much in today's world.

### **Unapologetically, Me.**

Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. The Apocalypse Code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the “Antichrist” and the “Great Whore of Babylon,” and what is the real meaning of “666”? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of

## Get Free The Apocalypse Code Find Out What Bible Really Says About End Times And Why It Matters Today

Hank Hanegraaff

all Jews really headed for an apocalyptic holocaust? The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world. "Provocative and passionate, this fascinating book is a must-read for everyone who's interested in end-times controversies." — Lee Strobel, Author, The Case for the Real Jesus "This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts such as Tim LaHaye. Every fan of the Left Behind series should read this book. The fog will clear, and common sense will return to our reading of the Bible." — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

### Personal Witness Training

Against a backdrop of worldwide economic catastrophe - and the particular vulnerability of tropical island nations - Bahamian entrepreneur Lance Monroe is seduced by the drug underworld. But, in the face of corruption and murder, he is soon compelled to choose another path. In an all-too-possible future, after the Great Global Depression of 2023, only the wealthy can afford to take vacations to the tropics. With the collapse of middle-class tourism, island populations find themselves struggling to pay for the essentials of life. Forced to shut down his dive expedition business, Marine-trained fighter and water-man Monroe reluctantly embarks on transporting contraband for the Dominicans. However, when a secret bio-engineering lab stumbles upon a new super coca strain, the stage is set for a dangerous clash between corrupt governments, drug cartels and the world's largest pharmaceutical company. Tense and disturbing, this ambitious story takes the reader on a wild ride through a harsh, often merciless landscape, with an electrifying plot of action, intrigue, corruption and revenge.

### The New Order

Jet was born after the first war was already lost But she might be just in time for the second. Living on the fringes of an alien-owned world She might just be the leader they need Overview of the THE NEW ORDER (Alien Apocalypse Part III) "They were leaving. She was leaving Earth" Jet figures out fast that her new role as the prince's consort presents even more dangers than just being a straight-up slave and Rings champion. For one thing, a lot more people want to kill her. Worse, Ringmaster Trazen remains as obsessed with Jet as ever. If anything, he seems more determined than ever to put Jet in her place as a "mammal" and a slave. As political intrigues heat up in the Green Zone and one of her human friends is given the death penalty for treason, Jet finds herself surrounded by strangers, enemies, fans and so-called friends, none of whom she fully trusts. Jet soon realizes that the only path to her family's survival will be the one Jet carves herself. Praise for THE ALIEN APOCALYPSE SERIES: "[A] detailed world with plenty of action, mystery, and a strong yet believable young female protagonist" Tamela Viglione, award-winning author "[A] fast-paced action thriller" Thomas Carpenter, author of YA series Gamers "SO looking forward to the rest of the series, you have me totally hooked and craving more" Shannon Mayer,

### **Enter the Apocalypse**

A small survivor community in a dystopian America wages an internal war on itself when the residents disagree what is best for their future. \*\*\* In rural Kentucky, one hundred and sixty-one survivors of the apocalyptic Great Rains huddle inside a one-block, walled off section of town: a place they call Outpost. It has been two years since the toxic rains fell. The people of Outpost have managed to survive by working together, scavenging food from empty homes and businesses, guarding one another while they sleep. They have persevered through their worst nightmare--or so they believed. But now a stranger has come to their community and offered them a choice: they can come with him and go to war with those responsible for destroying the world. Or they can do nothing and hope some other community has the courage to do what they can't. They've already suffered greater than they believed was possible, but many of them still want to fight. Others are skeptical. They don't believe the stranger's story and want nothing to do with furthering their own misery. They like things just the way they are and they'll fight to keep it that way. Even if that fight is with those they call friend and neighbor.

### **Outpost**

### **The Reawakening**

"The Seriously Silly ABC Book" introduces children to the letters of the alphabet one at a time using colorful drawings and humorous sentences that emphasize the individual letters in bold, capitalized, brightly-colored type. You will point out the featured letter at the top of each page and encourage your child to find the several other examples of that same letter on that page, making this book a fun, interactive experience for both you and your child each time you share the book together. "The Seriously Silly ABC Book" became a #1 Best Seller and was chosen #1 "Hot New Release" within days of its release. Thousands of parents, grandparents and children have enjoyed this book together since its publication.

## **How John Wrote the Book of Revelation: From Concept to Publication**

A marvelous collection of wickedly apocalyptic stories by a two-time Nebula Award winning author. "Edward Bryant is a writer of depth and compassion, at once au courant and concerned with the timeless study of the human condition. I recommend his work unequivocally." -Harlan Ellison "Not since Harlan Ellison has there been so energetic an author; when you read Bryant, you are in good hands." -Theodore Sturgeon (New York Times) "These are contemporary horror stories with monsters more frightening than old-fashioned ghosts and vampires." -Kirkus Reviews. "Compelling and totally unnerving." -Chicago Tribune

## **Raven Estates**

### **Constructed**

Dave Stewart has survived the inferno of Kansas City and come out the other side. To the rest of the world his fate is uncertain, and by now even Agent Keyes knows better than to assume he's dead. As Keyes and his rogue DHS agents continue their search for him, Dave knows that Plan A, as usual, won't work. His only chance is to keep moving until he can find a safe way to make contact with Nate Reid and figure out his next move. As Dave's odyssey across a zombie infested America continues, he encounters the best and the worst in his fellow survivors. He will find new allies, learn more about the true nature of the Asura virus, and his role in even bigger designs than he ever imagined. But, in a land filled with enemies both living and dead, is all the skill, wit and courage in the world enough to help him survive? Or will this be Dave Stewart's last journey?

## **Among the Dead and Other Events Leading to the Apocalypse**

For fans of James Rollins and Matthew Reilly comes the next exciting, globe-trotting adventure in Andy McDermott's

explosive series featuring American archaeologist Nina Wilde and ex-SAS bodyguard Eddie Chase. The Bible's last book hides a secret that could end the world. In the heart of Iraq, on the eve of Operation Iraqi Freedom, a CIA special forces unit met with Arab rebels near long-hidden ancient ruins, a place from which the Americans were direly warned to stay away. But team member Ezekiel Cross didn't listen and made an astounding discovery—one worth killing for. Now Cross is a ruthless cult leader on an ominous mission. Convinced that he's unlocked the secrets of the Bible's Book of Revelation, he's determined to gather four stone angels that will trigger God's promised End of Days. And he's not alone. A former U.S. president, with a vision of all-out religious warfare, plays a role in the dark plot. But while Cross may have the clues to tracking down the remaining angels, he hasn't been able to match them to real-world locations. For that he has coerced famed archaeologist Nina Wilde into assisting him, using her husband, ex-special forces soldier Eddie Chase, as collateral. With Eddie held hostage, Nina is forced to recover relics of untold power from Rome to Israel. She must find a way to halt Cross's mad quest, because the last piece of the puzzle is at hand—and with it comes the most terrifying revelation of all. Praise for *The Revelation Code* "There is no end to the mischief that husband and wife team Eddie Chase and Nina Wilde can get into; no archaeological mystery is safe; and if X marks the spot you can bet that that's where you'll also find Nina and Eddie, no doubt looking a bit battered. . . . This is such a strong series and I can never get enough of it. *The Revelation Code* is a fine addition to it, combining a great plot and mystery with a new phase in Eddie and Nina's relationship. I cannot wait to see what happens next. Nothing will be the same again."—*For Winter Nights* "A fun, frantic read that moves along at a breakneck pace, even through heavy scenes of torture, religious insanity, and political posturing . . . big-time popcorn adventure fun, complete with a dose of history and humor."—*Beauty in Ruins*
